2009-2010 Regular Sessions

IN ASSEMBLY

February 23, 2009

Introduced by M. of A. TOWNS, GREENE -- read once and referred to the Committee on Economic Development, Job Creation, Commerce and Industry

AN ACT to amend the economic development law, in relation to establishing the "minimum standards for subsidized jobs act"

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

- Section 1. Short title. This act shall be known and may be cited as the "minimum standards for subsidized jobs act."
 - S 2. Findings and purpose. The legislature hereby finds and declares that every year, the state of New York awards increasingly large amounts of dollars in economic development subsidies to for-profit businesses. When government invests in economic development, it makes no economic sense to support the creation or promotion of jobs that do not give workers the chance to earn a decent living. When state-subsidized jobs provide low wages and poor benefits, they increase the need for government services, including public assistance for food, housing, health care, and childcare.

The purpose of this act is to improve the effectiveness of economic development expenditures, take pressure off state social services programs, and improve the public health and welfare by ensuring that major state subsidies are used to support at least minimum living standards for working families.

S 3. The economic development law is amended by adding a new article 17 to read as follows:
