For enhanced services to refugees, asylees and other immigrant populations eligible for refugee services to assist such individuals and families to attain economic self-sufficiency and reduce or eliminate reliance on public assistance benefits as a primary means of support. Such services shall include, but not be limited to, case management, English-as-a-second-language, job training and placement assistance, post-employment services necessary to ensure job retention, and services necessary to assist the individual and family members to establish and maintain a permanent residence in New York state. Services funded through this appropriation shall be made available only to individuals and families eligible for benefits under the state plan for the temporary assistance for needy families block grant whose incomes do not exceed 200 percent of the federal poverty level and, unless such eligible individual or family is also in receipt of family assistance benefits, shall not constitute "assistance" as defined in federal regulations. Funds appropriated herein shall, to the extent permitted by federal law and regulations, be awarded at the discretion of the commissioner of the office of temporary and disability assistance to voluntary refugee resettlement agencies and/or local representatives of such agencies currently under contract with the office of temporary and disability assistance to provide services to refugee populations and individual

awards shall be made proportionately based on the number of refugees each organization resettled in the previous five year period based on the most recent five year data published by the federal department of health and human services office of refugee resettlement or its contractor. Of the amounts appropriated herein, up to $1,187,500 shall be made available to organizations providing services to refugees settling in New York city and all remaining moneys shall be awarded to organizations providing such services to refugees settling in other geographic locations ..... 1,425,000 ..... (re. $1,425,000)

For the continuation and expansion of a demonstration project to assist individuals and families, who are eligible for benefits under the state plan for the federal temporary assistance for needy families block grant, whose incomes do not exceed 200 percent of the federal poverty level and, unless in receipt of public assistance, whose participation in such projects would not constitute "assistance" under federal TANF regulations, in moving out of poverty through the pursuit of higher education. Projects shall include intensive, long-term case management and statistically-based outcome assessments. The amount appropriated herein shall be made available for one project at an education and work consortium having developed programs that moved significant numbers of people from welfare to permanent employment, in receipt of financial commitments from a not-for-profit foundation, and having an established working relationship with regional social services agencies, the local business community and other public and/or private institutions of higher education. Such program shall provide services to recipients of family assistance, safety net assistance and other eligible individuals. The consortium shall consist of three institutions of higher education with one of the institutions being a CUNY institution, one a New York city based institution, and one based in Westchester county ... 500,000 ..... (re. $344,000)

The appropriation made by chapter 53, section 1, of the laws of 2009, is hereby amended and reappropriated to read:

For services and expenses under the temporary assistance for needy families block grant, including but not limited to the family assistance program, emergency assistance to families program, and safety net program.

Such funds are to be available for payment of aid heretofore accrued or hereafter to accrue to municipalities. Subject to the approval of the director of the budget, such funds shall be available to the department of family assistance net of disallowances, refunds, reimbursements, and credits including, but not limited to, additional federal funds resulting from any changes in federal cost allocation methodologies.

Notwithstanding any inconsistent provision of law, the amount herein appropriated may be increased or decreased by interchange with any other appropriation within the office of temporary and disability assistance federal fund - local assistance account with the approval of the director of the budget, who shall file such approval with the

department of audit and control and copies thereof with the chairman of the senate finance committee and the chairman of the assembly ways and means committee.

Funds appropriated herein, as matched by state and local funds in accordance with section 153 of the social services law, may be used to provide rent supplements at local option to family assistance households and to cases that include a child in receipt of safety net assistance in order to prevent eviction and address homelessness in accordance with social services district plans approved by the office of temporary and disability assistance and the director of the budget, provided, however, that such supplements shall not be part of the standard of need pursuant to section 131-a of the social services law.

Amounts appropriated herein shall, subject to the approval of the director of the budget, be used to reimburse social services districts for 100 percent of the expenditures for foster care made on and after October 1, 2008 provided to children eligible for emergency assistance for families, other than juvenile justice services and other than tuition costs for foster care children who are eligible for emergency assistance for families and are in the custody of the commissioner of any local social services district with a population in excess of two million persons and, subject to the approval of the director of the budget, the commissioner of the office of children and family services, in consultation with the commissioner of labor and the commissioner of the office of temporary and disability assistance, may exclude foster care and foster care administration costs incurred on behalf of children in foster care placements who are at least 19 years of age.

