IN ASSEMBLY

Introduced by M. of A. WALKER -- read once and referred to the Committee on Election Law

AN ACT to amend the election law, in relation to primary election voting ballots in the city of New York

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 7-116 of the election law is amended by adding a
2 new subdivision 6-a to read as follows:

3 6-a. Notwithstanding the provisions of subdivision six of this
4 section, in the city of New York, the ballot on the voting machine for
5 primary elections shall conform to the following additional provisions:

6 The names of the candidates designated for such public office or party
7 position in the primary of a party shall be placed under the title of
8 the office or position in the alphabetical order of their surnames, in
9 the first or lowest numbered assembly district and election district of
10 any political unit or subdivision within a county. If candidates'
11 surnames are identical, their given or first name shall determine their
12 order. Thereafter the names shall be rotated by election districts by
13 transposing the first named candidate to the bottom of the order at each
14 succeeding election district, so that each name shall appear first and
15 in each other position in an equal number, as nearly as possible, of the
16 election districts and except, further, that where two or more candi-
17 dates are to be elected to the same party position, the names of candi-
18 dates for such a position which appear on the same designating petition
19 shall be grouped together on the ballot in the order in which their
20 names appear on the designating petition and the group rotated alphabet-
21 ically in relation to other groups or individual candidates according to
22 the surname of the first person on the designating petition of such
23 group. Groups of candidates for delegate and alternate delegate, and
24 groups of candidates for male and female delegate and male and female
25 alternate delegate to the same convention designated on the same peti-

tion shall be rotated together alphabetically in relation to other groups or individual candidates according to the surname of the first person listed on such designating petition in the group of candidates for whichever of such delegate or alternate delegate positions will appear first on the voting machine. If the rules of a party committee provide for equal representation of the sexes among the members of a state committee elected from each unit of representation, elections for male and female members of such a committee from a single unit of representation shall be conducted as elections for two different party positions. Notwithstanding the provisions of this paragraph, if the board of elections has assigned numbers to the candidates for an office or position because of identical or similar names among such candidates, the names of such candidates shall be placed under the title of such office or position in the order of such numbers in such first or lowest numbered district, and the names shall not be rotated by election district. Such names shall appear in the identical order on each ballot in each election district.

County committee candidates or groups of candidates shall be printed within the first election district of each assembly district or part thereof, according to the priority of filing of designating petitions and they shall then be rotated by election district by placing the candidate or group of candidates designated in the same petition as the candidate or group of candidates which was printed first in an election district at the bottom of the order in the next succeeding election district in which a candidate or group of candidates designated in such petition appears on the ballot.

In cases where a name is added to or removed from the ballot by court order too late to make a complete adjustment to these requirements feasible, the name may be added at the bottom of the list of candidates in all election districts, or removed from the ballot in all election districts without changing the previously arranged order of other names and without invalidating the election. Any inadvertent error in the order of names discovered too late to correct the order of the names on the ballots concerned shall not invalidate an election.

Except where a contest or candidate is removed from the ballot by court order too late to make complete compliance with this paragraph feasible, the title of each public office or party position and the names of the candidates for such office or position appearing on any voting machine used for primary elections in the city of New York shall appear on such machine immediately adjacent to one another, either horizontally or vertically; and no blank spaces shall separate the names of candidates actually running for an office or party position on such voting machine, and no blank spaces shall separate any two such offices or positions which appear on such voting machine in the same column or row.

§ 2. This act shall take effect on the thirtieth day after it shall have become a law and shall apply to elections occurring on and after such date.
