IN ASSEMBLY

April 4, 2025

Introduced by M. of A. WOERNER -- read once and referred to the Committee on Education

AN ACT to amend the education law, in relation to updating provisions relating to dignity for all students; and making an appropriation therefor

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 10 of the education law, as added by chapter 482 of
2 the laws of 2010, is amended to read as follows:

3 § 10. Legislative intent. The legislature finds that students' ability
4 to learn and to meet high academic standards, and a school's ability to
5 educate its students, are compromised by incidents of discrimination or
6 harassment including bullying, taunting or intimidation. It is hereby
7 declared to be the policy of the state to afford all students in public
8 schools an environment free of discrimination and harassment, whether in
9 the school building or on the internet. The purpose of this article is
10 to foster civility in public schools and to prevent and prohibit conduct
11 which is inconsistent with a school's educational mission.

12 § 2. Subdivisions 1, 2, 7 and 8 of section 11 of the education law,
13 subdivisions 1 and 2 as added by chapter 482 of the laws of 2010, subdivision
14 7 as amended and subdivision 8 as added by chapter 102 of the
15 laws of 2012, are amended and a new subdivision 11 is added to read as
16 follows:

17 1. "School property" shall mean in or within any building, structure,
18 athletic playing field, playground, parking lot, or land contained within
19 the real property boundary line of a public elementary or secondary
20 school; or in or on a school bus, as defined in section one hundred
21 forty-two of the vehicle and traffic law; or in or within a school
22 administrative building.

23 2. "School function" shall mean a school-sponsored extra-curricular
24 event or activity, or a school board or trustee meeting.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

7. "Harassment" ~~[and "bullying"]~~ shall mean the creation of a hostile environment by conduct or by threats, intimidation or abuse, including cyberbullying, that (a) has or would have the effect of unreasonably and substantially interfering with a student's educational performance, opportunities or benefits, or mental, emotional or physical well-being; or (b) reasonably causes or would reasonably be expected to cause a student to fear for ~~[his or her]~~ their physical safety; or (c) reasonably causes or would reasonably be expected to cause physical injury or emotional harm to a student; or (d) occurs off school property and creates or would foreseeably create a risk of substantial disruption within the school environment, where it is foreseeable that the conduct, threats, intimidation or abuse might reach school property. Acts of harassment ~~[and bullying]~~ shall include, but not be limited to, those acts based on a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender or sex. For the purposes of this definition the term "threats, intimidation or abuse" shall include verbal and non-verbal actions.

8. "Cyberbullying" shall mean harassment or bullying as defined in ~~[subdivision seven of]~~ this section, ~~[including paragraphs (a), (b), (c) and (d) of such subdivision,]~~ where such harassment or bullying occurs through any form of electronic communication, including but not limited to cell phones, email, social media or text messaging.

11. "Bullying" shall mean a pattern of repeated and deliberate aggressive acts intended to harm or humiliate another person who is smaller, weaker, younger or in any way more vulnerable than the bully, and may involve verbal attacks, teasing, physical attacks, threats of harm, sharing personal or private information about someone without their consent causing embarrassment, deliberate exclusion from activities, or other forms of intimidation. The deliberate targeting of a vulnerable person distinguishes "bullying" from "conflict" or other kinds of aggression.

§ 3. Subdivision 1 of section 12 of the education law, as amended by chapter 102 of the laws of 2012, is amended to read as follows:

1. No student shall be subjected to harassment or bullying by employees, school board members, school trustees, or students on school property or at a school function; nor shall any student be subjected to discrimination based on a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, or sex by school employees, school board members, school trustees, or students on school property or at a school function. Nothing in this subdivision shall be construed to prohibit a denial of admission into, or exclusion from, a course of instruction based on a person's gender that would be permissible under section thirty-two hundred one-a or paragraph (a) of subdivision two of section twenty-eight hundred fifty-four of this chapter and title IX of the Education Amendments of 1972 (20 U.S.C. section 1681, et. seq.), or to prohibit, as discrimination based on disability, actions that would be permissible under section 504 of the Rehabilitation Act of 1973.

§ 4. Paragraphs e, k and l of subdivision 1 of section 13 of the education law, as added by chapter 102 of the laws of 2012, are amended and two new paragraphs m and n are added to read as follows:

e. require the school, when an investigation reveals any such verified harassment, bullying or discrimination, to take prompt actions reasonably calculated to end the harassment, bullying or discrimination, eliminate any hostile environment, create a more positive school culture and

1 climate, prevent recurrence of the behavior, and ensure the safety of
2 the student or students against whom such harassment, bullying or
3 discrimination was directed. Such actions shall be consistent with the
4 guidelines created pursuant to subdivision four of this section and
5 shall take into consideration whether notification of persons in
6 parental relation to the student who is the subject of such harassment,
7 bullying or discrimination is in the best interest of the student;

