

STATE OF NEW YORK

2483

2025-2026 Regular Sessions

IN SENATE

January 21, 2025

Introduced by Sen. PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications

AN ACT to amend the public authorities law, in relation to increasing development of clean energy distribution infrastructure

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Article 8 of the public authorities law is amended by
2 adding a new title 9-D to read as follows:

3 TITLE 9-D

4 CLEAN ENERGY DISTRIBUTION INFRASTRUCTURE DEVELOPMENT PROGRAM

5 Section 1920. Definitions.

6 1921. Powers and duties.

7 § 1920. Definitions. As used in this title, the following terms shall
8 have the following meanings:

9 1. "Authority" shall have the same meaning as in subdivision two of
10 section eighteen hundred fifty-one of this article.

11 2. "Renewable energy facility" shall have the same meaning as renewa-
12 ble energy systems as defined in section sixty-six-p of the public
13 service law.

14 § 1921. Powers and duties. 1. The authority, in consultation with the
15 state energy planning board, shall increase development of clean energy
16 distribution infrastructure. Such infrastructure development shall
17 include, but not be limited to, power line installation.

18 2. The amount of such increase shall be as follows:

19 (a) Twenty percent increase during the three year period beginning on
20 the effective date of this title.

21 (b) Five percent increase during each year thereafter, until peak
22 clean energy consumption and distribution goals, as determined by the
23 state energy planning board, are reached.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD06645-01-5

1 3. The authority, in consultation with the state energy planning
2 board, shall coordinate clean energy distribution infrastructure devel-
3 opment on a statewide level based on the respective capacities of renew-
4 able energy facilities and local energy consumption needs of areas
5 surrounding such facilities.

6 4. The authority is authorized to partner with local and state public
7 authorities to carry out the provisions of this title, as deemed neces-
8 sary and appropriate by the legislature.

9 § 2. This act shall take effect immediately.
