AN ACT to amend the education law, in relation to enacting the "higher education community service act"

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings. The legislature hereby finds and
2 declares that the American tradition of volunteer community service is
3 essential to the common good and is vital to the success of not-for-
4 profit agencies, institutions and organizations dealing with a vast
5 array of critical social problems. It recognizes growing support for the
6 idea that postsecondary students should receive recognition for substan-
7 tial commitment to volunteer service, and should be given greater
8 encouragement to participate in volunteer community service activities.
9 Volunteers and volunteer programs should be praised for their efforts in
10 helping and serving others, which result in changes in the way the
11 community views young people and in the way young people view their
12 responsibilities to the community.
13 The legislature further declares its desire to promote further inte-
14 gration of community service at institutions of higher education by
15 encouraging student-initiated and student-designated community service
16 projects.
17 S 2. The education law is amended by adding a new section 319 to read
18 as follows:

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets
[] is old law to be omitted.