Notwithstanding section 153 of the social services law and any other inconsistent provision of the social services law or this chapter, the commissioner of the office of temporary and disability assistance, upon consultation with the commissioner of the office of children and family services and subject to the approval of the director of the budget, may reduce federal financial participation in the cost of eligible public assistance expenses, including but not limited to, the family assistance program, the emergency assistance for families program and their administration paid to social services districts by the amount of federal financial participation received by each district for foster care pursuant to this provision and shall require each district to be responsible for 100 percent of the additional non-federal cost that results from such reduction in federal financial participation in an amount not to exceed the actual amount of federal temporary assistance for needy families funds for foster care provided to children eligible for emergency assistance for families pursuant to this appropriation. The commissioner of the office of temporary and disability assistance may require each social services district to make necessary adjustments in claims for eligible public assistance expenses to effectuate the reduction in federal financial participation required herein.

Notwithstanding section 153 of the social services law and any other inconsistent provision of the social services law or this chapter,

the commissioner of the office of temporary and disability assistance may not reduce federal financial participation in local administrative expenses for a social services district until the reduction in federal financial participation in all other expenditures for such public assistance programs has been reduced by 95 percent of estimated expenditures otherwise eligible for federal financial participation unless otherwise waived by the commissioner [1,031,225,000] 1,271,225,000 ..... (re. $889,024,000)

For services, related to transitional jobs programs administered by social services districts with employment opportunities established in public or private organizations including community based agencies. Eligible social services districts must establish a plan to provide coordinated, comprehensive employment services beyond the level currently funded by the social services district to eligible individuals and families under the state plan for the federal temporary assistance to needy families block grant. Such funds are to be made available to establish a transitional jobs program to provide a subsidized employment placement for up to twelve months at an hourly rate of at least eight dollars per hour for up to 28 hours per week of paid employment and at least seven hours per week of paid education and training activities linked directly to local employment opportunities in sectors with substantial opportunities for continued unsubsidized employment, including but not limited to child care, health care, social and human services, clerical administrative assistance, transportation and construction/outdoor maintenance, to enable temporary assistance for needy families eligible participants, including disconnected young adults, ages eighteen to twenty-four, to prepare people with job skills and education to advance into unsubsidized work at the end of the transitional employment period. With funds appropriated herein, the office of temporary and disability assistance shall establish the transitional jobs program and provide technical support, as needed, to enable social services districts to develop transitional jobs programs that provide education, training, and job placement for low or no income individuals. Preference shall be given to persons in receipt of public assistance, and up to thirty percent of program participants may be eighteen to twenty-four year olds, with the remaining funds targeted to eligible recipients of public assistance, including formerly incarcerated individuals, and non-custodial parents who were formerly incarcerated or who have a criminal history and who can attest to such parental relationship and make that information available to social services district child support units. The office of temporary and disability assistance shall establish allocations to social services districts with priority to areas of the state with unemployment rates that exceed the statewide average. Each participating district must submit a plan for its transitional jobs program that outlines the employment opportunities and education and training that will be provided to prepare individuals for unsubsidized employment. Districts will be encouraged to leverage services available through community-based education and training providers and target training to the needs of employers in the

region. Such education and training providers may include, but not be limited to general equivalency diplomas programs, adult basic education, English as a second language programs, community colleges, junior colleges, business and trade schools, vocational institutions, and institutions with baccalaureate degree-granting programs, programs that provide employment services, including but not limited to programs that include education and training components, such as remedial education, individual training plans, pre-employment training, workplace basic skills, and literacy skills training. In those instances where program participants do not have high school diploma or equivalent, preference shall be given to providing adult basic education services that will enable the participant to obtain an equivalency diploma. Additionally, training that provides employment related credential, credits or certificates to support future employment opportunities is preferred. Projects are encouraged to provide comprehensive student support services, including but not limited to tutoring, mentoring, child care, after school program access , transportation, financial development services, referrals for public benefits, and case management, as part of the individual training plan. Districts must demonstrate that these subsidized positions will not replace existing funding or staff doing equivalent work .....
[5,000,000] 25,000,000 ..... (re. $21,345,000)

By chapter 53, section 1, of the laws of 2008:

For services and expenses under the temporary assistance for needy families block grant, including but not limited to the family assistance program, emergency assistance to families program, safety net program, and other eligible public assistance expenses.

Such funds are to be available for payment of aid heretofore accrued or hereafter to accrue to municipalities. Subject to the approval of the director of the budget, such funds shall be available to the department of family assistance net of disallowances, refunds, reimbursements, and credits including, but not limited to, additional federal funds resulting from any changes in federal cost allocation methodologies.

