AN ACT to amend the vehicle and traffic law, in relation to requirements for signs providing notice of the use of a photo speed violation monitoring system

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Paragraph 2 of subdivision (a) of section 1180-b of the vehicle and traffic law, as amended by chapter 229 of the laws of 2022, is amended to read as follows:

2. No photo speed violation monitoring system shall be used in a school speed zone unless (i) on the day it is to be used it has successfully passed a self-test of its functions; and (ii) it has undergone an annual calibration check performed pursuant to paragraph four of this subdivision. The city shall install signs bearing the words "photo enforced" below speed limit signs giving written notice to approaching motor vehicle operators that a photo speed violation monitoring system is in use, in conformance with standards established in the MUTCD, and shall modify existing signage to reflect such written notice in the regular course of maintenance. **Notwithstanding any provision of law to the contrary, such signs shall be primarily yellow, indicate that there is a school speed zone and that a photo speed violation monitoring system is being used for photo enforcement, and shall be placed within fifty feet in either direction of a photo speed violation monitoring system.**

§ 2. This act shall take effect on the sixtieth day after it shall have become a law; provided, however, that the amendments to section 1180-b of the vehicle and traffic law made by section one of this act shall not affect the repeal of such section and shall be deemed repealed therewith.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
