14 have been in full force and effect on and after October 26, 2004.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would amend section 522 of the Education Law and section 43 of the Retirement and Social Security Law to once again require the transfer of reserves for former members of the New York City Teachers' Retirement System (NYCTRS) who transferred to the New York State Teachers' Retirement System (NYSTRS) and meet the eligibility requirements of subdivision 4 of section 522. Subdivision 4 provides a benefit for former NYCTRS members who had at least 20 years of service and whose date of membership is prior to 7/27/76 and whose transfer reserves, including ITHP, exceeds their accrued liability in the NYSTRS. Any "excess ITHP" resulting from this calculation is given to the member. Subdivision 5 ended the practice of transferring reserves between these retirement systems in 2004.

It is estimated that there will be no additional annual cost to the employers of members of the New York State Teachers' Retirement System if this bill is enacted. Reserves will be transferred from the NYCTRS to the NYSTRS on behalf of these individuals.

The source of this estimate is Fiscal Note 2009-12 dated January 30, 2009 prepared by the Actuary of the New York State Teachers' Retirement System and is intended for use only during the 2009 Legislative Session.
