2025-2026 Regular Sessions

IN SENATE

March 11, 2025

Introduced by Sen. ADDABBO -- read twice and ordered printed, and when printed to be committed to the Committee on Racing, Gaming and Wagering

AN ACT to amend the general municipal law, in relation to electronic bell jar games

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. 1. The legislature hereby finds that:
2 (a) bell jar games are a popular and profitable fundraising mechanism
3 for bona fide not-for-profit organizations across the state, generating
4 millions of dollars in net revenues for charitable purposes every year;
5 (b) authorized organizations that offer bell jars and other games of
6 chance must meet strict standards established by the New York state
7 general municipal law and the New York state gaming commission, includ-
8 ing receiving a license to conduct charitable gaming activities; and
9 (c) while other types of gaming in New York state have continued to
10 expand, modernize and improve, the operation of charitable gaming activ-
11 ities has largely remained the same over the last several decades.
12 2. For the aforementioned reasons, the legislature hereby declares
13 that authorized organizations licensed by the New York state gaming
14 commission to conduct charitable gaming would greatly benefit from the
15 ability to operate electronic bell jar vending machines, which display
16 and dispense pre-printed bell jar tickets that have predetermined
17 winners and predetermined values for prizes, in order to help sustain
18 and increase charitable gaming profits across the state and attract
19 more members to join such organizations.
20 § 2. Subdivision 3-a of section 186 of the general municipal law, as
21 amended by chapter 531 of the laws of 2011, is amended to read as
22 follows:
23 3-a. "Bell jars" shall mean and include those games in which a partic-
24 ipant shall draw a card from a jar, vending machine, including an elec-

1 tronic bell jar vending machine, or other suitable device or container
2 which contains numbers, colors or symbols that are covered and which,
3 when uncovered, may reveal that a prize shall be awarded on the basis of
4 a designated winning number, color or symbol or combination of numbers,
5 colors or symbols. Bell jars shall also include seal cards, coin boards,
6 event games, and merchandise boards. An "electronic bell jar vending
7 machine" shall use electronic features to display and dispense pre-
8 printed bell jar tickets, including audio and video features to display
9 information about a ticket being dispensed, provided that such features
10 do not affect the outcome of the game.

11 § 3. Subdivision 9 of section 188-a of the general municipal law, as
12 added by chapter 960 of the laws of 1976, is amended to read as follows:

13 9. (a) The [~~board~~] gaming commission shall have the power to approve
14 and establish a standard set of games of chance equipment and shall by
15 its rules and regulations prescribe the manner in which such equipment
16 is to be reproduced and distributed to licensed authorized organiza-
17 tions. The sale or distribution to a licensed authorized organization of
18 any equipment other than that contained in the standard set of games of
19 chance equipment shall constitute a violation of this section.

20 (b) After the effective date of this paragraph, no electronic bell jar
21 vending machine shall be sold, leased, distributed, installed, or oper-
22 ated by any manufacturer, distributor, or charitable organization until
23 such machine has been approved by the gaming commission. No electronic
24 bell jar vending machine shall be approved by the gaming commission
25 unless the operation of the game demonstrates that there is a finite
26 probability basis of having a predetermined quantity of chances among
27 which there is a predetermined quantity of winners that pay a fixed and
28 predetermined value of prizes, regardless of the symbols that are used
29 or how those symbols are displayed on pre-printed bell jar tickets.

30 § 4. Subdivision 3 of section 189 of the general municipal law, as
31 amended by chapter 337 of the laws of 1998, is amended to read as
32 follows:

33 3. No authorized organization licensed under the provisions of this
34 article shall purchase, lease, or receive any supplies or equipment
35 specifically designed or adapted for use in the conduct of games of
36 chance from other than a supplier licensed by the [~~board~~] gaming commis-
37 sion or from another authorized organization. Lease terms and conditions
38 shall be subject to rules and regulations promulgated by the [~~board~~]
39 gaming commission. The provisions of this article shall not be
40 construed to authorize or permit an authorized organization to engage in
41 the business of leasing games of chance, supplies, or equipment.
42 Furthermore, no organization shall purchase bell jar tickets[~~r~~] or deals
43 of bell jar tickets, or purchase or lease any electronic bell jar vend-
44 ing machine, from any other person or organization other than those
45 specifically authorized under sections one hundred ninety-five-n and one
46 hundred ninety-five-o of this article.

47 § 5. Subparagraph 2 of paragraph (a) of subdivision 6 of section 189

3 the operation of such game, as set forth in section one hundred ninety-
4 five-c of this article.

5 § 7. Section 195-c of the general municipal law, as amended by chapter
6 252 of the laws of 1998, is amended to read as follows:

40 tickets.

41 2. For the purpose of the sale of tickets for the game of raffle, the
