17 A local government entity shall be eligible for only one payment of
 18 funds hereunder per year. A local government entity may seek assistance
 19 under the electric generation facility cessation mitigation fund once a
 20 generator has submitted its notice to the federally designated electric
 21 bulk system operator (BSO) serving the state of New York of its intent
 22 to retire the facility or of its intent to voluntarily remove the facil-
 23 ity from service subject to any return-to-service provisions of any

 37 the BSO confirms to the department of public service that the facility
 38 is no longer producing electricity and participating in markets operated
 39 by such BSO, it shall be deemed that the electric generating facility

 41 department of public service shall provide such confirmation to the
 42 urban development corporation upon receipt. The determination of the
