FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow Peace Officers employed by the Unified Court System to retire without benefit reduction due to early retirement upon the attainment of age fifty (50) and completion of at least twenty-five (25) years of service. In addition this bill removes the required member contributions of 4% of salary that such Tier 5 members would make for all years of service and replaces that requirement with 3% of salary for the first 10 years of service only.

If this bill is enacted, we anticipate that for Tier 1, 2, 3 and 4 Peace Officers employed by the Unified Court System there will be an increase of approximately $12.2 million in the annual contributions of the State of New York, on behalf of the Unified Court System for the fiscal year ending March 31, 2011. In addition, for all Tier 5 Peace Officers employed by the Unified Court System, there will also be an

annual increase to the State of New York of approximately 4.9% of salary.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately $59.4 million which would be borne by the State of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2011.

These estimated costs are based on 6,402 known affected officers having a total estimated annual salary for the fiscal year ending March 31, 2010 of approximately $507 million.

This estimate, dated March 26, 2010 and intended for use only during the 2010 Legislative Session, is Fiscal Note No. 2010-98, prepared by the Actuary for the New York State and Local Employees' Retirement System.
