AN ACT to amend the agriculture and markets law, in relation to enacting  
"Bella's Law"

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as  
2 "Bella's Law".

3 § 2. Legislative intent. The legislature hereby finds that animal  
4 cruelty is a serious problem and that individuals who harm and abuse  
5 animals are statistically more likely to engage in domestic violence and  
6 child abuse than individuals who do not harm and abuse animals. A strong  
7 correlation has been established linking individuals who abuse animals  
8 with incidents of domestic violence. Therefore, the purpose of this law  
9 is to establish a requirement that the state of New York office of chil-  
10 dren and family services must investigate any individual who is accused  
11 of or investigated for animal cruelty to ensure that there is no associ-  
12 ated domestic or family violence and that law enforcement notify and  
13 coordinate with the office of children and family services in animal  
14 cruelty investigations and arrests.

15 § 3. The agriculture and markets law is amended by adding a new  
16 section 353-aa to read as follows:

17 § 353-aa. Animal abuse accusal requiring a domestic violence and abuse  
18 investigation. 1. Definitions. As used in this section, the following  
19 terms shall have the following meanings:

20 (a) "Animal" shall mean any live mammal, bird, or reptile, but shall  
21 not include feeder animals.

22 (b) "Companion animal" shall mean any dog or cat, and shall also mean  
23 any other domesticated animal normally maintained in or near the house-

56 shall be notified by law enforcement of investigations and accusations

1 of animal abuse crimes where such investigations or accusations arise in  
2 connection in such law enforcement's professional or official capacity.  
3 Nothing herein shall mandate such reporting: (i) where it would jeopard-  
4 ize an ongoing investigation or the personal safety of an individual;  
5 (ii) in circumstances where it is clear that the accused or investigated  
6 individual has no family members and no need for personal services from  
7 the office of children and family services; or (iii) where the partic-
