6 4. A license granted pursuant to this article shall be valid unless
7 revoked or suspended by the superintendent or surrendered by the licen-

9 § 374-cc. Action by superintendent on application. 1. After the filing
10 of an application for a license accompanied by payment of the fees for
11 license and investigation, it shall be substantively reviewed. After the
12 application is deemed sufficient and complete, the superintendent shall
13 issue the license, or the superintendent may refuse to issue the license
14 if the superintendent shall find that the financial responsibility,
15 experience, character and general fitness of the applicant or any person
16 associated with the applicant are not such as to command the confidence
17 of the community and to warrant the belief that the business will be
18 conducted honestly, fairly and efficiently within the purposes and
19 intent of this article. For the purpose of this subdivision, the appli-
20 cant shall be deemed to include all the members of the applicant if it
21 is a partnership or unincorporated association, and all the stockhold-
22 ers, officers and directors of the applicant if it is a corporation.
23 Such license to engage in business in accordance with the provisions of
24 this article at the location specified in the application shall be
25 executed in triplicate by the superintendent and the superintendent
26 shall transmit one copy thereof to the applicant, file a copy in the
27 office of the department of financial services, and file a copy in the
28 office of the clerk of the county in which is located the place desig-
29 nated in such license.

30 2. If the superintendent refuses to issue a license, the superinten-
31 dent shall notify the applicant of the denial, return to the applicant
32 the sum paid as a license fee, but retain the investigation fee to cover
33 the costs of investigating the applicant.

34 3. Each license issued pursuant to this article shall remain in full
35 force unless it is surrendered by the licensee, revoked or suspended.

36 § 374-dd. License provisions and posting. 1. A license issued under
37 this article shall state the name and address of the licensee, and if
38 the licensee be a co-partnership or association, the names of the
39 members thereof, and if a corporation the date and place of its incorpo-
40 ration.

41 2. Such license shall be kept conspicuously posted in the office of
42 the licensee and on the mobile application or website of the licensee
43 and shall not be transferable or assignable.

44 § 374-ee. Grounds for suspension or revocation of license; procedure.

45 1. A license granted pursuant to this section shall not be renewed, and
46 shall be revoked or suspended by the superintendent upon a finding that:

47 (a) the licensee has not complied with reporting requirements;

48 (b) the licensee has violated any provision of this article, the act
49 of congress entitled "Truth in Lending Act" and the regulations there-
50 under, as such act and regulations may from time to time be amended or
51 any rule or regulation lawfully made by the superintendent under and
52 within the authority of this article;

53 (c) any fact of condition exists which, if it had existed at the time
54 of the original application for such license, clearly would have
55 warranted the superintendent's refusal to issue such license; or

1 (d) the licensee has failed to pay any sum of money lawfully demanded
2 by the superintendent or to comply with any demand, ruling or require-
3 ment of the superintendent.

4 2. Any licensee may surrender any license by delivering to the super-
5 intendent written notice that the licensee thereby surrenders such
6 license, but such surrender shall not affect such licensee's civil or
7 criminal liability for acts committed prior to such surrender.

8 3. Every license issued hereunder shall remain in force and effect
9 until the same shall have been surrendered, revoked, suspended, or shall
10 have expired, in accordance with the provisions of this article, but the
11 superintendent shall have authority to reinstate suspended licenses or
12 to issue new licenses to a licensee whose license or licenses shall have
13 been revoked if no fact or condition then exists which clearly would
14 have warranted the superintendent's refusal to issue such license.

15 4. Whenever the superintendent shall revoke or suspend a license
16 issued pursuant to this article, the superintendent shall forthwith
17 execute in triplicate a written order to that effect. The superintendent
18 shall file one copy of such order in the office of the department, file
19 another in the office of the clerk of the county in which is located the
20 place designated in such license and forthwith serve the third copy upon
21 the licensee, which order may be reviewed in the manner provided by
22 article seventy-eight of the civil practice law and rules. Such special
23 proceeding for review as authorized by this section must be commenced
24 within thirty days from the date of such order of suspension or revoca-
25 tion.

26 5. The superintendent may, on good cause shown, or where there is a
27 substantial risk of public harm, without notice and a hearing, suspend
28 any license issued pursuant to this article for a period not exceeding
29 thirty days, pending investigation. "Good cause", as used in this subdi-
30 vision, shall exist only when the licensee has engaged in or is likely
31 to engage in a practice prohibited by this article or engages in dishon-
32 est or inequitable practices which may cause substantial harm to the
33 persons afforded the protection of this article.

