Introduced by Sen. CLEARE -- read twice and ordered printed, and when printed to be committed to the Committee on Transportation

AN ACT to amend the public authorities law, in relation to expanding time-delay mechanisms on emergency exit gates

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public authorities law is amended by adding a new
2 section 1279-j to read as follows:

3 § 1279-j. Time-delay emergency mechanisms. 1. The authority shall
4 install and reasonably maintain time-delay egress mechanisms on all
5 emergency gates at all subway stations operated by the authority.
6 Further, the authority when installing such time-delay egress mechanism
7 shall:

8 (a) include override systems in the event of emergencies (e.g., fires,
9 power failures, emergency evacuations); and

10 (b) comply with the Americans with Disabilities Act of 1990.

11 2. The authority shall be prohibited from using such time-delay egress
12 mechanisms at unstaffed stations. Further, if a station becomes
13 unstaffed, the authority shall be required to deactivate such time-delay
14 mechanism until such station has a trained human station agent phys-
15 ically present and on duty.

16 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
