of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be $131,845,000. The amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be $457,455,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 90.928 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 90.928 percent of the funding level to be deemed distributed to each municipality under this subdivision shall be reduced in equal proportion.

The sum of $58,797,000 to municipalities for reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be $13,155,000. The amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be $45,642,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 9.072 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 9.072 percent of the funding level to be deemed distributed to each municipality under this paragraph shall be reduced in equal proportion. To the extent that the total of remaining

payment allocations calculated herein varies from $58,797,000, the payment amounts to each locality shall be adjusted by a uniform percentage so that the total payments equal $58,797,000. **Up to twenty-five percent of annual capital grants apportionments to counties, cities, towns and villages under the consolidated local street and highway improvement program may be utilized for the purchase of street and highway construction and maintenance equipment and materials. The Commissioner shall promulgate rules and regulations establishing the eligibility and criteria for such municipalities to purchase such equipment and materials.**

Payments shall be made on the fifteenth day of June, September, December and March (17CH2521) (54267) 648,097,000

For additional capital grants to counties, cities, towns and villages for the reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended:

Up to twenty-five percent of annual capital grants apportionments to counties, cities, towns and villages under the consolidated local street and highway improvement program may be utilized for the purchase of street and highway construction and maintenance equipment and materials. The Commissioner shall promulgate rules and regulations establishing the eligibility and criteria for such municipalities to purchase such equipment and materials. Payments shall be made on the fifteenth day of June, September, December and March 1,851,903,000

§ 2. This act shall take effect immediately and shall be deemed to have been in full force and effect on and after April 1, 2025.