34 § 374-ff. Investigations and examinations. 1. The superintendent shall
35 have the power to make such investigations as the superintendent shall
36 deem necessary to determine whether any provider or any other person has
37 violated any of the provisions of this article, or whether any licensee
38 has conducted itself in such manner as would justify the revocation of
39 its license, and to the extent necessary therefor, the superintendent
40 may require the attendance of and examine any person under oath, and
41 shall have the power to compel the production of all relevant books,
42 records, accounts, and documents.

43 2. The superintendent shall have the power to make such examinations
44 of the books, records, accounts and documents used in the business of
45 any licensee as the superintendent shall deem necessary to determine
46 whether any such licensee has violated any of the provisions of this
47 article.

48 3. The expenses incurred in making any examination pursuant to subdi-
49 vision two of this section shall be assessed against and paid by the
50 licensee so examined, except that traveling and subsistence expenses so
51 incurred shall be charged against and paid by licensees in such
52 proportions as the superintendent shall deem just and reasonable, and
53 such proportionate charges shall be added to the assessment of the other
54 expenses incurred upon each examination. Upon written notice by the
55 superintendent of the total amount of such assessment, the licensee

1 shall become liable for and shall pay such assessment to the superinten-
2 dent.

3 4. All reports of examinations and investigations, and all correspond-
4 ence and memoranda concerning or arising out of such examinations or
5 investigations, including any duly authenticated copy or copies thereof
6 in the possession of any licensee or the department, shall be confiden-
7 tial communications, shall not be subject to subpoena and shall not be
8 made public unless, in the judgment of the superintendent, the ends of
9 justice and the public advantage will be subserved by the publication
10 thereof, in which event the superintendent may publish or authorize the
11 publication of a copy of any such report or other material referred to
12 in this subdivision, or any part thereof, in such manner as the super-
13 intendent may deem proper.

14 § 374-gg. Compliance. 1. An earned income access provider shall not
15 operate in this state unless:

16 (a) the provider is licensed pursuant to this article, unless the
17 provider is an exempt organization pursuant to this article;

18 (b) in the event a provider takes custody of a consumer's earned but
19 unpaid income before paying proceeds to the consumer, the provider
20 ensures that the proceeds are fully insured by the Federal Deposit
21 Insurance Corporation at the consumer's individual account level;

22 (c) the provider complies with National Automated Clearing House Asso-
23 ciation rules, and when a debit is initiated to a consumer's account for
24 a payment, and the debit is returned for insufficient or uncollected
25 funds, the debit can be reinitiated only in accordance with paragraph
26 (d) of subdivision two of this section;

27 (d) the provider does not provide to any third party, including obli-
28 gors, any non-public personal information about consumers except in
29 compliance with applicable federal and state law, and the provider does
30 not sell, share, or otherwise disclose personal information that the
31 provider solicits or collects from consumers in connection with offering
32 earned income access transactions or related services;

33 (e) the provider gives notice to the consumer of the costs of earned
34 income transactions in accordance with rules established by the super-
35 intendent; and

36 (f) the provider, no less frequently than quarterly, delivers notice
37 in writing to each consumer to whom it has paid proceeds in that quarter
38 containing information to be prescribed by the superintendent, including
39 but not limited to an itemization of transactions and costs, the total
40 amount the consumer has paid in fees, information on how to report
41 complaints to the provider and to the department of financial services,
42 definitions of terms used in the notice, and an explanation of the costs
43 of the services provided;

44 2. It is a violation of this article to conduct an earned income
45 access transaction unless:

46 (a) the transaction is non-recourse;

47 (b) the provider has a reasonable basis to believe that the total
48 amount of the proceeds and fees associated with the transaction does not
49 exceed a percentage, to be set by the superintendent, of the consumer's
50 earned but unpaid income;

51 (c) the provider does not engage in debt collection activity or retain
52 the services of another to engage in debt collection activity in
53 connection with the earned income access transaction and does not convey
54 the debt itself;

1 (d) if repayment is to be made through a debit of a consumer's
2 account, the debit is made in accordance with rules established by the
3 superintendent;

4 (e) the provider charges a fee for the earned income access trans-
5 action that does not exceed the earned income access rate cap or charges
6 no fee for the earned income access transaction;

7 (f) no portion of the earned but unpaid income to be paid as part of
8 the earned income access transaction is used before receipt by the
9 consumer to settle or pay down an obligation arising from a prior earned
10 income access transaction, and no proceeds roll over or are structured
11 in any way to create any continuing obligation to the provider on the
12 part of a consumer;

13 (g) the consumer receives the proceeds no less than one business day
14 prior to the next regularly scheduled date on which the obligor is sche-
15 duled to pay earned wages or income to such consumer;

16 (h) before a consumer enters into the earned income access trans-
17 action, the provider gives the consumer notice, in writing, of all fees
18 associated with the earned income access transaction and the cost of the
19 transaction, including the cost expressed as an annual percentage rate;

