33 trust company [or industrial bank] not represented by such certificates,
34 including deposits made and debts incurred after resuming business. The
35 amount by which such excess is greater than the excess of the value of
36 the sound assets of such bank[,] OR trust company [or industrial bank],
37 determined as provided in subdivision two of this section, over its
38 total deposits and debts at the time of resuming business may, unless
39 the superintendent disapproves, be paid pro rata on account of the prin-
40 cipal due on such certificates or, if the principal has been paid in
41 full, on account of the interest, if any, due thereon. No such bank[,]
42 OR trust company [or industrial bank] shall, without previously obtain-
43 ing the written permission of the superintendent, make any other payment
44 on account of the principal or interest of such certificates.

45 5. No dividends shall be paid on the stock of such bank[,] OR trust
46 company [or industrial bank] while any such certificates are outstand-
47 ing, unless, having previously secured the written permission of the
48 superintendent to pay such certificates, it shall set aside and maintain
49 a sum sufficient for the payment of all such outstanding certificates
50 and the interest, if any, accrued thereon and shall publish once a week
51 for two calendar weeks in a newspaper published in the county in which
52 its principal office is located, notice to the effect that it will pay
53 all such certificates and the interest, if any, accrued thereon upon due
54 presentation for payment. If, thereafter, any such certificate together
55 with all interest, if any, accrued thereon, shall not be paid when so

presented, the authority of such bank[,] OR trust company [or industrial bank] to pay such dividends shall cease.

6. So long as any of such certificates are outstanding, every holder of such a certificate shall have the same right to notice of all regular or special meetings of the stockholders of such bank[,] OR trust company [or industrial bank] and to attend and to vote in person or by proxy at such meetings as would a holder of stock of the par value of the unpaid principal amount of such certificate, except that no holder of a certificate or certificates shall be entitled to vote upon any change in respect to shares or capital stock pursuant to title eight of article fifteen OF THIS CHAPTER or to receive notice of or attend a meeting of stockholders specially called for that purpose. Within sixty days after such bank[,] OR trust company [or industrial bank] has resumed business a meeting of its stockholders and holders of such certificates shall be called upon notice prescribed by the superintendent. At such meeting directors shall be elected who shall succeed the former directors, and the directors so elected shall elect officers who shall succeed the former officers. Directors in office at the date of such meeting may be elected at such meeting to succeed themselves and the directors elected at such meeting may elect officers then serving to succeed themselves.

7. If the superintendent shall retake possession of the business and property of such bank[,] OR trust company [or industrial bank] while any such certificates are still outstanding and liquidate its business as elsewhere provided in this chapter, deposits and debts not represented by such certificates, including deposits made and debts incurred after resuming business, shall be entitled to payment of principal and interest in priority to the payment of the principal and interest of such certificates.

8. (a) A plan for the retirement of certificates issued or made available by a bank[,] OR trust company [or industrial bank] pursuant to the provisions of this section may be promulgated in accordance with this subdivision [eight] in any case where the value of all the assets of such bank[,] OR trust company [or industrial bank] as determined by the superintendent is less than the aggregate of the amounts owing to depositors and other creditors plus the unpaid amount of all such certificates so issued or made available by such bank[,] OR trust company [or industrial bank]. Such plan may be promulgated by such bank[,] OR trust company [or industrial bank] or by the holders of ten [per centum] PERCENT or more in principal amount of all such outstanding certificates or the representative or representatives of such holders.

(b) Such plan may provide for any one or more of the following:

(1) The retirement of certificates by the issuance in exchange thereof of shares of capital stock or debentures or both of such bank[,] OR trust company [or industrial bank];

(2) The issuance of preferred stock of such bank[,] OR trust company [or industrial bank] and the sale of such preferred stock for cash or its exchange for real or personal property or for outstanding capital notes, debentures or other obligations of such bank[,] OR trust company [or industrial bank];

