Introduced by M. of A. RA -- read once and referred to the Committee on Governmental Operations

AN ACT to amend the executive law, in relation to requiring state agencies to post public reports in certain formats

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The executive law is amended by adding a new section 170-i
2 to read as follows:

3 § 170-i. Agency reporting requirements. 1. Every state agency that
4 publishes reports containing data on its website shall be required to
5 post such reports in a machine-readable format prospectively from the
6 effective date of this section. For purposes of this section, machine-
7 readable format shall mean a data format that can be automatically proc-
8 essed by computers.

9 2. One year after the effective date of this section, and every two
10 years thereafter, the comptroller shall conduct an audit of each state
11 agency to ensure the agency's compliance with this section. Such audit
12 shall be designed to assess each state agency's compliance with the
13 requirements of this section, and shall examine:

14 (a) Whether all reports containing data published on agency websites
15 are provided in a machine-readable format as defined in this section;

16 (b) The adequacy and effectiveness of internal controls established by
17 agencies to ensure ongoing compliance with machine-readable data publi-
18 cation requirements; and

19 (c) The completeness, accuracy, and timeliness of the data published
20 in compliance with this section.

21 3. Upon completion of each audit cycle, the comptroller shall:

22 (a) Issue a written report to the legislature, the governor, and the
23 audited agencies detailing the findings of the audit, including:

24 (i) the level of compliance by each agency;

- 1 (ii) for each agency, any deficiencies, non-compliance, or areas for
- 2 improvement identified during the audit; and
- 3 (iii) for each agency, recommendations for corrective actions, process
- 4 improvements, or policy changes to enhance compliance and data quality.
- 5 (b) Summarize recurring issues or trends across agencies and provide
- 6 guidance for statewide improvements to data publication practices.

7 § 2. This act shall take effect immediately and shall apply to reports
8 prepared on and after such effective date.
