## IN ASSEMBLY

March 20, 2025

Introduced by M. of A. K. BROWN -- read once and referred to the Committee on Governmental Operations

AN ACT to amend the executive law, in relation to requiring electric vehicle charging stations and electric vehicle ready parking spaces in certain state properties

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The executive law is amended by adding a new section 201-b  
2 to read as follows:

3 § 201-b. Electric vehicle charging stations. 1. For the purposes of  
4 this section, the term "parking facility" shall mean a parking garage,  
5 parking structure, or open parking lot that is paved and striped to  
6 designate individual parking spaces for vehicles and which has fifty  
7 parking spaces or more.

8 2. Any parking facility owned and operated by the state of New York,  
9 that offers between fifty and two hundred parking spaces for the  
10 purposes of public use, state employee use and pay-per-usage, is hereby  
11 required to install electric charging stations in at least ten percent  
12 of the total number of parking spaces offered by such facility.

13 3. Any parking facility owned and operated by the state of New York,  
14 that offers more than two hundred parking spaces for the purposes of  
15 public use, state employee use and pay-per-usage, is hereby required to  
16 install electric charging stations in at least twenty percent of the  
17 total number of parking spaces offered by such facility.

18 4. Each electric vehicle charging station required pursuant to this  
19 section shall support electric vehicle charging with a minimum of forty  
20 amperes and two hundred eight volts of electrical capacity. Such elec-  
21 tric vehicle charging stations and all other components and work appur-  
22 tenant thereto shall be in accordance with all applicable state, county,  
23 city, town, or village electrical codes.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

1 5. The office of general services shall be responsible for the instal-  
2 lation of any electric vehicle supply equipment and charging stations.  
3 If such installation shall require the state to make upgrades to any  
4 electrical supply equipment to safely and sufficiently power and operate  
5 such charging stations, the office of general services shall increase  
6 the electrical capacity of the existing system by installing new compo-  
7 ments as necessary. If the office of general services is unable to make  
8 such technical upgrades to a facility, the office may contract with a  
9 licensed electrician or similar service provider to upgrade the elec-  
10 trical capacity of said facility. Such contracted work shall comply with  
11 the provisions of article eight of the labor law, including the payment  
12 of a wage of not less than the prevailing wage in the locality where  
13 such parking facility is located.

14 6. The office of general services shall be responsible for the mainte-  
15 nance, general upkeep and repair of any electric vehicle supply equip-  
16 ment and charging stations. If the office of general services is unable  
17 to complete such maintenance or repairs, the office may contract with a  
18 licensed electrician or similar repair service to complete the necessary  
19 work on said equipment.

20 § 2. This act shall take effect on the first of April next succeeding  
21 the date on which it shall have become a law. Effective immediately, the  
22 addition, amendment and/or repeal of any rule or regulation necessary  
23 for the implementation of this act on its effective date are authorized  
24 to be made and completed on or before such effective date.