(3) The issuance of fractional shares of capital stock of such bank[,] OR trust company [or industrial bank] in exchange for certificates or portions thereof in unpaid amount insufficient to permit the exchange thereof for a full share of capital stock. Such fractional shares of capital stock shall have no voting rights, but, when combined with other fractional shares in sufficient amount, shall be convertible into a full share or shares of capital stock;

1 (4) The transfer into a separate account upon the books of such
2 bank[,] OR trust company [or industrial bank] or to a separate corpo-
3 ration, of any assets to be liquidated for the pro rata benefit of
4 certificate holders and the issuance to certificate holders of evidences
5 of participation in such assets if transferred into a separate account
6 upon the books of such bank[,] OR trust company [or industrial bank], or
7 of stock or obligations or both of such separate corporation, if such
8 assets are transferred to a separate corporation;

9 (5) The organization of a corporation to issue its stock or obli-
10 gations or both in exchange for certificates and for the exchange of
11 certificates so acquired by such corporation for shares of the capital
12 stock or debentures or both of such bank[,] OR trust company [or indus-
13 trial bank];

14 (6) The amount of capital stock which such bank[,] OR trust company
15 [or industrial bank] shall have upon the plan becoming effective, the
16 classes, if any, into which such capital stock shall be divided, the
17 number of shares in each class and the par value of each share.

18 In addition to provisions herein specifically authorized to be
19 contained in a plan promulgated pursuant to this subdivision, such plan
20 may also contain any other provisions deemed necessary or convenient to
21 effectuate the general purpose or purposes of the plan.

22 (c) The person or persons promulgating such plan shall first submit it
23 to the superintendent for his OR HER approval. If the plan is approved
24 by the superintendent, such person shall within sixty days of such
25 approval submit it to the supreme court in and for the county in which
26 the principal office of such bank[,] OR trust company [or industrial
27 bank] is located, together with an application for its approval. Such
28 application shall set forth such facts as may be necessary to enable the
29 court to determine the fairness of such plan and shall be made upon an
30 order to show cause which shall provide that notice thereof of a kind
31 which the court deems to be adequate shall be given by such bank[,] OR
32 trust company [or industrial bank] to all holders of such certificates
33 and all other persons whose interests, in the opinion of the court, may
34 be affected by such plan. If the issue is raised in any proceeding
35 involving a plan promulgated pursuant to this subdivision, a certificate
36 executed by the superintendent and filed with the court shall be
37 presumptive evidence of the fact that the value of all of the assets of
38 such bank[,] OR trust company [or industrial bank] is less than the
39 aggregate of the amounts owing to depositors and other creditors plus
40 the unpaid amount of all such certificates issued or made available by
41 such bank[,] OR trust company [or industrial bank].

42 (d) The superintendent or the bank[,] OR trust company [or industrial
43 bank] or any person or persons authorized to promulgate a plan hereunder
44 may propose and submit to the court an alternative plan or a modifica-
45 tion or modifications of any plan before the court. The court may modify
46 any such plan or may propose a new or alternative plan, provided, howev-
47 er, that a modification or modifications, whether proposed by the court
48 or by any other person or persons, may be made only after a hearing upon
49 notice to all holders of certificates and all other persons whose inter-
50 ests, in the opinion of the court, may be affected thereby, and subject
51 to the right of any person who shall previously have consented to such
52 plan to withdraw such consent within a period to be prescribed by the
53 court and after such notice as the court may direct. If any person
54 having such right of withdrawal shall not withdraw within the period so
55 prescribed he OR SHE shall be deemed to have approved such plan as so
56 modified.

