Introduced by Sen. HOYLMAN-SIGAL -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications

AN ACT in relation to the electrification of the Manhattan Cruise Terminal; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. (a) The New York City Economic Development Corporation, in
2 consultation with the department of public service, the department of
3 environmental conservation, Con Edison, the New York state energy
4 research and development authority, the Hudson River Park Trust, other
5 relevant state agencies and authorities with subject matter expertise,
6 shall immediately commence any proceedings, processes, stakeholder
7 engagement, or capital projects necessary for the installation of shore
8 power capability at the Manhattan Cruise Terminal.
- 9 (b) The process of electrification of the Manhattan Cruise Terminal
10 must be completed, and shore power must be available to vessels calling
11 on the terminal, by December 31, 2031.
- 12 (c) The New York City Economic Development Corporation in consultation
13 with the New York Power Authority shall issue a competitive award pro-
14 cess to facilitate the electrification of the Manhattan Cruise Terminal.
- 15 § 2. (a) Upon installation of shore power capabilities at the Manhat-
16 tan Cruise Terminal, the department of environmental conservation shall
17 issue rules or regulations that shall:
- 18 (i) establish shore power requirements for at berth emission
19 reductions to ensure full use of shore power at the Manhattan Cruise
20 Terminal;
- 21 (ii) exclude from shore power requirements any government or military
22 vessels; and
