1 section eleven hundred eighty of this article or (iv) when highway
2 construction or maintenance work is occurring and other speed limits are
3 in effect as provided in subdivision (b) or (g) or paragraph one of
4 subdivision (d) of section eleven hundred eighty of this article. The
5 commissioner, in consultation with the superintendent of the division of
6 state police, shall determine the location of the highway construction
7 or maintenance work areas located on a controlled-access highway in
8 which to install and operate photo speed violation monitoring systems.
9 In selecting a highway construction or maintenance work area in which to
10 install and operate a photo speed violation monitoring system, the
11 commissioner shall consider criteria including, but not limited to, the
12 speed data, crash history, and roadway geometry applicable to such high-
13 way construction or maintenance work area. A photo speed violation moni-
14 toring system shall not be installed or operated on a controlled-access
15 highway exit ramp.

16 2. Notwithstanding any other provision of law, after holding a public
17 hearing in accordance with the public officers law and subsequent
18 approval of the establishment of a demonstration program in accordance
19 with this section by a majority of the members of the entire board of
20 the thruway authority, the chair of the thruway authority is hereby
21 authorized to establish a demonstration program imposing monetary
22 liability on the owner of a vehicle for failure of an operator thereof
23 to comply with posted maximum speed limits in a highway construction or
24 maintenance work area located on the thruway (i) when highway
25 construction or maintenance work is occurring and a work area speed
26 limit is in effect as provided in paragraph two of subdivision (d) or
27 subdivision (f) of section eleven hundred eighty of this article or (ii)
28 when highway construction or maintenance work is occurring and other
29 speed limits are in effect as provided in subdivision (b) or (g) or