1 (e) After the hearing or hearings above provided the court shall by
2 order approve a plan, with or without modifications, or shall reject all
3 such plans, provided, however, that no order made pursuant to this para-
4 graph approving such plan shall be made or entered unless such plan, in
5 final form, shall first have been approved in writing by the superinten-
6 dent and such written approval shall have been filed in the proceeding.
7 If at the time of making the order approving such plan, the court is
8 satisfied that the holders of two-thirds in amount of such certificates
9 have approved such plan, the order of the court shall recite such fact
10 and shall declare that such plan shall be effective upon the filing by
11 the superintendent in the office of the clerk of the county in which is
12 located the principal office of such bank[,] OR trust company [or indus-
13 trial bank] of the certificate required to be filed pursuant to para-
14 graph (k) of this subdivision. If at the time of making such order, such
15 plan shall not have been approved by the holders of two-thirds in amount
16 of such certificates, such order shall provide that upon satisfactory
17 proof of the fact that the holders of two-thirds in amount of such
18 certificates shall have approved the same, a further order may be
19 entered ex parte declaring that such plan shall be effective upon the
20 filing by the superintendent in the office of the clerk of the county in
21 which is located the principal office of such bank[,] OR trust company
22 [or industrial bank] of the certificate required to be filed pursuant to
23 paragraph (k) of this subdivision.

24 (f) Upon the entering of an order declaring that such plan shall be
25 effective upon the filing by the superintendent in the office of the
26 county clerk of the certificate required to be filed pursuant to para-
27 graph (k) of this subdivision, such plan shall become binding upon the
28 holders of all certificates of such bank[,] OR trust company [or indus-
29 trial bank] and all such holders shall be conclusively deemed to have
30 consented to all the terms and conditions of such plan whether or not
31 all of such holders shall actually have consented thereto and whether or
32 not all of them shall have received notice thereof or of the hearing
33 thereon hereinbefore provided.

34 (g) Every executor, administrator, trustee, guardian, committee,
35 conservator, receiver, or other fiduciary, and every public and private
36 corporation or association, and every political and public instrumental-
37 ity or body, including, but not by way of limitation of the generality
38 of the foregoing, boards of education and school districts and other
39 special districts, is hereby authorized and empowered to approve and
40 accept a plan promulgated pursuant to this subdivision and to execute
41 and deliver such papers and documents as may be necessary or proper to
42 evidence such approval and acceptance, and shall not be subject to any
43 liability whatsoever for any such approval or acceptance or any exchange
44 of certificates for stock or other securities or both made pursuant
45 thereto.

46 (h) A plan promulgated pursuant to this subdivision may be effectuated
47 even though it has not been expressly approved by the holders of two-
48 thirds in amount of all outstanding certificates, provided, as an alter-
49 native to such express approval, the provisions of this paragraph have
50 been complied with. After the plan is approved by the superintendent as
51 provided by paragraph (c) of this subdivision, the person or persons
52 promulgating such plan shall file a copy thereof with the clerk of the
53 court and shall prepare and mail to each of the holders of such certif-
54 icates and to each of the holders of stock of the bank[,] OR trust
55 company [or industrial bank], addressed by registered mail to him OR
56 HER, postage prepaid, to his OR HER last known address as the same

1 appears on the records of the bank[,] OR trust company [or industrial
2 bank], a summary of such plan together with a notice stating in
3 substance that such plan will be presented to the supreme court in and
4 for the county in which the principal office of the bank[,] OR trust
5 company [or industrial bank] is located, and designating a date, which
6 date shall not be less than thirty days after the mailing of such
7 notice, when such court will consider such plan and hear any objection
8 thereto on the part of any holder of a certificate or of stock. Such
9 notice shall also be published by the person or persons promulgating
10 such plan once, at least twenty days before said date, in a daily news-
11 paper of general circulation published in the county where such hearing
12 is to be had and if no such daily newspaper is published in such county,
13 then such notice shall be published in a newspaper of general circu-
14 lation in said county. Upon the return of such notice or any adjourned
15 date or dates thereof, the court shall hear the parties interested ther-
16 ein and may accept proof in affidavit form or otherwise as to any facts
17 and circumstances material thereto. The court upon proof by affidavit
18 that the provisions hereof with respect to mailing and publication have
19 been fully complied with shall thereupon approve, modify or disapprove
20 such plan, but in no event shall any such plan, with or without modifi-
21 cations, be approved by the court unless the court deems such plan fair
22 and equitable to the holders of certificates and unless such plan, in
23 final form, shall first have been approved in writing by the superinten-
24 dent, and such written approval shall have been filed in the proceeding;
25 or if written dissent therefrom, duly executed and acknowledged, shall
26 be filed with the clerk of the court prior to such return date, or prior
27 to such other date as may be fixed by the court, by the holders in the
28 aggregate of more than thirty-three and one-third [per centum] PERCENT
29 of the face amount of the certificates affected by such plan. All hold-
30 ers of certificates who have not dissented from the plan in the manner
31 provided by this paragraph and prior to the return date or such other
32 date as may be fixed by the court shall be conclusively deemed to have
33 assented thereto. Such plan shall contain a provision in respect of
34 certificate holders dissenting thereto, to the effect that adequate
35 protection will be provided for the realization by them of the value of
36 their certificates by such method as will in the opinion of the court,
37 under and consistent with the circumstances of the particular case, be
38 equitable and fair to them. When such plan, with or without modifica-
39 tions, shall be approved by the court, the court shall make an order
40 reciting such approval and declaring that such plan shall be effective
41 upon the filing by the superintendent in the office of the clerk of the
42 county in which is located the principal office of such bank[,] OR trust
43 company [or industrial bank] of the certificate required to be filed
44 pursuant to paragraph (k) of this subdivision. The appellate court to
45 which an appeal is taken by any dissenting certificate holder or by any
46 stockholder from any action by the court pursuant to this section shall
47 have the right to impose upon the appellant as part of the costs of the
48 appeal, reasonable fees of counsel for the respondent, and such appel-
49 late court may also, in its discretion, require bond therefor before
50 entertaining any such appeal.

