26 ing any contrary provision of law, any authorizing entity awarding a  
27 design-build contract to a contractor determined to be the best quali-  
28 fied contractor in accordance with this paragraph may elect either to  
29 enter into a single contract with two phases or separate contracts for  
30 each of the two phases. To the extent consistent with applicable federal  
31 law, the authorized entity shall consider, when awarding any contract  
32 pursuant to this section, the participation of (i) responding entities  
33 that are certified as minority- or women-owned business enterprises  
34 pursuant to article 15-A of the executive law, or certified pursuant to  
35 local law as minority- or women-owned business enterprises, or, where

38 law; and (ii) small business concerns identified pursuant to subdivision  
39 (b) of section 139-g of the state finance law. In addition, nothing in

44 authorized entity. The authorized entity shall issue a request for  
45 proposals to the responding entities listed pursuant to paragraph one of  
46 this subdivision. If such a responding entity consists of a team of

48 unchanged from the responding entity as listed pursuant to paragraph one  
49 of this subdivision unless otherwise approved by the authorized entity.  
50 The request for proposals shall set forth the public work's scope of  
51 work, and other requirements, as determined by the authorized entity,  
52 which may include separate goals for work under the contract to be

54 enterprises pursuant to article 15-A of the executive law or section  
55 1743 of the public authorities law, or certified pursuant to local law  
56 as minority- or women-owned business enterprises. The request for

4 solution, the qualifications and experience of the proposer, and other  
5 factors deemed pertinent by the authorized entity, which may include,  
6 but shall not be limited to, the proposal's manner and schedule of  
7 project implementation, the proposer's ability to complete the work in a  
8 timely and satisfactory manner, maintenance costs of the completed  
9 public work, maintenance of traffic approach, and community impact.

10 (3) Any contract awarded pursuant to this act shall be awarded to a  
11 responsive and responsible proposer, which, in consideration of these  
12 and other specified criteria deemed pertinent, offers the best value, or  
13 in the case of a contract awarded utilizing a one-step method, is the  
14 best-qualified contractor, as determined by the authorized entity in  
15 accordance with this section. The request for proposals, or the request  
16 for qualifications if the contract is awarded utilizing a one-step meth-  
17 od, shall include a statement that proposers shall designate in writing  
18 those portions of the proposal that contain trade secrets or other  
19 proprietary information that are to remain confidential; that the mate-  
20 rial designated as confidential shall be readily separable from the  
21 proposal. Nothing in this subdivision shall be construed to prohibit the  
22 authorized entity from negotiating final contract terms and conditions  
23 including cost. All proposals or responses submitted shall be scored  
24 according to the criteria listed in the request for proposals, or the  
25 request for qualifications if the contract is awarded utilizing a one-  
26 step method, and such final scores shall be published on the authorized  
27 entity's website after registration of such contract or the date upon  
28 which such contract may be implemented, if registration requirements do  
29 not apply.

32 and two of this act shall not affect the repeal of such chapter and  
33 shall be deemed repealed therewith.
