FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would permit detention officers employed by the city of Yonkers to retire upon the completion of twenty-five (25) years of creditable service if the employing city elects to provide this alternative. For all eligible Tier 3 officers who elect to forfeit their benefits under Article 14 and all eligible Tier 1, 2 and 4 officers, their benefit upon retirement would be an allowance of one-half final average salary. There would be no reduction due to early service retirement for these members.

If this bill is enacted, we anticipate that there will be an increase of approximately \$39,700 in the annual contributions of the city of Yonkers.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$376,000 which would be borne by the city of Yonkers. If this cost were amortized over a ten (10) year period, the cost for the first year including interest, would be approximately \$51,900. This estimate is based on the assumption that payment will be made on February 1, 2010.

These estimated costs are based on twenty-two (22) known affected members having a total annual salary for the fiscal year ending March 31, 2009 of approximately \$2.7 million.

This estimate, dated April 27, 2009 and intended for use only during the 2009 Legislative Session, is Fiscal Note No. 2009-233, prepared by the Actuary for the New York State and Local Employees' Retirement System.