Notwithstanding any inconsistent provision of law, the amount herein appropriated may be increased or decreased by interchange with any other appropriation within the office of temporary and disability assistance federal fund - local assistance account with the approval of the director of the budget, who shall file such approval with the department of audit and control and copies thereof with the chairman of the senate finance committee and the chairman of the assembly ways and means committee.

Funds appropriated herein, as matched by state and local funds in accordance with section 153 of the social services law, may be used to provide rent supplements at local option to family assistance households and to cases that include a child in receipt of safety net assistance in order to prevent eviction and address homelessness in accordance with social services district plans approved by the office of temporary and disability assistance and the director of

the budget, provided, however, that such supplements shall not be part of the standard of need pursuant to section 131-a of the social services law.

Amounts appropriated herein shall, subject to the approval of the director of the budget, be used to reimburse social services districts for 100 percent of the expenditures for foster care made on and after October 1, 2007 provided to children eligible for emergency assistance for families, other than juvenile justice services and other than tuition costs for foster care children who are eligible for emergency assistance for families and are in the custody of the commissioner of any local social services district with a population in excess of two million persons and, subject to the approval of the director of the budget, the commissioner of the office of children and family services, in consultation with the commissioner of labor and the commissioner of the office of temporary and disability assistance, may exclude foster care and foster care administration costs incurred on behalf of children in foster care placements who are at least 19 years of age.

Notwithstanding section 153 of the social services law and any other inconsistent provision of the social services law or this chapter, the commissioner of the office of temporary and disability assistance, upon consultation with the commissioner of the office of children and family services and subject to the approval of the director of the budget, may reduce federal financial participation in the cost of eligible public assistance expenses, including but not limited to, the family assistance program, the emergency assistance for families program and their administration paid to social services districts by the amount of federal financial participation received by each district for foster care pursuant to this provision and shall require each district to be responsible for 100 percent of the additional non-federal cost that results from such reduction in federal financial participation in an amount not to exceed the actual amount of federal temporary assistance to needy families funds for foster care provided to children eligible for emergency assistance for families pursuant to this appropriation. The commissioner of the office of temporary and disability assistance may require each social services district to make necessary adjustments in claims for eligible public assistance expenses to effectuate the reduction in federal financial participation required herein.

Notwithstanding section 153 of the social services law and any other inconsistent provision of the social services law or this chapter, the commissioner of the office of temporary and disability assistance may not reduce federal financial participation in local administrative expenses for a social services district until the reduction in federal financial participation in all other expenditures for such public assistance programs has been reduced by 95 percent of estimated expenditures otherwise eligible for federal financial participation unless otherwise waived by the commissioner

card (CBIC); and the automated finger imaging system (AFIS) ..... 4,000,000 ..... (re. $2,673,000)

Funds appropriated according to the following shall be available for payment of aid heretofore accrued or hereafter to accrue to municipalities. Notwithstanding any inconsistent provision of law, such funds may be increased or decreased by interchange with any other appropriation within the office of temporary and disability assistance federal fund - local assistance account with the approval of the director of the budget. Such funds shall be provided without state or local participation, provided that the director of the budget does not determine that such use of funds can be expected to have the effect of increasing qualified state expenditures under paragraph 7 of subdivision (a) of section 409 of the federal social security act above the minimum applicable federal maintenance of effort requirement:

For allocation to local social services districts for the flexible fund for family services. Funds shall, without state or local participation, be allocated to local social services districts in accordance with a methodology that shall be based on allocations and awards for the prior state fiscal year, including any supplemental claims for such costs settled during that period, and other factors, for expenditures eligible under the state plan for the temporary assistance for needy families block grant, including but not limited to, expenditures for child welfare services, child care, employment services and supportive services, provided however, that local spending of these funds, in combination with state spending for the same purposes will not exceed applicable federal limits on the spending of temporary assistance for needy families funds for administrative purposes. Such amounts allocated to local social services districts shall hereinafter be referred to as the flexible fund for family services.

Notwithstanding any inconsistent provision of law to the contrary, such amounts shall constitute the full amount of federal temporary assistance for needy families funds to be paid on account of activities funded in whole or in part hereunder. Such allocation shall be available for reimbursement through March 31, 2011; provided, however, that reimbursement for child welfare services other than foster care services shall be available for eligible expenditures incurred on or after October 1, 2007 and before October 1, 2008 that are otherwise reimbursable by the state on or after April 1, 2008 and that are claimed by March 31, 2009. District allocations from the flexible fund for family services may be spent only pursuant to plans of expenditure, developed by each social services district and the local governing body and approved by the department of family assistance and the director of the budget, which summarize how the local district will comply with federal work participation rates, set forth the gross amount of funds and the amount of temporary assistance for needy families funds that will be expended in connection with activities funded in whole or in part hereunder, and how the district will conduct activities required under applicable federal and state law and regulations, including but not limited to