20 (i) if the provider offers consumers the opportunity to pay an addi-
21 tional amount for an earned income access transaction voluntarily, such
22 as a tip, (i) the provider gives notice to the consumer in writing that
23 paying such additional amount is not required for the consumer to
24 receive the proceeds, (ii) the provider does not suggest an amount to
25 the consumer by, for example, offering amount options from which the
26 consumer may select or pre-filling an amount in any form used in the
27 transaction process, or otherwise using a transaction process designed
28 to require the consumer to take affirmative action to avoid or opt out
29 of paying such additional amount, and (iii) such voluntary payment
30 amounts do not, when added to the total cost of the transaction, cause
31 the total fees for the earned income access transaction to exceed the
32 earned income access rate cap;

33 (j) the provider does not charge a late fee or prepayment penalty on
34 the earned income access transaction;

35 (k) the provider does not pull a credit report or otherwise assess
36 credit risk of the consumer prior to, during, or after the earned income
37 access transaction except that the provider may verify the consumer's
38 source of income as part of determining the amount of the proceeds;

39 (l) the provider does not report on the earned income access trans-
40 action to a consumer reporting agency prior to, during, or after the
41 transaction;

42 (m) the provider does not require a consumer to waive the right to
43 class action to engage in an earned income access transaction;

44 (n) the provider gives a consumer written notice of any amendment to
45 the contract or terms of service for earned income access transactions,
46 and the consumer agrees to such amendments before proceeding with an
47 earned income access transaction to which such amendments would apply;
48 and

49 (o) the consumer is eighteen years of age or older.

50 3. Transactions made in accordance with this section shall not be
51 subject to usury laws.

52 4. If a provider charges indirect transaction fees, such fees shall
53 not exceed the maximum allowable amount as set by the superintendent.

54 § 374-hh. Advertising. 1. No advertisement for an earned income access
55 transaction service shall be misleading or otherwise deceptive.

1 2. An advertisement for earned income access transaction service shall
2 clearly and accurately disclose the costs of the service to consumers.

3 3. The superintendent shall adopt rules governing advertising of
4 earned income transaction services consistent with the purposes of this
5 section.

6 § 374-ii. Regulations and rulings. The superintendent is hereby
7 authorized and empowered to make such rules and regulations, conduct
8 hearings and make such specific rulings, orders, demands and findings as
9 may be necessary for the proper conduct of the business authorized and
10 licensed under and for the enforcement of this article.

11 § 374-jj. Changes in control. 1. It shall be unlawful except with the
12 prior approval of the superintendent for any action to be taken which
13 results in a change of control of the business of a licensee. Prior to
14 any change of control, the person desirous of acquiring control of the
15 business of a licensee shall make written application to the superinten-
16 dent and pay an investigation fee as prescribed pursuant to section
17 eighteen-a of this chapter to the superintendent. The application shall
18 contain such information as the superintendent, by rule or regulation,
19 may prescribe as necessary or appropriate for the purpose of making the
20 determination required by subdivision two of this section.

21 2. The superintendent shall approve or disapprove the proposed change
22 of control of a licensee in accordance with the provisions of subdivi-
23 sion one of this section.

24 3. For a period of six months from the date of qualification thereof
25 and for such additional period of time as the superintendent may
26 prescribe, in writing, the provisions of subdivisions one and two of
27 this section shall not apply to a transfer of control by operation of
28 law to the legal representative, as hereinafter defined, of one who has
29 control of a licensee. Thereafter, such legal representative shall
30 comply with the provisions of subdivisions one and two of this section.
31 The provisions of subdivisions one and two of this section shall be
32 applicable to an application made under such section by a legal repre-
33 sentative.

34 4. The term "legal representative", for the purposes of this section,
35 shall mean one duly appointed by a court of competent jurisdiction to
36 act as executor, administrator, trustee, committee, conservator or
37 receiver, including one who succeeds a legal representative and one
38 acting in an ancillary capacity thereto in accordance with the
39 provisions of such court appointment.

40 5. As used in this section: (a) the term "person" includes an individ-
41 ual, partnership, corporation, association or any other organization,
42 and (b) the term "control" means the possession, directly or indirectly,
43 of the power to direct or cause the direction of the management and
44 policies of a licensee, whether through the ownership of voting stock of
45 such licensee, the ownership of voting stock of any person which
46 possesses such power or otherwise. Control shall be presumed to exist if
47 any person, directly or indirectly, owns, controls or holds with power
48 to vote ten per centum or more of the voting stock of any licensee or of
49 any person which owns, controls or holds with power to vote ten per
50 centum or more of the voting stock of any licensee, but no person shall
51 be deemed to control a licensee solely by reason of being an officer or
52 director of such licensee or person. The superintendent may in the
53 superintendent's discretion, upon the application of a licensee or any
54 person who, directly or indirectly, owns, controls or holds with power
55 to vote or seeks to own, control or hold with power to vote any voting
56 stock of such licensee, determine whether or not the ownership, control

1 or holding of such voting stock constitutes or would constitute control
2 of such licensee for purposes of this section.

