42 affect the investigation or prosecution of some other person or persons
43 for the crime. If an order directing the expungement of any DNA record
44 and any samples, analyses or other documents relating to the DNA testing
45 of such individual is issued, such record and any samples, analyses, or
46 other documents shall, at the discretion of the possessor thereof, be
47 destroyed or returned to such individual or to the attorney who repres-
48 ented [~~him or her~~] the individual in connection with the application for
49 the order of expungement. Nothing in this subdivision authorizes any
