FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow airport firefighters employed by the division of military and naval affairs to retire upon completion of twenty-five (25) years of creditable service. The benefit upon retirement would be an allowance of one-half of final average salary. There would be no reduction for early service retirement.

If this bill is enacted, we anticipate that there will be an increase of approximately $65,600 in the annual contributions of the State of New York, for the fiscal year ending March 31, 2010.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately $813,000 which would be borne by the State of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2010.