screening, testing, and assessment for alcohol and substance abuse pursuant to section 132 of the social services law. Of the amounts so appropriated for allocation to local social services districts, notwithstanding any inconsistent provision of law to the contrary, subject to the approval of the director of the budget, a portion of the amount so appropriated may be used for administrative costs and may be chargeable to grants, including personal service costs of the office of court administration or other state agencies. Such reimbursement may be available through transfer or suballocation. Amounts so appropriated for allocation to local social services districts, may be used, notwithstanding section 153 of the social services law, without state or local financial participation, for services to public assistance recipients who are either eligible for federally funded income support under the temporary assistance for needy families block grant, or whose current case includes a dependent child under the age of 18 or under the age of 19 if the child is attending secondary school and is in receipt of safety net assistance, and those eligible individuals and families whose incomes do not exceed 200 percent of the federal poverty level. Specific services may include, but are not necessarily limited to: specialized self-sufficiency case management and job training services through social services districts to help eligible persons secure and retain employment; transportation services to and from employment or other allowable activities; domestic violence screening and service referral; domestic violence training; screening, assessment, optional testing and treatment for substance abuse including related workforce preparation services; periodic incentives for excellence in academic achievement or community service; services and expenses of transitional opportunities program offices; services to augment employer-based programs that assist youth at-risk of not graduating from high school; performance-based job placement services through contracts with for profit or non-profit agencies; job specific training opportunities and job placement; youth enterprise services for eligible youth who have been released from residential facilities, and eligible administration costs, including contracts through the office of temporary and disability assistance with outside auditors to ensure compliance with federal requirements.

Notwithstanding any other provision of law including the state finance law and any local procurement law, at the request of a social services district and with the approval of the division of the budget, a portion of the funds so appropriated may be retained by the office of temporary and disability assistance for use by such office or for transfer or suballocation to the department of labor, the department of health and/or the office of children and family services to provide centralized administrative services, including but not limited to issuing requests for proposals; entering into, processing and/or amending contracts with existing providers for any services eligible for funding under the flexible fund for family services for which the applicable state agency has a contractual relationship or had a contractual relationship during state fiscal year 2004-05 or thereafter, and providing vendor payments.

Of the amounts so appropriated for allocation to local social services districts, funds may be used, without state or local participation, for the costs of child welfare services, other than juvenile justice services and foster care services except as specifically provided herein, provided to eligible individuals and families whose incomes do not exceed 200 percent of the federal poverty level.

Of the amounts so appropriated for allocation to local social services districts, notwithstanding any inconsistent provision of law, funds may be used, without state or local financial participation, by social services districts with a population in excess of two million persons for such district's first eligible expenditures that occurred on or after October 1, 2007, or, subject to the approval of the director of the budget, during any other period beginning on or after January 1, 1997, for tuition costs for foster care children who are eligible for emergency assistance for families in the manner the state was authorized to fund such costs under part A of title IV of the social security act as such part was in effect on September 30, 1995; provided that the funds appropriated herein may not be used to reimburse localities for costs disallowed under title IV-E of the social security act. Such expenditures shall constitute good cause pursuant to section 408 (a) (10) of the social security act.

Of the amounts so appropriated for allocation to local social services districts, funds may be used, without state or local participation, for care, maintenance, supervision, and tuition for juvenile delinquents and persons in need of supervision who are placed in residential programs operated by authorized agencies and who are eligible for emergency assistance to families in the manner the state was authorized to fund such costs under part A of title IV of the social security act as such part was in effect on September 30, 1995. Such expenditures shall constitute good cause pursuant to section 408 (a) (10) of the social security act. Unless otherwise approved by the commissioner of the office of children and family services with the approval of the director of the budget, these funds may be used only for eligible expenditures made from October 1, 2007 through September 30, 2008. Notwithstanding any inconsistent provision of law, the funds so appropriated may not be used to reimburse localities for costs disallowed under title IV-E of the social security act.

Of the amounts so appropriated for allocation to local social services districts, notwithstanding any inconsistent provision of law, funds may be used, without state or local financial participation, to initiate program modifications and/or to provide services, which may include but not be limited to substance abuse and mental health counseling, diversion of youth at risk of placement in detention programs, reduction of length of placement of youth receiving detention services, and/or the provision of preventive services to persons 16 and 17 years old who are alleged or determined to be in need of supervision consistent with section 601 (a)(3) of title 42 of the United States code.

