2009-2010 Regular Sessions

IN ASSEMBLY

January 28, 2009

Introduced by M. of A. AUBRY -- read once and referred to the Committee on Correction

AN ACT creating a temporary New York state commission on sex offender supervision and management and providing for the repeal of such provisions upon expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative findings and intent. The legislature hereby 1 finds and declares that persons convicted of a sex offense present a 2 danger to the public. It is necessary that these offenders receive 3 4 appropriate supervision and treatment designed to reduce the risk of 5 re-offense in order to ensure the safety, health and welfare of the 6 communities in which convicted sex offenders reside. The legislature 7 further finds that New York's state prison system does not adequately 8 prepare inmates for a safe return to the community upon the completion 9 of their sentence. Lack of treatment during incarceration creates a threat to public safety by increasing the likelihood that inmates 10 released to the community will be unable to successfully transition back 11 to society and therefore heightens the risk of re-offense. This is espe-12 13 cially true for sex offenders who often do not find appropriate housing 14 and treatment programs in the community. Further, the division of 15 parole, local probation departments and social services agencies are 16 often unable to locate suitable housing for convicted sex offenders. 17 This lack of housing has resulted in an unacceptable level of concen-18 tration of sex offenders in certain residential areas.

19 S 2. A temporary state commission, to be known as the New York state 20 commission on sex offender supervision and management, hereinafter 21 referred to as the commission, is hereby created to examine, evaluate, 22 and make recommendations concerning the effectiveness of programs 23 involving inmates who are required to register as a sex offender pursu-24 ant to article 6-C of the correction law released from state and local

The commission shall analyze the 4 impact of existing policies and practices and compare such policies and 5 practices of this state to those of other states and the federal govern-6 ment. The commission shall collect data from state and federal agencies 7 and may analyze any current research deemed relevant and appropriate. 8 Specifically, the commission shall examine at least the following:

9 (a) the existence of concentrations of registered sex offenders in 10 certain residential areas and municipalities and the circumstances that 11 caused such concentrations to exist;

12 (b) the practices and procedures of the division of parole, local 13 probation departments and local social services districts in investigat-14 ing and approving residences for convicted sex offenders;

15 (c) the availability of appropriate housing for convicted sex offen-16 ders;

17 (d) the adequacy of supervision and monitoring of registered sex 18 offenders under the supervision of the division of parole or serving a 19 sentence of probation; and

20 (e) the effectiveness and availability of existing sex offender treat-21 ment programs and the need for additional sex offender treatment 22 programs in prison, local correctional facilities and the community.
