AN ACT to amend the elder law, in relation to establishing the mature work task force, and providing for its powers and duties; and to repeal article 3 of such law relating thereto

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings and intent. The legislature hereby
2 finds and declares that the demographic projections are showing clearly
3 that older workers will continue to make up a rapidly growing percentage
4 of the work force. This growth represents the fact that the population
5 as a whole is getting older due to several factors, including the aging
6 of the baby boom generation, lower birth rates for generations imme-
7 diately following the baby boom, longer life expectancies and younger
8 generations leaving the state to work elsewhere. The legislature
9 believes efforts must be undertaken to identify priorities, policy
10 alternatives and emerging issues with respect to assisting both busi-
11 nesses and older New Yorkers in preparing for the impact of this tremen-
12 dous demographic shift. The legislature therefore establishes the mature
13 worker taskforce to ensure a coordination of public and private efforts
14 to address the needs of the growing numbers of older workers and to help
15 allocate resources as necessary. This newly established taskforce shall
16 be comprised of appropriate state agency personnel, as well as aging
17 advocates, mature workers ages fifty-five and older, senior service
18 providers, employment training specialists, and representatives of labor
19 and business interests.

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets [] is old law to be omitted.
