

**BY:** Senator PERSAUD

**MEMORIALIZING** Governor Kathy Hochul to proclaim  
May 31, 2025, as Save Your Hearing Day in the State  
of New York

**WHEREAS,** It is the custom of this Legislative Body to recognize official days that are set aside to increase awareness of health issues that affect the lives of citizens of New York State; and

**WHEREAS,** Attendant to such concern, and in full accord with its long-standing traditions, this Legislative Body is justly proud to memorialize Governor Kathy Hochul to proclaim May 31, 2025, as Save Your Hearing Day in the State of New York, in conjunction with the observance of National Save Your Hearing Day; and

**WHEREAS,** National Save Your Hearing Day is observed annually on May 31st, the culmination of Better Hearing and Speech Month, and raises awareness about hearing loss and the importance of preserving our hearing; and

**WHEREAS,** Records of hearing loss have been around since ancient times; an Egyptian mummy showed evidence of having a perforated eardrum, which signals hearing loss; and

**WHEREAS,** Sign language began to be used early on, as evidenced by the writings of the Athenian philosopher Plato; the earliest mention of a hearing device comes from the writings of an Italian scholar who described an instrument which could amplify sounds; and

**WHEREAS,** In later years, education on hearing protection was spurred on by military needs; both World Wars saw the development of multiple new inventions in hearing aid, from earplugs and ear flaps to protect hearing, to earmuffs; and

**WHEREAS,** Furthermore, as with most inventions, these earmuffs also underwent a series of transformations to become the fluffy ear protectors they are today; and

**WHEREAS,** Today, National Save Your Hearing Day normalizes hearing problems, protects ear health and raises awareness about care; and

**WHEREAS,** Hearing loss can be prevented or, at the very least, treated; learning more about our hearing teaches us how easy it is to abuse our ears and how quickly we can ruin our hearing capacity; it also makes us more sympathetic towards those with hearing loss; and

**WHEREAS,** The simple and small tweaks to our lifestyle provided on National Save Your Hearing Day can drastically improve hearing health; and

**WHEREAS,** National Save Your Hearing Day, and the subsequent events

around it, bring attention to an often neglected and abused part of our well-being, our hearing; and

**WHEREAS,** It is imperative that there be greater public awareness of this health issue and more must be done to improve hearing health for all New Yorkers and those affected by hearing loss; now, therefore, be it

**RESOLVED,** That this Legislative Body pause in its deliberations to memorialize Governor Kathy Hochul to proclaim May 31, 2025, as Save Your Hearing Day in the State of New York; and be it further

**RESOLVED,** That a copy of this Resolution, suitably engrossed, be transmitted to The Honorable Kathy Hochul, Governor of the State of New York.
