47 7. (a) When a law enforcement agency notifies the department, the
48 department shall confirm the accuracy of the information and, if
49 confirmed, immediately issue an alert under this section in accordance

16 located.

17 8. The department of transportation is not required to use any exist-
18 ing system of dynamic message signs in a statewide alert system created
19 under this section if the department of transportation receives notice
20 from the United States Department of Transportation Federal Highway
21 Administration that the use of the signs would result in the loss of
22 federal highway funding or other punitive actions taken against this
23 state due to noncompliance with federal laws, regulations, or policies.

24 9. The department shall establish an opt-out procedure for military
25 members who do not wish to be included in the green alert program. Such
26 opt-out form shall be made available in hard copy and shall be made
