IN SENATE

(Prefiled)

January 8, 2025

Introduced by Sen. GOUNARDES -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the public health law, in relation to making technical changes to certain provisions of such law; and to amend a chapter of the laws of 2024 amending the public health law relating to requiring that functional epinephrine auto-injector devices be made available in places of public assembly and that at least one employee or volunteer of such place of public assembly be trained in its proper operation and use and be present at each facility function, as proposed in legislative bills numbers S. 1078-A and A. 2885-A, in relation to the effectiveness thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 5-d of section 225 of the public health law, as added by a chapter of the laws of 2024 amending the public health law relating to requiring that functional epinephrine auto-injector devices be made available in places of public assembly and that at least one employee or volunteer of such place of public assembly be trained in its proper operation and use and be present at each facility function, as proposed in legislative bills numbers S. 1078-A and A. 2885-A, is relettered subdivision 5-e.

§ 2. Paragraph (f) of subdivision 2 of section 3000-c of the public health law, as amended by a chapter of the laws of 2024 amending the public health law relating to requiring that functional epinephrine auto-injector devices be made available in places of public assembly and that at least one employee or volunteer of such place of public assembly be trained in its proper operation and use and be present at each facility function, as proposed in legislative bills numbers S. 1078-A and A. 2885-A, is amended to read as follows:

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD02705-01-5

(f) Nothing in this section shall require any eligible person or entity to acquire, possess, store, make available, or administer an epinephrine auto-injector, except as provided for in subdivision [~~five-d~~] five-e of section two hundred twenty-five of this chapter.

§ 3. Section three of a chapter of the laws of 2024 amending the public health law relating to requiring that functional epinephrine auto-injector devices be made available in places of public assembly and that at least one employee or volunteer of such place of public assembly be trained in its proper operation and use and be present at each facility function, as proposed in legislative bills numbers S. 1078-A and A. 2885-A, is amended to read as follows:

§ 3. This act shall take effect [~~immediately~~] nine months after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.

§ 4. This act shall take effect immediately; provided, however, that sections one and two of this act shall take effect on the same date and in the same manner as a chapter of the laws of 2024 amending the public health law relating to requiring that functional epinephrine auto-injector devices be made available in places of public assembly and that at least one employee or volunteer of such place of public assembly be trained in its proper operation and use and be present at each facility function, as proposed in legislative bills numbers S. 1078-A and A. 2885-A, takes effect.