3 § 374-kk. Violation and penalties. 1. Any person, including any
4 member, officer, director or employee of a provider, who violates or
5 participates in the violation of any provision of this article, or who
6 knowingly makes any incorrect statement of a material fact in any appli-
7 cation, report or statement filed pursuant to this article, or who know-
8 ingly omits to state any material fact necessary to give the superinten-
9 dent any information lawfully required by the superintendent or refuses
10 to permit any lawful investigation or examination, shall be guilty of a
11 misdemeanor and, upon conviction, shall be fined not more than five
12 hundred dollars or imprisoned for not more than six months or both, in
13 the discretion of the court.

14 2. No provider shall make, directly or indirectly, orally or in writ-
15 ing, or by any method, practice or device, a representation that such
16 provider is licensed under the banking law except that a licensee under
17 this chapter may make a representation that the licensee is licensed as
18 an earned income access provider under this chapter.

19 § 374-ll. Books and records; reports. 1. The provider shall keep and
20 use in its business such books, accounts and records as will enable the
21 superintendent to determine whether such provider is complying with the
22 provisions of this article and with the rules and regulations lawfully
23 made by the superintendent hereunder. Every provider shall preserve such
24 books, accounts and records for at least six years after making the
25 final entry in respect to any earned wage access transaction recorded
26 therein; provided, however, the preservation of photographic reproduc-
27 tions thereof or records in photographic form shall constitute compli-
28 ance with this requirement.

29 2. By a date to be set by the superintendent, each provider shall
30 annually file a report with the superintendent giving such information
31 as the superintendent may require concerning the business and operations
32 during the preceding calendar year of the provider within the state
33 under the authority of this article. Such report shall be subscribed and
34 affirmed as true by the provider under the penalties of perjury and be
35 in the form prescribed by the superintendent. In addition to such annual
36 reports, the superintendent may require of providers such additional
37 regular or special reports as the superintendent may deem necessary to
38 the proper supervision of providers under this article. Such additional
39 reports shall be in the form prescribed by the superintendent and shall
40 be subscribed and affirmed as true under the penalties of perjury.

41 § 374-mm. Severability. If any provision of this article or the appli-
42 cation thereof to any person or circumstances is held invalid, the inva-
43 lidity thereof shall not affect other provisions or applications of the
44 article which can be given effect without the invalid provision or
45 application, and to this end the provisions of this article are severa-
46 ble.

47 § 2. Subdivision 1 of section 36 of the banking law, as amended by
48 chapter 146 of the laws of 1961, is amended to read as follows:

49 1. The superintendent shall have the power to examine every banking
50 organization, every bank holding company and any non-banking subsidiary
51 thereof (as such terms "bank holding company" and "non-banking subsid-
52 iary" are defined in article three-A of this chapter) and every licensed
53 lender and licensed earned income access provider at any time prior to
54 its dissolution whenever in ~~his~~ the judgment of such superintendent
55 such examination is necessary or advisable.

1 § 3. Subdivisions 3 and 5 of section 37 of the banking law, as amended
2 by chapter 360 of the laws of 1984, are amended to read as follows:

3 3. In addition to any reports expressly required by this chapter to be
4 made, the superintendent may require any banking organization, licensed

6 checks, licensed mortgage banker, foreign banking corporation licensed
7 by the superintendent to do business in this state, bank holding company
8 and any non-banking subsidiary thereof, corporate affiliate of a corpo-
9 rate banking organization within the meaning of subdivision six of
10 section thirty-six of this article and any non-banking subsidiary of a
11 corporation which is an affiliate of a corporate banking organization
12 within the meaning of subdivision six-a of section thirty-six of this
13 article to make special reports to [~~him~~] the superintendent at such
14 times as [~~he~~] such superintendent may prescribe.

15 5. The superintendent may extend at [~~his~~] their discretion the time
16 within which a banking organization, foreign banking corporation
17 licensed by the superintendent to do business in this state, bank hold-
18 ing company or any non-banking subsidiary thereof, licensed casher of
19 checks, licensed mortgage banker, private banker, licensed earned income
20 access provider or licensed lender is required to make and file any
21 report to the superintendent.

22 § 4. Section 39 of the banking law, as amended by section 3 of part L
23 of chapter 58 of the laws of 2019, is amended to read as follows:

24 § 39. Orders of superintendent. 1. To appear and explain an apparent
25 violation. Whenever it shall appear to the superintendent that any bank-
26 ing organization, bank holding company, registered mortgage broker,
