Introduced by M. of A. LIFTON -- read once and referred to the Committee  
on Education

AN ACT to amend the education law, in relation to suspending the granting of charters for proposed charter schools not acted upon prior to April 1, 2009; and providing for the repeal of such provisions upon expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1     Section 1. Legislative findings. Due to a devastating fiscal crisis  
2 not seen since the great depression, New York state faces staggering  
3 budget gaps for the foreseeable future. Furthermore, local governments  
4 face the prospect of reduced state revenue sharing and local school  
5 districts face flat or reduced education aid, putting even greater pressure on beleaguered property taxpayers.  
6  
7     Chapter 4 of the laws of 1998, which enacted the state's charter  
8 school law, created a funding scheme that requires the public school  
9 district of a student who enrolls in a charter school to pay the charter  
10 school 100% of the district's prior year average approved per pupil  
11 operating expense. School property taxes are by far the highest local  
12 tax burden for New York state residents and redirecting precious  
13 resources at a time of fiscal crisis will place additional burdens on  
14 local taxpayers. Moreover, charter schools have primarily been established in urban areas that face eroding tax bases and declining populations. Small city school districts are especially hard hit by the  
15 establishment of charter schools.  
16  
17     The legislature therefore finds that it is in the best interest of  
18 students and taxpayers throughout New York state to suspend the charter  
19 school application process as of April 1, 2009. Furthermore, a proposed  
20 charter school shall have its charter revoked if it has not commenced  
21 classes prior to August 31, 2009.
