AN ACT to amend the tax law, in relation to enacting the "enhanced empire state child credit for infants act"

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as  
2 the "enhanced empire state child credit for infants act".

3 § 2. Legislative findings and intent. The legislature finds that the  
4 first year of a child's life presents unique financial challenges for  
5 families, including costs associated with healthcare, diapers, formula,  
6 and other necessities. Expanding the empire state child tax credit to  
7 provide additional support for infants will help alleviate financial  
8 stress, improve early childhood outcomes, and reduce economic dispari-  
9 ties. This act aims to strengthen support for families by increasing the  
10 credit for the first year while maintaining the current credit structure  
11 for subsequent years.

12 § 3. Subsection (c-1) of section 606 of the tax law is amended by  
13 adding a new paragraph 6 to read as follows:

14 (6) Notwithstanding any other provision, beginning with the tax year  
15 two thousand twenty-six, and for each tax year thereafter, for a taxable  
16 year in which a qualifying child is under the age of one year at any  
17 time during such taxable year, the amount of the credit allowed pursuant  
18 to this subsection shall be double the amount otherwise allowable under  
19 this subsection with regard to such qualifying child.

20 § 4. The commissioner of taxation and finance is authorized to promul-  
21 gate any rules and regulations necessary to implement the provisions of  
22 this act. The commissioner of taxation and finance shall develop and  
23 implement a method for ensuring that families of children under one year  
24 of age are notified of and able to claim the expanded credit under para-  
25 graph 6 of subsection (c-1) of section 606 of the tax law, as added by
