1 (1) No contract issued pursuant to this section shall entitle more
2 than one person to benefits except that a contract issued and marked as
3 a "family contract" [may] SHALL provide that benefits will be furnished
4 to a husband and wife, or husband, wife and their dependent child or
5 children, or any UNMARRIED child or children [not over nineteen] UP TO
6 AT LEAST TWENTY-FIVE years of age, [provided that an unmarried student
7 at an accredited institution of learning may be considered a dependent
8 until he becomes twenty-three years of age,] WHO IS NOT ELIGIBLE FOR
9 COVERAGE UNDER A POLICY OF ACCIDENT AND HEALTH INSURANCE OFFERED THROUGH
10 HIS OR HER EMPLOYER, provided that the coverage of any such "family
11 contract" may include, at the option of the insurer, any unmarried child
12 until attaining age twenty-five, and provided also that the coverage of
13 any such "family contract" shall include any other unmarried child,
14 regardless of age, who is incapable of self-sustaining employment by
15 reason of mental illness, developmental disability, mental retardation,
16 as defined in the mental hygiene law, or physical handicap and who
17 became so incapable prior to attainment of the age at which dependent
18 coverage would otherwise terminate, so that such child may be considered
19 a dependent. Notwithstanding any rule, regulation or law to the contra-
20 ry, any "family contract" shall provide that coverage of newborn
21 infants, including newly born infants adopted by the insured or
22 subscriber if such insured or subscriber takes physical custody of the
23 infant upon such infant's release from the hospital and files a petition
24 pursuant to section one hundred fifteen-c of the domestic relations law
25 within thirty days of birth; and provided further that no notice of
26 revocation to the adoption has been filed pursuant to section one
27 hundred fifteen-b of the domestic relations law and consent to the
28 adoption has not been revoked, shall be effective from the moment of
29 birth for injury or sickness including the necessary care and treatment
30 of medically diagnosed congenital defects and birth abnormalities
31 including premature birth, except that in cases of adoption, coverage of
32 the initial hospital stay shall not be required where a birth parent has
33 insurance coverage available for the infant's care. This provision
34 regarding coverage of newborn infants shall not apply to two person
35 coverage. In the case of individual or two person coverages the corpo-
36 ration must also permit the person to whom the policy is issued to elect
37 such coverage of newborn infants from the moment of birth. If notifica-
38 tion and/or payment of an additional premium or contribution is required
39 to make coverage effective for a newborn infant, the coverage may
40 provide that such notice and/or payment be made within no less than
41 thirty days of the day of birth to make coverage effective from the
42 moment of birth. This election shall not be required in the case of
43 student insurance or where the group remitting agent's plan does not
44 provide coverage for dependent children.

45 S 3. Paragraph 1 of subsection (c) of section 4305 of the insurance
46 law, as amended by chapter 312 of the laws of 2002, is amended to read
47 as follows:

48 (1) Any such contract may provide that benefits will be furnished to a
49 member of a covered group, for himself, his spouse, his child or chil-
50 dren, or other persons chiefly dependent upon him for support and main-
51 tenance; provided that a contract under which coverage of a dependent of
52 a member terminates at a specified age, WHICH SHALL NOT BE LESS THAN
53 TWENTY-FIVE YEARS FOR AN UNMARRIED DEPENDENT CHILD WHO IS NOT ELIGIBLE
54 FOR COVERAGE BY A POLICY OF ACCIDENT AND HEALTH INSURANCE OFFERED BY HIS
55 OR HER EMPLOYER, shall, with respect to an unmarried child who is inca-
56 pable of self-sustaining employment by reason of mental illness, devel-

1 opmental disability, mental retardation, as defined in the mental
2 hygiene law, or physical handicap and who became so incapable prior to
3 attainment of the age at which dependent coverage would otherwise termi-
4 nate and who is chiefly dependent upon such member for support and main-
5 tenance, not so terminate while the contract remains in force and the
6 dependent remains in such condition, if the member has within thirty-one
7 days of such dependent's attainment of the termination age submitted
8 proof of such dependent's incapacity as described herein. Notwithstand-
9 ing any rule, regulation or law to the contrary, any contract under
10 which a member elects coverage for himself, his spouse, his children or
11 other persons chiefly dependent upon him for support and maintenance
12 shall provide that coverage of newborn infants, including newly born
13 infants adopted by the insured or subscriber if such insured or
14 subscriber takes physical custody of the infant upon such infant's
15 release from the hospital and files a petition pursuant to section one
16 hundred fifteen-c of the domestic relations law within thirty days of
17 birth; and provided further that no notice of revocation to the adoption
18 has been filed pursuant to section one hundred fifteen-b of the domestic
19 relations law and consent to the adoption has not been revoked, shall be
20 effective from the moment of birth for injury or sickness including the
21 necessary care and treatment of medically diagnosed congenital defects
22 and birth abnormalities including premature birth, except that in cases
23 of adoption, coverage of the initial hospital stay shall not be required
24 where a birth parent has insurance coverage available for the infant's
25 care. This provision regarding coverage of newborn infants shall not
26 apply to two person coverage. In the case of individual or two person
27 coverages the corporation must also permit the person to whom the
28 certificate is issued to elect such coverage of newborn infants from the
29 moment of birth. If notification and/or payment of an additional premium
30 or contribution is required to make coverage effective for a newborn
31 infant, the coverage may provide that such notice and/or payment be made
32 within no less than thirty days of the day of birth to make coverage
33 effective from the moment of birth. This election shall not be required
34 in the case of student insurance or where the group's plan does not
35 provide coverage for dependent children.

36 S 4. This act shall take effect immediately and shall apply to poli-
37 cies issued, renewed, modified or amended on and after such date.
