The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The general business law is amended by adding a new section  
2 399-ppp to read as follows:

3 § 399-ppp. Prohibition on provision of deceptive caller identification  
4 information. 1. It shall be unlawful for any business entity, in  
5 connection with any telecommunications service or VoIP service, to cause  
6 any caller identification service to transmit false caller identifica-  
7 tion information, with the intent to defraud or harass, when making a  
8 call to any person within the state.

9 2. For purposes of this section:

10 (a) "Business entity" means a corporation, association, partnership,  
11 limited liability company, limited liability partnership or other legal  
12 entity.

14 an end user by a caller identification service regarding the telephone  
15 number of, or other information regarding the origination of, a call  
16 made using a telecommunications service or VoIP service.

17 (c) "Caller identification service" means any service or device  
18 designed to provide the user of the service or device with the telephone  
19 number of, or other information regarding the origination of, a call

21 includes automatic number identification services.

2 user equipment using TCP/IP protocol, or a successor protocol, for a fee  
3 or without a fee; and

8 from, the public switched telephone network.

9 3. Whenever there shall be a violation of this section, an application  
10 may be made by the attorney general in the name of the people of the  
11 state of New York to a court or justice having jurisdiction to issue an  
12 injunction, and upon notice to the defendant, to immediately enjoin and  
13 restrain the continuance of such violations; and if it shall appear to  
14 the satisfaction of the court or justice, by a preponderance of the  
15 evidence, that the defendant has, in fact, violated this section an  
16 injunction may be issued by such court or justice enjoining and  
17 restraining any further violation, without requiring proof that any

19 allowances to the attorney general as provided in paragraph six of  
20 subdivision (a) of section eighty-three hundred three of the civil prac-  
21 tice law and rules. In addition to any such allowances, the court may  
22 direct restitution to any victim upon a showing of damages by a prepon-  
23 derance of the evidence. In addition to any such restitution, whenever  
24 the court shall determine that a violation of this section has occurred,  
25 the court may impose a civil penalty of not more than two thousand  
26 dollars per call, up to a total aggregate amount of not more than one  
27 hundred thousand dollars, for all calls placed in violation of this  
28 section within a continuous seventy-two hour period. In connection with  
29 any such proposed application, the attorney general is authorized to  
30 take proof and make a determination of the relevant facts and to issue  
31 subpoenas in accordance with the civil practice law and rules.

32 4. In addition to the right of action granted to the attorney general  
33 pursuant to this section, any person whose caller identification infor-  
34 mation was used in connection with a violation of this section or who  
35 has received a telephone call in violation of this section may bring an  
36 action in the person's own name to enjoin such unlawful act or practice,  
37 an action to recover the greater of (a) the person's actual damages, or  
38 (b) an amount equal to not more than five hundred dollars per call, up  
39 to a total aggregate amount of not more than twenty-five thousand  
40 dollars for all calls placed in violation of this section within a  
41 continuous seventy-two hour period; or both such actions. The court may  
42 award reasonable attorney's fees to a prevailing plaintiff.

43 5. The provisions of this section shall not apply to any member of a  
44 law enforcement unit acting within the scope of the member's assigned  
45 duties or to a court order that specifically authorizes the use of call-  
46 er identification manipulation.