51 (i) Upon the entering of an order declaring that such plan shall be
52 effective upon the filing by the superintendent in the office of the
53 county clerk of the certificate required to be filed pursuant to para-
54 graph (k) of this subdivision, such steps shall be taken by the super-
55 intendent and all other persons, and all acts shall be done as may be
56 required by such plan and as may be necessary or desirable to make such

1 plan operative. Within ten days after the entering of such order, the
2 superintendent shall issue an order pursuant to article two of this
3 chapter directing that such bank[,] OR trust company [or industrial
4 bank] shall forthwith make good the impairment of its capital OR CAPITAL
5 DEFICIENCY. Upon receipt of such order, the directors of the bank[,] OR
6 trust company [or industrial bank] shall give notice to each stockholder
7 of such requisition and of the amount of the assessment he OR SHE must
8 pay, which amount shall be the aggregate par value of his OR HER shares.
9 Such notice shall be mailed to each stockholder at his OR HER address
10 appearing on the records of the bank[,] OR trust company [or industrial
11 bank] or shall be served personally upon him OR HER. Notwithstanding
12 any provision of section one hundred fourteen [or section three hundred
13 six] of this chapter, all outstanding stock certificates of the bank[,]
14 OR trust company [or industrial bank] shall be canceled of record not
15 less than thirty days after notice of assessment is given to stockhold-
16 ers as herein provided, and thereupon such stock certificates shall be
17 null and void for all purposes and the rights of the holders thereunder
18 shall cease and determine; provided, however, that each stockholder who
19 pays the full amount of such assessment within thirty days after notice
20 of assessment is given as herein provided shall receive, in lieu of the
21 stock on account of which such assessment was paid, new stock in the
22 amount to which he OR SHE would be entitled if he OR SHE held certif-
23 icates issued by such bank[,] OR trust company [or industrial bank]
24 pursuant to the provisions of this section in an aggregate unpaid prin-
25 cipal and interest amount equal to the assessment so paid.

26 (j) Not less than thirty nor more than sixty days after notice of
27 assessment is given to stockholders as provided in paragraph (i) of this
28 subdivision, the superintendent shall, if the plan so provides, cause
29 any assets of such bank[,] OR trust company [or industrial bank] which
30 are to be liquidated for the pro rata benefit of certificate holders, to
31 be set aside in a special account upon the books of such bank[,] OR
32 trust company [or industrial bank] or transferred to a separate corpo-
33 ration.

