FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would permit members of the New York State and Local Employees' Retirement System (NYSLERS) employed as security hospital treatment assistants by the Office of Mental Health, a one-time election to choose between coverage under an Age-55 plan or a 25-year service plan. Any such election will be irrevocable and the member will forfeit all rights and privileges of their current plan. Currently, members so employed must elect plan coverage within one year from their employment in such title. This bill has a sunset provision of 180 days.

If this bill is enacted during the 2025 Legislative Session, we anticipate that there will be an increase of approximately \$2.2 million in the annual contributions of the State of New York for the fiscal year ending March 31, 2026. In future years this cost will vary but is expected to average 2.6% of salary annually.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$19.4 million which will be borne by the State of New York as a one-time payment. This estimate assumes that payment will be made on March 1, 2026.

These estimated costs are based on 697 affected members employed by the Office of Mental Health with an annual salary of approximately \$68 million as of March 31, 2024.
