

STATE OF NEW YORK

2395

2025-2026 Regular Sessions

IN SENATE

January 17, 2025

Introduced by Sen. PERSAUD -- read twice and ordered printed, and when printed to be committed to the Committee on Insurance

AN ACT to amend the insurance law, in relation to requiring health insurance coverage for mammography by either mammogram and breast ultrasound or breast tomosynthesis for persons with certain breast densities

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subparagraph (A) of paragraph 11 of subsection (i) of
2 section 3216 of the insurance law, as amended by chapter 414 of the laws
3 of 2017, is amended to read as follows:

4 (A) Every policy that provides coverage for hospital, surgical or
5 medical care shall provide the following coverage for mammography
6 screening for occult breast cancer:

7 (i) upon the recommendation of a physician, a mammogram, which may be
8 provided by breast tomosynthesis, at any age for covered persons having
9 a prior history of breast cancer or who have a first degree relative
10 with a prior history of breast cancer;

11 (ii) a single baseline mammogram, which may be provided by breast
12 tomosynthesis, for covered persons aged thirty-five through thirty-nine,
13 inclusive; ~~and~~

14 (iii) an annual mammogram, which may be provided by breast tomosynthe-
15 sis, for covered persons aged forty and older; and

16 (iv) either: a. an annual mammogram and breast ultrasound; or b.
17 breast tomosynthesis for covered persons with heterogeneously dense or
18 extremely dense breasts.

19 § 2. Subparagraph (A) of paragraph 11 of subsection (i) of section
20 3216 of the insurance law, as amended by chapter 424 of the laws of
21 2024, is amended to read as follows:

22 (A) Every policy that provides coverage for hospital, surgical or
23 medical care shall provide the following coverage for mammography
24 screening for occult breast cancer:

25 (i) upon the recommendation of a physician, a mammogram, which may be
26 provided by breast tomosynthesis, at any age for covered persons having

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

1 a prior history of breast cancer or who have a first degree relative
2 with a prior history of breast cancer;

3 (ii) a single baseline mammogram, which may be provided by breast
4 tomosynthesis, for covered persons aged thirty-five through thirty-nine,
5 inclusive;

6 (iii) an annual mammogram, which may be provided by breast tomosynthe-
7 sis, for covered persons aged forty and older; [and]

8 (iv) upon the recommendation of a physician, screening and diagnostic
9 imaging, including diagnostic mammograms, breast ultrasounds, or magnet-
10 ic resonance imaging, recommended by nationally recognized clinical
11 practice guidelines for the detection of breast cancer. For the purposes
12 of this item, "nationally recognized clinical practice guidelines" means
13 evidence-based clinical practice guidelines informed by a systematic
14 review of evidence and an assessment of the benefits, and risks of
15 alternative care options intended to optimize patient care developed by
16 independent organizations or medical professional societies utilizing a
17 transparent methodology and reporting structure and with a conflict of
18 interest policy; and

19 (v) either: a. an annual mammogram and breast ultrasound; or b. breast
20 tomosynthesis for covered persons with heterogeneously dense or extreme-
21 ly dense breasts.

22 § 3. Subparagraph (A) of paragraph 11 of subsection (l) of section
23 3221 of the insurance law, as amended by chapter 143 of the laws of
24 2019, is amended to read as follows:

25 (A) Every insurer delivering a group or blanket policy or issuing a
26 group or blanket policy for delivery in this state that provides cover-
27 age for hospital, surgical or medical care shall provide the following
28 coverage for mammography screening for occult breast cancer:

29 (i) upon the recommendation of a physician, a mammogram, which may be
30 provided by breast tomosynthesis, at any age for covered persons having
31 a prior history of breast cancer or who have a first degree relative
32 with a prior history of breast cancer;

33 (ii) a single baseline mammogram, which may be provided by breast
34 tomosynthesis, for covered persons aged thirty-five through thirty-nine,
35 inclusive;

36 (iii) an annual mammogram, which may be provided by breast tomosynthe-
37 sis, for covered persons aged forty and older; [and]

38 (iv) for large group policies that provide coverage for hospital,
39 surgical or medical care, an annual mammogram for covered persons aged
40 thirty-five through thirty-nine, inclusive, upon the recommendation of a
41 physician, subject to the insurer's determination that the mammogram is
42 medically necessary; and

43 (v) either: a. an annual mammogram and breast ultrasound; or b. breast
44 tomosynthesis for covered persons with heterogeneously dense or extreme-
45 ly dense breasts.

46 § 4. Subparagraph (A) of paragraph 11 of subsection (l) of section
47 3221 of the insurance law, as amended by chapter 424 of the laws of
48 2024, is amended to read as follows:

49 (A) Every insurer delivering a group or blanket policy or issuing a
50 group or blanket policy for delivery in this state that provides cover-
51 age for hospital, surgical or medical care shall provide the following
52 coverage for mammography screening for occult breast cancer:

53 (i) upon the recommendation of a physician, a mammogram, which may be
54 provided by breast tomosynthesis, at any age for covered persons having
55 a prior history of breast cancer or who have a first degree relative
56 with a prior history of breast cancer;

(ii) a single baseline mammogram, which may be provided by breast tomosynthesis, for covered persons aged thirty-five through thirty-nine, inclusive;