Of the amounts so appropriated for allocation to local social services districts, notwithstanding any inconsistent provision of law, a social services district may request that the office of temporary

and disability assistance retain and transfer a portion of the district's allocation of these funds to the credit of the office of children and family services special revenue funds - federal/aid to localities federal block grant fund - 265 for the title XX social services block grant for use by the district for eligible title XX services and/or to the credit of the office of children and family services federal health and human services fund - 265 local assistance, federal day care account for use by the district for eligible child care expenditures under the state block grant for child care, within the percentages established by the state in accordance with the federal social security act and related federal regulation. Any funds transferred at a district's request to the title XX social services block grant shall be used by the district for eligible title XX social services provided in accordance with the provisions of the federal social security act and the social services law to children or their families whose income is less than 200 percent of the federal poverty level applicable to the family size involved. Any funds transferred at a district's request to the office of children and family services federal health and human services fund - 265 local assistance, federal day care account shall be made available to the district for use for eligible child care expenditures in accordance with the applicable provisions of federal law and regulations relating to federal funds included in the state block grant for child care and in accordance with applicable state law and regulations of the office of children and family services. Any claims made by a social services district for expenditures made for child care during a particular federal fiscal year, other than claims made under title XX of the federal social security act, shall be counted against the social services district's block grant for child care for that federal fiscal year. Each social services district must certify to the department of family assistance by June 30, 2008 the amount of funds it wishes to have transferred under this provision. If there is any transfer authority remaining under federal law and regulation after the office of temporary and disability assistance transfers all of the funds certified by the districts by June 30, 2008 to be so transferred, the department of family assistance may provide additional transfer authority to those districts that transferred the maximum allowable amount. Prior to the transfer of funds pursuant to this appropriation, the office of temporary and disability assistance shall determine the availability of such funding and, subject to approval of the director of the budget, take necessary steps to notify the department of health and human services and the office of children and family services of the transfer of funding for purposes contained in this appropriation .....

For allocation to local social services districts, notwithstanding any inconsistent provision of law, and without state or local financial participation, for costs of operating 2008 summer youth programs providing full wage subsidy paid summer employment and associated supportive services to eligible individuals with families under the state plan for the temporary assistance for needy families block

grant whose incomes do not exceed 200 percent of the federal poverty level, provided that such services to eligible persons not in receipt of public assistance shall not constitute "assistance" under applicable federal regulations, and provided further that no more than 15 percent of the funds made available herein may be used for program administration. Notwithstanding any other inconsistent law to the contrary, the commissioner of any department of social services may assign all or a portion of moneys appropriated herein on behalf of such department of social services to the workforce investment board designated by such commissioner and upon receipt of such monies, any such workforce investment board shall be obligated to utilize such funds consistent with the purposes of this appropriation.

Funds appropriated herein shall be allocated to local social services districts in accordance with a methodology that shall be based on allocations for the prior state fiscal year and on a district's relative share of persons aged 14 to 20 living in households whose incomes do not exceed 200 percent of the federal poverty level. At the request of local social services districts, funds not used for costs of the summer youth program, including those costs related to the increase to the state minimum wage, may be transferred to the credit of the district's allocation of the flexible fund for family services; provided, however, that a minimum of $32,000,000 will be used for the 2008 summer youth program .....
35,000,000 ..... (re. $302,000)

For allocation to local social services districts to first provide intensive case services to families who are in receipt of public assistance and whose cases are in sanction status due to non-compliance with participation in countable federal work activities. Such services shall include, but not be limited to, clarification of information regarding the reason for the sanction and the methods for curing the sanction, a needs assessment regarding non-compliance that addresses barriers to compliance, assessment of any material needs that require immediate attention, and the development of a plan to bring the family into compliance, including information about any community-based services that may help to address the family's needs and help to bring the family into compliance, in no instance shall such services include activities conducted by local social services districts for fraud detection purposes. Such services may be provided through mailed notices, office appointments, home visits, or telephone contact, provided, however, that local districts shall use alternative means for contacting families, such as telephone contact or home visits, if the family is not responsive to letters requiring them to attend an office appointment. In the event that all sanctioned cases have been adequately addressed, similar intensive case services may be provided to other families who are in receipt of public assistance and who, although not in sanction status, are not meeting the requirements of section 335-b of the social services law. Local districts that seek to obtain a portion of the available funds must submit a plan to the office of temporary and disability assistance by July 31, 2008, that

includes a description of how intensive case services will be provided to families in sanction status, including other families not in sanction status and not meeting countable federal work activity requirements. The office of temporary and disability assistance shall complete the approval process for such plans and determine and release each approved district's allocation by September 1, 2008. Allocation of such funds shall be based solely upon the number of temporary assistance cases that are not in compliance with required participation in countable federal work activities in each local social services district with an approved plan as a percentage of such cases statewide in districts with approved plans ..... 3,000,000 ..... (re. $3,000,000)