34 (k) Upon the completion of the acts required to be done pursuant to
35 paragraph (i) and paragraph (j) of this subdivision and not more than
36 sixty days after notice of assessment is given to stockholders as
37 provided in paragraph (i) of this subdivision, the superintendent shall
38 execute in triplicate a certificate declaring such plan to be effective
39 and stating the amount of capital stock which such bank[,] OR trust
40 company [or industrial bank] shall thereafter have, the classes, if any,
41 into which such capital stock shall be divided, the number of shares in
42 each class and the par value of each such share. The amount of capital
43 stock stated in such certificate shall be not less than the amount of
44 capital stock required to be issued to certificate holders pursuant to
45 such plan, plus the amount of capital stock required, pursuant to para-
46 graph (i) of this subdivision, to be issued to stockholders who shall
47 have paid the full amount of the assessments levied pursuant to such
48 paragraph (i). The amount of capital stock, the number of shares and
49 the par value of each such share as stated in such certificate shall be
50 the amount of capital stock, the number of shares and the par value
51 thereof which such bank[,] OR trust company [or industrial bank] shall
52 thereafter be authorized to have, provided that nothing herein contained
53 shall be deemed to limit the power of any such bank[,] OR trust company
54 [or industrial bank] subsequently to change the amount of its capital
55 stock, the number of its shares or the par value of its shares pursuant
56 to subdivision two of section eight thousand one. One of such triplicate

1 certificates shall be transmitted forthwith by the superintendent to
2 such bank[,] OR trust company [or industrial bank], another shall be
3 filed in the office of the superintendent and the third shall be filed
4 by the superintendent in the office of the clerk of the county in which
5 is located the principal office of such bank[,] OR trust company [or
6 industrial bank]. Upon such filing in the office of the county clerk,
7 the plan shall become effective and all certificates theretofore issued
8 by such bank[,] OR trust company [or industrial bank] pursuant to the
9 provisions of this section shall be null and void and shall not be
10 deemed to be outstanding for any purpose. Thereupon such bank[,] OR
11 trust company [or industrial bank] shall issue and make available to the
12 holders of such certificates shares of stock or debentures or both of
13 such bank[,] OR trust company [or industrial bank], and if the plan so
14 provides, evidences of participation in the assets aside in a special
15 account or stock or other securities or both of a separate corporation,
16 in the proportions and amounts specified in such plan.

17 (l) Within sixty days after a plan pursuant to this subdivision has
18 become effective with respect to any bank[,] OR trust company [or indus-
19 trial bank], there shall be called in accordance with its by-laws a
20 meeting of its stockholders who shall elect directors who shall succeed
21 the former directors. The directors so elected shall elect officers who
22 shall succeed the former officers. Directors in office at the date of
23 such meeting may be elected at such meeting to succeed themselves and
24 the directors elected at such meeting may elect officers then serving to
25 succeed themselves. [Notwithstanding the requirements as to ownership of
26 capital stock contained in section one hundred sixteen or section three
27 hundred three of this chapter, the] THE directors of such bank[,] OR
28 trust company [or industrial bank] holding office at the time that such
29 plan becomes effective may continue to hold office as directors, until
30 their successors are elected and shall have qualified.

31 (m) The supreme court in and for the county in which is located the
32 principal office of such bank[,] OR trust company [or industrial bank]
33 is hereby vested with jurisdiction and authority to determine the fair-
34 ness of, and to approve or disapprove, any plan, or modification or
35 modifications thereof, which may be promulgated hereunder and to deter-
36 mine the fairness of, and to approve or disapprove, the terms and condi-
37 tions of the issuance and exchange of stock or other securities, or
38 both, of any corporation for certificates issued pursuant to the
39 provisions of this section and to make such orders and do such other
40 things as may be required by this subdivision or as may be necessary or
41 convenient to carry out the purposes hereof.

42 9. If there be in article fifteen of this chapter a provision which
43 conflicts with any provision of this section six hundred nine, the
44 provision of this section six hundred nine shall prevail, and the
45 conflicting provision of article fifteen shall not apply in such case.
46 If there be in article fifteen a provision relating to a matter embraced
47 in this section six hundred nine, but not in conflict therewith, both
48 provisions shall apply.
