(d) The fee for recording an affidavit of affixation shall be two hundred dollars.

(e) No transfer tax shall be due upon the filing of an affidavit of affixation.

§ 344-d. Disposition of liens. Neither the act of affixing a manufactured home to real property, nor the recording of the affidavit of affixation shall impair the rights of any holder of a security interest in a manufactured home perfected as provided in section twenty-one hundred eighteen of the vehicle and traffic law, unless and until the due filing with and acceptance by the commissioner of motor vehicles of an application to surrender the title and a release of any lien as provided in section twenty-one hundred twenty-one of the vehicle and traffic law. Upon the filing of such a release, the security interest created under the vehicle and traffic law terminates. The recording of an affidavit of affixation does not change the character of the lien noted on a certificate of title, and no mortgage recording tax shall be imposed at the time an affidavit of affixation is recorded or upon any lien upon a manufactured home created under the vehicle and traffic law.

§ 344-e. Notice to commissioner of motor vehicles. Upon payment of the fees provided by law and recordation of the affidavit of affixation, the recording officer shall endorse the affidavit as "recorded in land records", setting forth thereon the indexing information for the affidavit of affixation and the recording officer shall forthwith forward the recorded original affidavit of affixation to the person designated therein for filing with the commissioner of motor vehicles.

§ 344-f. Time of conversion. (b) Notwithstanding subdivision (a) of this section, a manufactured home shall be considered real property as provided in section three hundred forty-four-g of this article if an application to surrender a manufacturer's certificate of origin pursuant to section twenty-one hundred seventeen-a of the vehicle and traffic law, an application to surrender a certificate of title pursuant to section twenty-one hundred seventeen-b of the vehicle and traffic law, or an application for confirmation of conversion pursuant to section twenty-one hundred seventeen-c of the vehicle and traffic law is delivered to the commissioner of motor vehicles within thirty days of recording the related affidavit of affixation with the recording officer in the county in which the real property to which the manufactured home is or shall be affixed and the application is thereafter accepted by the commissioner, the requirements of this section shall be deemed satisfied as of the date the affidavit of affixation is recorded.

§ 344-g. Conveyance and encumbrance as real property. Upon satisfaction of the conditions provided in section three hundred forty-four-b of this article, any mortgage, lien or security interest which can attach to land, buildings erected thereon or fixtures affixed thereto, shall

attach, as of the date of recording in the same manner as real property. Title to such manufactured home shall be transferred by deed or other form of conveyance that is effective to transfer an interest in real property, together with the land to which such structure is affixed. The manufactured home shall be deemed to be real property and shall be governed by the laws of this state applicable to real property.

§ 344-h. Manufactured homes that remain personal property. Except as provided in section three hundred forty-four-b, section three hundred forty-four-c, and section three hundred forty-four-e, of this article, an affidavit of affixation is not necessary or effective to convey or encumber a manufactured home or to change the character of the manufactured home to real property.

§ 344-i. Documents in trust. (a) Manufacturer's certificate of origin. The holder of a manufacturer's certificate of origin to a manufactured home may deliver it to any person to facilitate conveying or encumbering the home. § 344-j. Home warranty. A warranty that applies to a manufactured home when it is sold and rights arising from a breach of the warranty are not affected by a subsequent change in the home's classification as real property pursuant to this article. No additional warranty applies to a manufactured home solely because of a subsequent change in the home's classification as real property.

§ 344-k. Impairment of rights. Nothing in this section shall impair any rights existing under law prior to the effective date of this section of anyone claiming an interest in a manufactured home.

§ 9. This act shall take effect one year after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
