AN ACT in relation to enacting the "non-profit homeland security
preparedness study"; and providing for the repeal of such provisions
upon expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-
BLY, DO ENACT AS FOLLOWS:

1 Section 1. This act shall be known and may be cited as the "non-profit
2 homeland security preparedness study".
3 S 2. Legislative findings and declaration. The legislature hereby
4 finds and declares that New York state is home to thousands of not-for-
5 profit cultural, religious and educational institutions which serve the
6 needs of millions of New Yorkers. A number of these not-for-profit
7 institutions must expend resources to enhance their security to protect
8 against terrorist threat.
9 The resources to make these vital improvements exhaust institutional
10 budgets forcing institutions to choose between providing services or
11 making security improvements.
12 The legislature finds that the existing federal program to assist
13 not-for-profit organizations has not met the needs of the organizations
14 as its budgetary funding, and the existence of the federal program
15 itself varies from year to year. The federal program was not funded in
16 2006, and in 2007 New York state institutions received only \$3.3 million
17 statewide. Less than half of the 109 New York not-for-profit insti-
18 tutions that applied for funding received support. As the federal
19 program has not been as reliable as necessary, New York state must exam-
20 ine its resources to supplement the federal program appropriations.

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets
[] is old law to be omitted.
