STATE OF NEW YORK

9030

2025-2026 Regular Sessions

IN ASSEMBLY

September 5, 2025

Introduced by M. of A. K. BROWN -- read once and referred to the Committee on Energy

AN ACT to direct the New York state energy resource and development authority to conduct a feasibility study on installing solar panels and other renewable energy systems along state highways; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The New York state energy resource and development authority, in collaboration with the New York state thruway authority, the department of transportation, and the New York power authority, shall study the viability of installing solar panels and other renewable energy systems, as such term is defined in section sixty-six-p of the public service law, along state highways including, but not limited to, the New York state thruway.

§ 2. No later than one year after the effective date of this act, the New York state energy resource and development authority shall report its findings of such study to the governor and the legislature, as described under section one of this act.

§ 3. This act shall take effect immediately, and shall expire and be deemed repealed two years after such effective date.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