Eligible not-for-profit community based organizations in social services districts shall administer a program that enables employers to offer subsidized employment, including but not limited to, expanded supportive transitional work activities for such eligible individuals and families consistent with the provisions of section 336-e and section 336-f of the social services law, as applicable. Provided that, of the $4,000,000, not less than $2,500,000 shall be for programs in social services districts with a population in excess of two million. Preference shall be given to proposals that include provisions for job retention, case management and job placement services. Participation in the program by such eligible individuals and families shall be limited to one year. Participating employers shall make reasonable efforts to retain individuals served by the program ... 4,000,000 ..... (re. $2,578,000)

For services related to a supportive housing program for families and for young adults age 18 to 25, who are eligible for benefits under the state plan for the federal temporary assistance for needy families block grant, whose incomes do not exceed 200 percent of the federal poverty level and, unless in receipt of public assistance, whose participation in such a program would not constitute "assistance" under federal temporary assistance for needy families block grant regulations. Such supportive housing program shall be designed

to enhance the employability, self-sufficiency, and/or family stability of residents, and prevent out-of-wedlock pregnancies among young adult residents. Eligible families shall include: homeless families; families at risk of exceeding, and those that have exceeded, their TANF assistance time limit; families with multiple barriers to employment and housing stability; families at risk for foster care placement; and those that are reunited after placements. Eligible young adults shall include: young adults aging out of the foster care system; runaway and homeless youth; and youth subject to criminal charges who are at risk for incarceration. Provided that, of the $5,000,000 up to $1,000,000 shall be available to continue existing services or to expand services provided to eligible young adults ... 5,000,000 ..... (re. $2,670,000)

For services related to the homelessness intervention program for eligible individuals and families under the state plan for the federal temporary assistance for needy families block grant whose incomes do not exceed 200 percent of the federal poverty level. These funds shall be available to not-for-profit organizations designed to provide services to prevent homelessness or to secure permanent housing, including but not limited to landlord/tenant conflict resolution, legal services, outreach and referral for other eligible services and benefits to stabilize households, and relocation assistance ... 4,000,000 ..... (re. $2,835,000)

For services of programs, in social services districts with a population in excess of two million, that meet the emergency needs of homeless individuals and families and those at risk of becoming homeless who are eligible for benefits under the state plan for the temporary assistance for needy families block grant and whose incomes do not exceed 200 percent of the federal poverty level, provided that such services to eligible persons not in receipt of public assistance shall not constitute "assistance" under applicable federal regulations. Such programs shall have demonstrated experience in providing services to meet the emergency needs of homeless individuals and families and those at risk of becoming homeless, including crisis intervention services, eviction prevention services, mobile emergency feeding services, and summer youth services ... 1,000,000 ..... (re. $52,000)

For transfer to the credit of the office of children and family services federal health and human services fund - 265 state operations or federal health and human services fund - 265 local assistance, federal day care account for additional reimbursement to social services districts for child care assistance provided pursuant to title 5-C of article 6 of the social services law. The funds shall be apportioned among the social services districts by the office according to an allocation plan developed by the office and submitted to the director of the budget for approval within 60 days of enactment of the budget. The funds allocated to a district under this appropriation in addition to any state block grant funds allocated to the district for child care services and any funds the district requests the office of temporary and disability assistance to transfer from the district's flexible fund for family services

allocation to the federal day care account shall constitute the district's entire block grant allocation for a particular federal fiscal year, which shall be available only for child care assistance expenditures made during that federal fiscal year and which are claimed by March 31 of the year immediately following the end of that federal fiscal year. Any claims for child care assistance made by a social services district for expenditures made during a particular federal fiscal year, other than claims made under title XX of the federal social security act, shall be counted against the social services district's block grant allocation for that federal fiscal year.

A social services district shall expend its allocation from the block grant in accordance with the applicable provision in federal law and regulations relating to the federal funds included in the state block grant for child care and the regulations of the office of children and family services. Notwithstanding any other provision of law, each district's claims submitted under the state block grant for child care will be processed in a manner that maximizes the availability of federal funds and ensures that the district meets its maintenance of effort requirement in each applicable federal fiscal year. Prior to transfer of funds appropriated herein, the commissioner of the office of children and family services shall consult with the commissioner of the office of temporary and disability assistance to determine the availability of such funding and to request that the commissioner of the office of temporary and disability assistance take necessary steps to notify the department of health and human services of the transfer of funding.

