9 school district and who pay village taxes to such village, a portion of
10 which is allocated for the support of a village library and who also pay
11 taxes to such school district for the support of a school district
12 library from the payment of such portion of the tax allocated for the
13 support of either such village or school district library. Nothing

Failure to notify or cause to be notified any person who is in fact eligible to receive the exemption provided by such local law and/or resolution or the failure of such person to receive the same shall not prevent the levy, collection and enforcement of the payment of the taxes imposed by any such village or school district.

c. Application for such exemption shall be made by the owner on forms prescribed by the state board of real property services to be furnished by the appropriate assessing authority and shall furnish the information and be executed in the manner required or prescribed in such forms. Upon completion, the applicant shall file two copies of said form, one with the assessing authority for the village and the other with the assessing authority for the school district before the next appropriate taxable status date. Any such owner of real property shall only be exempted from the payment of library taxes to either the village or the school district and not to both. The election by a property owner to accept a tax exemption of the village or school district, as the case may be, shall be irrevocable and shall be binding upon such property owner so long as the electing owner owns and resides on such property. Upon transfer, a new owner shall be required to follow the application procedures set forth in this subdivision in order to be eligible for such exemption.

d. The granting of an exemption to the owner of real property pursuant to the provisions of subdivision a of this section shall in no manner serve to limit or alter the library privileges of such owner or any member of his or her family residing upon such property or any other lawful resident upon such property in the library system of the applicable taxing jurisdiction to which such property owner continues to pay taxes pursuant to the provisions of this act.

S 2. Paragraph h of subdivision 1 of section 272 of the education law, as amended by chapter 787 of the laws of 1978, is amended to read as follows:

Such regulations shall, among other things, relate to the total book stock; the diversity of such book stock with respect to general subjects and type of literature, provided that such regulations shall not, directly or indirectly, prohibit the inclusion of a particular book, periodical or material or the works of a particular author or the expression of a particular point of view; annual additions to book stock; circulation of book stock; maintenance of catalogues; number and location of libraries or branch libraries; hours of operation and number and qualifications of personnel, necessary to enable a public library system to render adequate service. Such regulations may establish standards which differ on the basis of population; density of population; the actual valuation of the taxable property within the area served; the condition of library facilities in existence on April first, nineteen hundred fifty-seven; the amount raised by taxation by or for the area served; the relation of such amount to population and actual value of the property taxed; the relation of the amount of funds received by a public library [system] SYSTEM from local taxes to that derived from private contributions; or

1 on such other basis as the commissioner finds necessary to provide for
2 the equitable distribution of state aid.

3 (2) SUCH REGULATION PROVIDING FOR THE STANDARD OF SERVICE OF A PUBLIC
4 LIBRARY SYSTEM, SHALL AUTHORIZE AND PROVIDE FOR THE ISSUANCE, UPON
5 PAYMENT OF A REASONABLE FEE, OF A CARD TO ANY PERSON WHO RESIDES WITHIN
6 THE AREA SERVED BY THE PUBLIC LIBRARY SYSTEM, BUT WHO DOES NOT RESIDE
7 WITHIN THE AREA SERVED BY ANY OF THE MEMBER LIBRARIES OF SUCH SYSTEM.
8 THE ISSUANCE OF SUCH A CARD PURSUANT TO THIS SUBPARAGRAPH, SHALL ENTITLE
9 THE HOLDER THEREOF TO ALL THE RIGHTS AND PRIVILEGES OF A RESIDENT OF THE

11 MEMBER.

13 of this act shall apply to assessment rolls prepared on the basis of
14 taxable status dates occurring on or after January first next succeeding
15 the date on which such local law and/or resolution shall have been
16 adopted; and section two of this act shall take effect on the one
17 hundred twentieth day after it shall have become a law and the commis-
18 sioner of education is authorized and directed to promulgate, amend
19 and/or repeal any rule or regulation necessary to implement the
20 provisions of such section on its effective date on or before such date.
