ACTING PRESIDENT BAILEY: Senator Stec on the resolution.

SENATOR STEC: Thank you, Mr. President.

And good morning, all my colleagues. Thank you for bringing this resolution before us today.

The role of the medicolegal death investigator is to investigate any death that falls under the jurisdiction of the medical examiner or coroner, including all suspicious, violent, unexplained and unexpected deaths.

The medicolegal death investigator

is responsible for the deceased person, whereas the local law enforcement jurisdiction is responsible for the scene. The medicolegal death investigator performs scene investigations emphasizing information developed from the decedent and determines the extent to which further investigation is necessary.

Medicolegal death investigators should have a combination of education and skills encompassing areas of medicine and law.

And I'm thrilled today that we have a significant group of medicolegal death investigators from my district and from Senator Ashby's district and Senator Helming's district here with us today to memorialize this week, along with the Governor.

That would be Dr. Michael Sikirica, who is an M.D. and board-certified forensic pathologist; Dr. Kia Newman; Jay Heald; Chad Deans; Connie Goedert; Rob Lemieux; Sarah Coyne; Doug Pinzer; J. Eric Cullum; Sarah Holliday; and Robert Waltman.

So again, if you wouldn't mind, please extend the cordialities of the house to this group and thank them and all their

colleagues around the state for doing the important work that they do for the people that pass away that are in their care.

ACTING PRESIDENT BAILEY: Thank you, Senator Stec.

To our guests, I welcome you on behalf of the Senate. We extend to you all of the privileges and courtesies of this house.

Please rise and be recognized.

(Standing ovation.)

ACTING PRESIDENT BAILEY: Senator Serrano.

I want to just thank the sponsor for the bill. Any bill that we pass that keeps crime

victims informed of the process is a good thing.

But I do have a suggestion that perhaps could make it a little bit better. If we're going to expand the notification process to include emails and things of that nature, might we add a provision in there that requires confirmation that the victims actually did receive the notification? Just a suggestion.

With that said, I proudly support the bill.
