AN ACT to amend chapter 55 of the laws of 2009 enacting the transportation, economic development and environmental conservation budget for the 2009-2010 state fiscal year, in relation to reducing the metropolitan transportation authority administrative expenditures

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The legislature hereby determines that during the 2009-2010 fiscal year, the sum of money appropriated to the metropolitan transportation authority for their operating expenses was erroneously calculated. As such, the metropolitan transportation authority was appropriated unnecessary money for its headquarters and administrative expenditures. As such, the legislature has determined that this excess money would be better suited to help offset the costs of the reduced fare for school children program.

S 2. Section 1 of chapter 55 of the laws of 2009 enacting the transportation, economic development and environmental conservation budget for the 2009-2010 state fiscal year, as amended by chapter 502 of the laws of 2009, is amended by repealing the items herein below set forth in brackets and by adding to such section the other items underscored in this section.
