Introduced by M. of A. TAPIA -- read once and referred to the Committee on Mental Health

AN ACT to amend the public health law, in relation to the establishment of mental health clubhouses

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public health law is amended by adding a new article 29-L to read as follows:

ARTICLE 29-L

MENTAL HEALTH CLUBHOUSES

Section 2999-nn. Definitions.

2999-oo. Mental health clubhouses; establishment.

2999-pp. Operational standards and core services.

2999-qq. Public-private partnerships and workforce training.

2999-rr. Criminal justice coordination and re-entry support.

2999-ss. Funding and sustainability.

2999-tt. Oversight, compliance, and reporting.

§ 2999-nn. Definitions. For the purposes of this article, the following terms shall have the following meanings:

1. "Mental health clubhouse" or "clubhouse" means a non-emergency medical facility and community-based psychosocial rehabilitation center that provides structured, evidence-based services for individuals living with mental illness, including:

(a) employment assistance, workforce development, and job placement;

(b) housing assistance, supportive housing navigation, and homelessness prevention;

(c) educational and skills training programs;

(d) peer support groups and mental health counseling;

(e) crisis intervention and suicide prevention services;

(f) re-entry support for justice-involved individuals; and

(g) veteran services, including post-traumatic stress disorder support and United States department of veterans' affairs benefit navigation.

2. "Active membership" means a person who has entered a clubhouse and participated in its activities within the preceding three months.

3. "Veteran peer specialist" means a trained individual with military service experience who provides post-traumatic stress disorder support, United States department of veterans' affairs benefits assistance, and reintegration services.

4. "Public-private partnership" means a state-authorized agreement allowing private sector investment into clubhouse workforce development programs.

5. "Re-entry program" means a program operated by a municipality, county, or state entity that assists individuals transitioning from incarceration to community living.

6. "Homeless placement agency" means any governmental or non-governmental entity tasked with placing individuals experiencing homelessness into housing or shelters.

§ 2999-oo. Mental health clubhouses; establishment. 1. Clubhouses shall be established within reasonable proximity to public transportation. In rural areas, mobile clubhouse services shall be implemented to ensure accessibility.

2. The department and the office of mental health shall develop a statewide implementation plan for the provisions of this article within one year of the effective date of this article. The state shall prioritize clubhouse expansion in counties with the highest rates of homelessness, unemployment, and psychiatric hospitalizations.

§ 2999-pp. Operational standards and core services. 1. Membership of clubhouses shall be voluntary, free of cost, and open to any individual with a history of mental illness.

2. Each clubhouse shall provide the following core services:

(a) employment assistance and workforce development, including but not limited to:

(i) on-site employment opportunities in food service, maintenance, outreach, and administrative roles;

(ii) job placement services in coordination with local employers; and

(iii) skills training and professional development in technical and trade fields;

(b) housing assistance and homelessness prevention, including but not limited to:

(i) direct housing application support, including under section eight of the United States Housing Act, and supportive housing programs;

(ii) coordination with homeless placement agencies; and

(iii) emergency shelter and rapid rehousing services;

(c) crisis intervention and suicide prevention, including but not limited to:

(i) employing at least one staff member at each clubhouse who has been trained in a recognized applied suicide intervention skills training (ASIST) program;

(ii) on-site naloxone administration and overdose prevention training for staff; and

(iii) emergency response coordination with 911 and mobile crisis teams; and

(d) veterans' services, including but not limited to:

(i) employing at least one veteran peer specialist at each clubhouse;

(ii) post-traumatic stress disorder support groups and individualized reintegration services; and

1 (iii) direct assistance in applying for United States department of
2 veterans' affairs benefits and housing programs.

3 § 2999-qq. Public-private partnerships and workforce training. The
4 department shall establish a public-private partnership model, allowing
5 corporations to invest in workforce training programs within clubhouses
6 as authorized by the department. Such corporate investments may include:

7 1. funding on-site job training;

8 2. establishing employment pipelines for clubhouse members; and

9 3. providing direct financial support to clubhouses.

10 § 2999-rr. Criminal justice coordination and re-entry support. 1. All
11 clubhouses shall partner with re-entry programs and probation offices to
12 ensure individuals leaving incarceration with mental illness can imme-
13 diately access clubhouse services.

14 2. Clubhouses shall provide:

15 (a) re-entry counseling, job training, and housing assistance;

16 (b) collaboration with parole and probation officers for smooth rein-
17 tegration; and

18 (c) substance abuse prevention services for justice-involved individ-
19 uals.

20 § 2999-ss. Funding and sustainability. 1. Clubhouses shall not operate
21 on a fee-for-service reimbursement basis.

22 2. Funding sources for clubhouses shall include:

23 (i) state appropriations;

24 (ii) Medicaid waivers;

25 (iii) federal grants for which clubhouses qualify; and

26 (iv) private sector investments through public-private partnerships
27 under section twenty-nine hundred ninety-nine-qq of this article.

28 3. The department shall allocate available funding based on:

29 (a) county population and mental health prevalence; and

30 (b) performance metrics and service utilization rates.

31 § 2999-tt. Oversight, compliance, and reporting. 1. Each clubhouse
32 shall submit a comprehensive report to the department and the office of
33 mental health detailing:

34 (a) clubhouse active membership statistics and daily service utiliza-
35 tion;

36 (b) employment placements and workforce development outcomes;

37 (c) housing placements and homelessness prevention efforts; and

38 (d) crisis intervention cases and emergency responses.

39 2. The department shall conduct biennial audits of all clubhouses to
40 ensure compliance with state regulations.

41 § 2. This act shall take effect immediately.