(iii) an annual mammogram, which may be provided by breast tomosynthesis, for covered persons aged forty and older;

(iv) for large group policies that provide coverage for hospital, surgical or medical care, an annual mammogram for covered persons aged thirty-five through thirty-nine, inclusive, upon the recommendation of a physician, subject to the insurer's determination that the mammogram is medically necessary; **[and]**

(v) upon the recommendation of a physician, screening and diagnostic imaging, including diagnostic mammograms, breast ultrasounds, or magnetic resonance imaging, recommended by nationally recognized clinical practice guidelines for the detection of breast cancer. For the purposes of this item, "nationally recognized clinical practice guidelines" means evidence-based clinical practice guidelines informed by a systematic review of evidence and an assessment of the benefits, and risks of alternative care options intended to optimize patient care developed by independent organizations or medical professional societies utilizing a transparent methodology and reporting structure and with a conflict of interest policy; **and**

(vi) either: a. an annual mammogram and breast ultrasound; or b. breast tomosynthesis for covered persons with heterogeneously dense or extremely dense breasts.

§ 5. Paragraph 1 of subsection (p) of section 4303 of the insurance law, as amended by chapter 219 of the laws of 2011, subparagraph (A) as amended by chapter 414 of the laws of 2017, and subparagraphs (B), (C), (D), and (E) as amended by chapter 143 of the laws of 2019, is amended to read as follows:

(1) A medical expense indemnity corporation, a hospital service corporation or a health service corporation that provides coverage for hospital, surgical or medical care shall provide the following coverage for mammography screening for occult breast cancer:

(A) upon the recommendation of a physician, a mammogram, which may be provided by breast tomosynthesis, at any age for covered persons having a prior history of breast cancer or who have a first degree relative with a prior history of breast cancer;

(B) a single baseline mammogram, which may be provided by breast tomosynthesis, for covered persons aged thirty-five through thirty-nine, inclusive;

(C) an annual mammogram, which may be provided by breast tomosynthesis, for covered persons aged forty and older;

(D) for large group contracts offered by a medical expense indemnity corporation, a hospital service corporation or a health service corporation that provide coverage for hospital, surgical or medical care, an annual mammogram for covered persons aged thirty-five through thirty-nine, inclusive, upon the recommendation of a physician, subject to the corporation's determination that the mammogram is medically necessary; and

(E) either: (i) an annual mammogram and breast ultrasound; or (ii) breast tomosynthesis for covered persons with heterogeneously dense or extremely dense breasts.

(F) The coverage required in this paragraph or paragraph two of this subsection shall not be subject to annual deductibles or coinsurance.

§ 6. Paragraph 1 of subsection (p) of section 4303 of the insurance law, as amended by chapter 424 of the laws of 2024, is amended to read as follows:

(1) A medical expense indemnity corporation, a hospital service corporation or a health service corporation that provides coverage for hospital, surgical or medical care shall provide the following coverage for mammography screening for occult breast cancer:

(A) upon the recommendation of a physician, a mammogram, which may be provided by breast tomosynthesis, at any age for covered persons having a prior history of breast cancer or who have a first degree relative with a prior history of breast cancer;

(B) a single baseline mammogram, which may be provided by breast tomosynthesis, for covered persons aged thirty-five through thirty-nine, inclusive;

(C) an annual mammogram, which may be provided by breast tomosynthesis, for covered persons aged forty and older;

(D) for large group contracts offered by a medical expense indemnity corporation, a hospital service corporation or a health service corporation that provide coverage for hospital, surgical or medical care, an annual mammogram for covered persons aged thirty-five through thirty-nine, inclusive, upon the recommendation of a physician, subject to the corporation's determination that the mammogram is medically necessary;

(E) upon the recommendation of a physician, screening and diagnostic imaging, including diagnostic mammograms, breast ultrasounds, or magnetic resonance imaging, recommended by nationally recognized clinical practice guidelines for the detection of breast cancer. For the purposes of this subparagraph, "nationally recognized clinical practice guidelines" means evidence-based clinical practice guidelines informed by a systematic review of evidence and an assessment of the benefits, and risks of alternative care options intended to optimize patient care developed by independent organizations or medical professional societies utilizing a transparent methodology and reporting structure and with a conflict of interest policy; and

(F) either: (i) an annual mammogram and breast ultrasound; or (ii) breast tomosynthesis for covered persons with heterogeneously dense or extremely dense breasts.

(G) The coverage required in this paragraph or paragraph two of this subsection shall not be subject to annual deductibles or coinsurance. If under federal law, application of this requirement would result in health savings account ineligibility under 26 USC 223, this requirement shall apply for health savings account-qualified high deductible health plans with respect to the deductible of such a plan after the enrollee has satisfied the minimum deductible under 26 USC 223, except for with respect to items or services that are preventive care pursuant to 26 USC 223(c)(2)(C), in which case the requirements of this paragraph shall apply regardless of whether the minimum deductible under 26 USC 223 has been satisfied.

§ 7. This act shall take effect on the sixtieth day after it shall have become a law and shall apply to all policies and contracts issued, renewed, modified, altered or amended on or after such date; provided, however, sections two, four, and six of this act shall take effect on the same date and in the same manner as sections 1, 3 and 5, respectively, of chapter 424 of the laws of 2024, takes effect.
