STATE OF NEW YORK

4218

2025-2026 Regular Sessions

IN SENATE

February 3, 2025

Introduced by Sens. PARKER, ADDABBO, BAILEY, COMRIE -- read twice and ordered printed, and when printed to be committed to the Committee on Veterans, Homeland Security and Military Affairs

AN ACT to amend the veterans' services law, the social services law and the mental hygiene law, in relation to providing veterans' housing

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The veterans' services law is amended by adding a new section 6-a to read as follows:

§ 6-a. Veterans' housing. 1. For purposes of this section, the following terms shall have the following meanings:

a. "Transitional housing" means temporary housing for veterans and shall include bridge housing and service-intensive transitional housing.

b. "Bridge housing" means transitional housing in which a veteran may await permanent housing placement. No veteran shall be required to spend more than ninety days in bridge housing.

c. "Service-intensive housing" means transitional housing in which veterans are provided support and resources to actively seek permanent housing. Service-intensive housing shall provide veterans with generalized case-management, clinically appropriate care, and job training.

d. "Permanent housing" means long-term housing and shall not include bridge housing or service-intensive housing. Permanent housing may be supported through a local, state, or federal housing program.

e. "Homeless" means a person who is undomiciled or unsheltered, and is unable to secure permanent or stable housing without special assistance, as determined by the department.

f. "Housing first principles" means the approach articulated by the United States department of housing and urban development that prioritizes placement of homeless individuals in housing without preconditions and barriers to entry, such as sobriety, treatment or service participation requirements.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD07847-01-5

2. In consultation with the division of housing and community renewal, the office for temporary disability assistance, the office of mental health, and the office of addiction services and supports, the department shall ensure that homeless veterans are housed according to federal housing first principles.

3. The department shall provide immediate housing to every homeless veteran who requests to be housed. Such housing may be transitional housing or permanent housing and shall not be contingent on sobriety, minimum income requirements, absence of a criminal record, or any other conditions deemed unnecessary by the state director. Long-term service-intensive housing shall only be provided in limited instances and only when the veteran specifically chooses to remain in service-intensive housing despite the availability of permanent housing. Any veteran who chooses long-term service-intensive housing shall be provided a monthly review of all available services and housing options. Absent a veteran's choice to remain in service-intensive housing, all homeless veterans shall be placed in permanent housing at the first available opportunity using federal housing first principles.

4. The department shall prepare and publish an annual report on its website detailing the resources, plans, partnerships, and system capacity for housing homeless veterans. The report shall identify all sources of data upon which it relied and shall contain recommendations on how to better provide housing and related services to homeless veterans.

§ 2. Section 20 of the social services law is amended by adding a new subdivision 9 to read as follows:

9. The office of temporary and disability assistance shall consult with the commissioner of veterans' services, the commissioner of the division of housing and community renewal, the commissioner of the office of temporary disability assistance, the commissioner of the office of mental health, and the commissioner of the office of addiction services and supports to provide housing services to homeless veterans pursuant to section six-a of the veterans' services law.

§ 3. Section 7.07 of the mental hygiene law is amended by adding a new subdivision (i) to read as follows:

(i) The office shall consult with the commissioner of veterans' services, the commissioner of the division of housing and community renewal, the commissioner of the office of temporary disability assistance, and the commissioner of the office of addiction services and supports to provide housing services to homeless veterans pursuant to section six-a of the veterans' services law.

§ 4. Section 19.07 of the mental hygiene law is amended by adding a new subdivision (o) to read as follows:

(o) The office shall consult with the commissioner of veterans' services, the commissioner of the division of housing and community renewal, the commissioner of the office of temporary disability assistance, and the commissioner of the office of mental health to provide housing services to homeless veterans pursuant to section six-a of the veterans' services law.

§ 5. This act shall take effect immediately.
