With respect to agreements, the performance of which involves the issuance by the participants of indebtedness, either joint or several, the term of the agreement may extend up to a maximum period of time equal to the period of probable usefulness established by section 11.00 of the local finance law in connection with the object or purpose for which the indebtedness was issued. Nothing [herein] contained IN THIS SECTION shall prevent or prohibit either the renewal of agreements upon conclusion of the terms established, or amendments, modifications, clarifications, or cancellations of agreements prior to conclusion of the terms established.

Such plan shall describe the officers or employees authorized to undertake or authorize receipt of a joint service pursuant to the mutual sharing plan, any limitations upon joint services which may be rendered or received pursuant to it, and how and when notice of joint services rendered or received pursuant to it shall be provided to the governing body.

b. Upon adoption of a mutual sharing plan, a municipal corporation may undertake or receive a joint service with another municipal corporation which has adopted a mutual sharing plan. The municipal corporation requesting the assistance of another municipal corporation pursuant to a mutual sharing plan shall be liable and responsible to the assisting municipal corporation for any loss of or damage to equipment employed in provision of such joint service or use of supplies upon provision of such joint service. Each municipal corporation shall be liable for salaries and other compensation due to their own employees for the time the employees are undertaking the joint service pursuant to a mutual sharing plan, however the municipal corporation receiving the service shall reimburse the assisting municipal corporation for actual and necessary expenses upon written notice of such claim.

c.
