FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would amend Section 1000 of the Retirement and Social Security Law to allow retirees of the New York State and Local Retirement Systems to apply for a supplemental pension benefit. The amount of the supplemental benefit would be the retiree's current benefit up to \$15,000 times 3% for each year of military service up to three years, that was not credited prior to retirement. The retiree must have retired prior to May 31, 2017. Half of the supplement would continue to be paid to a spousal beneficiary collecting a lifetime benefit.

Applications must be filed before January 1, 2026. Payments of the supplemental benefit begin with the first monthly pension payment issued at least 30 days after receipt of the application, should it be approved.

Insofar as this bill affects the New York State and Local Employees' Retirement System (NYSLERS), pursuant to Section 25 of the Retirement and Social Security Law, the increased costs would be borne entirely by the State of New York and would require an itemized appropriation sufficient to pay the cost of the provision. If this bill were enacted during the the 2025 Legislative Session, the increase in the present value of benefits would be approximately \$55.8 million.

In NYSLERS, this benefit improvement will be funded entirely by billing a past service cost to cover retrospective benefit increases. To fund these retrospective costs, the State of New York will be required to pay \$62.3 million (including interest) as of March 1, 2026.

Insofar as this bill affects the New York State and Local Police and Fire Retirement System (NYSLPFRS), the increased costs would be shared by the State of New York and the local participating employers in the NYSLPFRS. If this bill were enacted during the 2025 Legislative Session, the increase in the present value of benefits would be approximately \$26.3 million.

NYSLPFRS	Increase in present value of benefits	Increase in required contributions
Pensioners	\$ 26.3 mn	\$ 0.0 mn
Actives Tiers 1-5 (Closed)	\$ 0.0 mn	\$ 10.8 mn
Actives Tier 6 (Open)	\$ 0.0 mn	\$ 15.5 mn
Total	\$ 26.3 mn	\$ 26.3 mn

In the NYSLPFRS, this benefit improvement will be funded by increasing the billing rates charged annually to cover both retrospective and prospective benefit increases. The annual contribution required of all participating employers in NYSLPFRS is 0.1% of billable salary, or approximately \$870,000 to the State of New York and approximately \$3.8

million to the local participating employers. This permanent annual cost will vary in subsequent billing cycles with changes in the billing rate and salary of the affected members.

The exact number of retirees who could be affected by this legislation cannot be readily determined.
