Introduced by M. of A. DUPREY -- read once and referred to the Committee on Education

AN ACT to legalize, validate, ratify and confirm certain actions taken by the board of education of the Northern Adirondack central school district with regard to the purchase of certain school buses

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative findings. The legislature hereby finds and determines that pursuant to the fiscal year 2005-2006 budget approved by the board of education of the Northern Adirondack central school district at its regular meeting on April 18, 2005, the budget included a line item for "bus purchase" in the amount of $47,877 for the payment of one year's principal and interest payments on borrowings intended to be incurred by such school district to finance the purchase of three school buses; that on May 17, 2005 a budget resolution including such $47,877 line item for the payment of one year's debt service of the three school buses was approved by the voters of the school district on a vote of 328 to 119; that a separate proposition on the purchase of such school buses was never submitted to the qualified voters for their approval; that the resolution and proposition approved by the board of education and the voters, respectively, were not in compliance with applicable provisions of the education law and the local finance law since approval of the purchase of such school buses by a separate proposition was required; that on July 19 and August 24, 2005 the school buses were acquired by the Northern Adirondack central school district and payment was made from the school district's general fund in the amount of $241,100.42.

S 2. Notwithstanding the defects described in section one of this act, the purchase of the school buses described therein, the payment from the Northern Adirondack central school district's general fund of $241,100.42 to pay the purchase price thereof, and the acceptance of title to said school buses, and all resolutions, acts and proceedings