Such funds are to be available for payment of aid heretofore accrued or hereafter to accrue to municipalities. Subject to the approval of the director of the budget, such funds shall be available to the department of family assistance net of disallowances, refunds, reimbursements, and credits.

Notwithstanding any inconsistent provision of law, the amount herein appropriated may be increased or decreased by interchange with any other appropriation within the department of family assistance office of temporary and disability assistance and office of children and family services federal fund - local assistance account with the approval of the director of the budget, who shall file such approval with the department of audit and control and copies thereof with the chairman of the senate finance committee and the chairman of the assembly ways and means committee .....

For the continuation of the facilitated enrollment pilot program in Capital Region-Oneida (consisting of Rensselaer, Schenectady, Saratoga, Albany and Oneida counties) be provided to the NYS AFL-CIO Workforce Development Institute to act or continue to act as the administrator to implement the program proposed by the union child care coalition of the NYS AFL-CIO and approved by the office of children and family services. The administrative cost of this pilot program shall not exceed ten percent of the funds available for this purpose. The remaining portion of the funds shall be allocated by

the office of children and family services to the local social services districts where the recipient families reside as determined by the project administrator based on projected need and cost of providing child care subsidies payment to working families enrolled through the pilot initiative. Child care subsidies paid on behalf of eligible families shall be reimbursed at the actual cost of care up to the applicable market rate for the district in which child care is provided and in accordance with the fee schedule of the social services district making the subsidy payment.

For transfer consistent with transfer authority contained in a chapter of the laws of 2008 enacting the executive budget to credit the office of children and family services federal health and human services fund-265 local assistance, federal day care account for the child care facilitated enrollment pilot programs. Notwithstanding any inconsistent provision of law, the funds appropriated herein shall be available for expenses associated with the continued operation of the child care facilitated enrollment pilot program in the Capital Region-Oneida for working families residing in the Capital Region-Oneida with income up to two hundred seventy-five percent of the federal poverty level. Of the amount appropriated herein, $1,750,000 shall be made available for this Capital Region-Oneida project.

Provided however that, up to $175,000 shall be made available to the NYS AFL-CIO Workforce Development Institute, or other designated administrator, to administer and to implement a plan approved by the office of children and family services for this pilot program in consultation with the advisory council. This administrator shall prepare and submit to the office of children and family services, the chairs of the senate committee on social services, children and families, the senate committee on labor, the chairs of the assembly committee on children and families, the assembly committee on social services, an evaluation of the pilot with recommendations. Such evaluation shall include available information regarding the pilot programs or participants in the pilot programs, including but not limited to: the number of income-eligible children of working parents with income greater than two hundred percent but at or less than two hundred seventy-five percent of the federal poverty level, the ages of the children served by the project, the number of families served by the project who are in receipt of family assistance, the factors that parents considered when searching for child care, the factors that barred the families' access to child care assistance prior to their enrollment in the facilitated enrollment program, the number of families who receive a child care subsidy pursuant to this program who choose to use such subsidy for regulated child care, and the number of families who receive a child care subsidy pursuant to this program who choose to use such subsidy to receive child care services provided by a legally exempt provider. Such report shall be submitted by the applicable project administrator, on or before November 1, 2008, provided that if such report is not received by November 30, 2008, reimbursement for administrative costs shall be either reduced or withheld, and fail-

ure of an administrator to submit a timely report may jeopardize such administrator's program from receiving funding in future years. The administrative cost, including the cost of the development of the evaluation of the pilot programs, shall not exceed ten percent of the funds available for this purpose. The remaining portion of the funds shall be allocated by the office of children and family services to the local social services districts where the recipient families reside as determined by the project administrator based on projected needs and cost of providing child care subsidy payments to working families enrolled in the child care subsidy program through this pilot initiative in the Capital Region-Oneida provided however a local social services district shall not reimburse subsidy payments in excess of the amount the subsidy funding appropriated herein can support.