8 k. require each school, at least once during each school year, to
9 provide all school employees, students and parents with a written or
10 electronic copy of the school district's policies created pursuant to
11 this section, or a plain-language summary thereof, including notifica-
12 tion of the process by which students, parents and school employees may
13 report harassment, bullying and discrimination and to post a written
14 notification informing students about such policy and the name of the
15 school employee designated to receive reports of harassment, bullying or
16 discrimination in the school lobby and in every restroom used by
17 students as well as other parts of the school where students are likely
18 to see such posted notification. This subdivision shall not be
19 construed to require additional distribution of such policies and guide-
20 lines if they are otherwise distributed to school employees, students
21 and parents;

22 l. maintain current versions of the school district's policies created
23 pursuant to this section on the school district's internet website, if
24 one exists;

26 nications in the school district's policies;

27 n. develop such policies, procedures and guidelines to prevent
28 students from being bullied, harassed or discriminated against by school
29 board members and school trustees; and

30 § 5. Subdivision 5 of section 14 of the education law, as amended by
31 chapter 90 of the laws of 2013, is amended to read as follows:

32 5. ~~[The commissioner shall prescribe]~~ Prescribe regulations that
33 school professionals applying on or after December thirty-first, two
34 thousand thirteen for a certificate or license, including but not limit-
35 ed to a certificate or license valid for service as a classroom teacher,
36 school counselor, school psychologist, school social worker, school
37 administrator or supervisor or superintendent of schools shall, in addi-
38 tion to all other certification or licensing requirements, have
39 completed training on the social patterns of harassment, bullying and
40 discrimination, as defined in section eleven of this article, including
41 but not limited to those acts based on a person's actual or perceived
42 race, color, weight, national origin, ethnic group, religion, religious
43 practice, disability, sexual orientation, gender or sex, the identifica-
44 tion and mitigation of harassment, bullying and discrimination, and
45 strategies for effectively addressing problems of exclusion, bias and
46 aggression in educational settings.

47 § 6. Section 15 of the education law, as amended by chapter 102 of the
48 laws of 2012, is amended to read as follows:

49 § 15. Reporting by commissioner and use of reports. 1. The commis-
50 sioner shall create a procedure under which material incidents of
51 harassment, bullying and discrimination on school grounds or at a school
52 function are reported to the department at least on an annual basis.
53 Such procedure shall provide that such reports shall, wherever possible,
54 also delineate the specific nature of such incidents of harassment,
55 bullying and discrimination, ~~[provided that the commissioner may comply~~
56 ~~with the requirements of this section through use of the existing~~

~~uniform violent incident reporting system~~] including, but not limited to, whether such incidents were student-on-student, student-on-employee, or employee-on-student, the number of complaints dismissed and the basis for dismissal, the number of students, if any, who withdrew from the school following the filing of a complaint and prior to the next succeeding school year, the number of complaints resulting in any action taken, and the action taken, including student or employee training or education, student or employee discipline, or employee removal, leave of absence or retirement. In addition, the department may conduct research or undertake studies to determine compliance throughout the state with the provisions of this article.

2. The commissioner shall use such reports and data to identify schools and districts that are failing to meet the standards and objectives of this article. The commissioner shall promulgate policies and procedures for improving conditions at these schools to ensure proper training, support, and compliance with all requirements.

3. The commissioner shall deliver the report referenced in subdivision one of this section to the legislature every two years.

§ 7. Section 16 of the education law, as amended by chapter 102 of the laws of 2012, is amended to read as follows:

§ 16. Protection of people who report harassment, bullying or discrimination. Any person having reasonable cause to suspect that a student has been subjected to harassment, bullying or discrimination, by an employee, school board member, school trustee or student, on school grounds or at a school function, who, acting reasonably and in good faith, reports such information to school officials, to the commissioner or to law enforcement authorities, acts in compliance with paragraph e or i of subdivision one of section thirteen of this article, or otherwise initiates, testifies, participates or assists in any formal or informal proceedings under this article, shall have immunity from any civil liability that may arise from the making of such report or from initiating, testifying, participating or assisting in such formal or informal proceedings, and no school district or employee shall take, request or cause a retaliatory action against any such person who, acting reasonably and in good faith, either makes such a report or initiates, testifies, participates or assists in such formal or informal proceedings.

§ 8. The education law is amended by adding a new article 2-A to read as follows:

ARTICLE 2-A

STUDENT SUICIDE PREVENTION

Section 20. Legislative intent.

21. Definitions.

22. Policies, procedures, and guidelines.

23. Application.

24. Severability and construction.

§ 20. Legislative intent. The legislature finds and declares the following:

1. According to data from the federal centers for disease control and prevention as reported in the year two thousand sixteen, suicide is the second leading cause of death for youth and young adults ten to twenty-four years of age, inclusive, in both the United States and in New York state.

2. As children and teens spend a significant amount of their young lives in school, the personnel who interact with them on a daily basis

1 are essential gatekeepers for recognizing warning signs of suicide and
2 making the appropriate referrals for help.

3 3. In a national survey conducted by the Jason Foundation, a teacher
4 was identified as the number one person to whom a student would turn to
5 help a friend who might be suicidal. It is imperative that when a young
6 person comes to a teacher for help, such teacher has the knowledge,
7 tools, and resources to respond correctly.

8 4. In the year two thousand eighteen, the federal centers for disease
9 control and prevention found in its Youth Risk Behavior Survey that
10 lesbian, gay, and bisexual youth are almost four times more likely to
11 seriously consider attempting suicide, have made a suicide plan, or have
12 attempted suicide, than their heterosexual peers.

13 5. There are national hotlines available to help adults and youth,
14 including lesbian, gay, bisexual, transgender, queer, or questioning
15 (LGBTQ) youth, who are experiencing suicidal ideation or who are worried
16 about a family member or peer who may be at risk, including the National
17 Suicide Prevention Lifeline, the Crisis Text Line, the Trevor Project
18 Lifeline, and TrevorChat.

19 6. According to the Family Acceptance Project, research has found
20 that, for an LGBTQ youth, having at least one supportive adult can
21 reduce the youth's risk of suicide.

22 7. New York state schools face the serious issues of students at high
23 risk of suicide and death by suicide in the school communities. School
24 personnel must be supported by clear policies and procedures, which
25 serve as an easily-accessible roadmap, eliminate confusion over educator
26 roles and the referral process, and equip educators with the tools to
27 respond safely when a suicide does occur in the school community.

28 § 21. Definitions. For the purposes of this article, the following
29 terms shall have the following meanings:

14 for further assessment and evaluation; and

15 g. instruction to students in problem-solving and coping skills to

23 body of every local educational agency that serves students in grades
24 seven to twelve, inclusive, shall, before the first day of August, two
25 thousand twenty-five, adopt policies, procedures, and guidelines on
26 student suicide prevention, intervention, and postvention for students
27 in such grades. Such policies, procedures, and guidelines shall be
28 developed in consultation with school and community stakeholders,
29 school-employed mental health professionals, and suicide prevention
30 experts, and shall include, but not be limited to:

31 a. methods to increase awareness of the relationship between suicide
32 and suicide risk factors, including, but not limited to:

33 i. mental health and substance use conditions;

34 ii. childhood abuse, neglect, or trauma;

35 iii. prolonged stress, including individual experiences such as bully-
36 ing, harassment, family or relationship stress, or other stressful life

39 iv. exposure to another person's suicide, or sensationalized or graph-
40 ic accounts of suicide; and

41 v. previous suicide attempts or history of suicide within a student's
42 family;

43 b. identification of training opportunities on recognizing suicide
44 risks, and referral procedures available to school employees;

45 c. availability of expertise from school employees who have been

50 student is in imminent danger to themself;

51 f. policies and protocols for communication with parents, including
52 those that specify what to do if parental notification is not in the
53 best interest of the student;

54 g. counseling services available within the school for students and
55 their families that are related to suicide prevention;

1 h. availability of information concerning crisis situation inter-
2 vention, suicide prevention, and mental health services in the community
3 for students and their families and school employees;

4 i. identification and development of partnerships with community
5 organizations and agencies for referral of students to health, mental
6 health, substance use, and social support services, including develop-
7 ment of at least one memorandum of understanding between the local
8 education agency and such an organization or agency in the community or
9 region, other than a law enforcement agency;

10 j. development of a culturally competent plan to assist survivors of

27 employee acts only within the authorization and scope of such employee's
28 credential or license. Nothing in this section shall be construed as
29 authorizing or encouraging a school employee to diagnose or treat mental
30 health conditions unless such employee is specifically licensed and
31 employed to do so.

32 4. The policies, procedures and guidelines adopted pursuant to this
33 section shall ensure that school officials are solely responsible for
34 responding to student behavior. Such policies, procedures and guidelines
35 shall make clear that law enforcement involvement in addressing student
36 behavior should be the last resort and shall make clear that unless
37 otherwise authorized by state law:

38 a. Law enforcement officers and school resource officers shall not use
39 mechanical restraints on a student unless such restraints are necessary
40 to prevent imminent and serious physical injury to such student or
41 another person, and the use of such restraints is limited in duration to
42 the time period in which such student presents a risk of causing serious
43 physical injury to themselves or others; and

51 5. Notwithstanding any other provision of law to the contrary, no
52 cause of action may be brought for any loss or damage caused by any act
53 or omission resulting from the implementation of the provisions of this
54 article, or resulting from any training, or lack of training, required
55 by this article. Nothing in this article shall be construed to impose
56 any specific duty of care.

6. To assist local educational agencies in developing policies for student suicide prevention, the department shall develop and maintain model policies, procedures, and guidelines in accordance with this section to serve as a guide for local educational agencies. Such model policies, procedures, and guidelines shall be posted within thirty days of their completion on the department's internet website, along with relevant resources and information to support schools in developing and implementing the policies, procedures, and guidelines required under subdivision one of this section.

§ 23. Application. The provisions of this article shall apply to all private and public educational institutions in New York state.

§ 24. Severability and construction. The provisions of this article shall be severable, and if any court of competent jurisdiction declares any phrase, clause, sentence or provision of this article to be invalid, or its applicability to any government agency, person or circumstance is declared invalid, the remainder of this article and its relevant applicability shall not be affected. The provisions of this article shall be liberally construed to give effect to the purposes thereof.