Child care subsidies paid on behalf of eligible families shall be reimbursed at the actual cost of care up to the applicable market rate for the district in which the child care is provided, for subsidy payments made from April 1, 2008 through March 31, 2009 in accordance with the fee schedule of the social services district making the subsidy payments. The administrator for this pilot project is required to submit bi-monthly reports on the fifteenth day of every other month beginning on May 15, 2008 and bi-monthly thereafter that provide current enrollment and information including, but not limited to, the amount of the approved subsidy level, the level of co-payment by the social services district required for the participants in the program, the program's adopted budget reflecting all expenses including salaries and other information as needed, to the office of children and family services, the senate chair of the committee on social services, children and families, the senate committee on labor, the chairs of the assembly committee on children and families and the assembly committee on social services, and the social services districts. Provided however that if such bi-monthly reports are not received from this Capital Region-Oneida administrator, reimbursement for administrative costs shall be either reduced or withheld and failure of an administrator to submit a timely report may jeopardize such administrator's program from receiving funding in future years. The office of children and family services shall provide technical assistance to the pilot program to assist in timely coordination with the monthly claiming process. Notwithstanding any other provision of law, this pilot program maintained herein may be terminated if the administrator for such program mismanages such program, by engaging in actions including but not limited to, improper use of funds, providing for child care subsidies in excess of the amount the subsidy funding appropriated herein can support, and failing to submit claims for reimbursement in a timely fashion .....

For services, notwithstanding any inconsistent provision of law, and without state or local financial participation, of the career pathways program for not for profit, community based agencies providing coordinated, comprehensive employment services beyond the level currently funded by social services districts to eligible individ-

uals and families under the state plan for the federal temporary assistance to needy families block grant, whose incomes do not exceed two hundred percent of the federal poverty level and, unless in receipt of public assistance, whose participation in such a program would not constitute "assistance" under federal temporary assistance for needy families block grant regulations. Such funds are to be made available to establish a career pathways program to link education and occupational training to subsequent employment through a continuum of educational programs and integrated support services to enable temporary assistance for needy families eligible participants, including disconnected young adults, ages sixteen to twenty-four, to advance over time both to higher levels of education and to higher wage jobs in targeted occupational sectors. With funds appropriated herein, the office of temporary and disability assistance in consultation with the department of labor shall establish the career pathways program and provide technical support, as needed, to provide education, training, and job placement for low-income individuals, age sixteen and older. Preference shall be given to eighteen to twenty-four year olds who are unemployed or underemployed, in areas of the state with demonstrated labor market needs and unemployment rates that are greater than the appropriate or comparative rate of employment for the region, and to persons in receipt of family assistance and/or safety net assistance. Of the amounts appropriated herein up to $75,000 may be transferred to the office of temporary and disability assistance state operation appropriation for personal and non-personal service costs incurred by the agency in administering such program. Of the amounts appropriated, at least sixty percent shall be available for services to eighteen to twenty-four year olds, with remaining funds available to recipients of family assistance and/or safety net assistance, without age restrictions, and sixteen to seventeen year old self-supporting individuals who are heads of household. The office of temporary and disability assistance in consultation with the department of labor shall develop a request for proposals and shall receive, review, and assess applications. In selecting proposals, the office of temporary and disability assistance and the department of labor shall give preference to programs that demonstrate community-based collaborations with education and training providers and employers in the region. Such education and training providers may include, but not be limited to general equivalency diplomas programs, community colleges, junior colleges, business and trade schools, vocational institutions, and institutions with baccalaureate degree-granting programs; programs that provide for a career path or career paths, as supported by identified local employment needs; programs that provide employment services, including but not limited to, post-secondary training designed to meet the needs of employers in the local labor market, or catchment area; programs that include education and training components, such as remedial education, individual training plans, pre-employment training, workplace basic skills, and literacy skills training. Such education and training must include institutions, industry associations, or other credentialing bodies for

the purpose of providing participants with certificates, diplomas, or degrees; projects that provide comprehensive student support services, including but not limited to tutoring, mentoring, child care, after school program access, transportation, and case management, as part of the individual training plan. Preference shall be given to proposals that include not-for-profit collaborations with education, training, or employer stakeholders in the region; programs which leverage additional community resources and provide participant support services; training that result in job placement; and education that links participants with occupational skills training and/or employer-related credentials, credits, diplomas or certificates ... 2,500,000 ..... (re. $2,151,000)

By chapter 53, section 1, of the laws of 2008, as amended by chapter 53, section 1, of the laws of 2009:

Notwithstanding any inconsistent provision of law, the funds appropriated herein, shall be available for transfer to the federal health and human services fund - 265, federal day care account to continue operation of and support existing enrollment in the child care facilitated enrollment pilot programs which expand access to child care subsidies for working families living or employed in the Liberty Zone, the boroughs of Brooklyn, Queens, and Bronx, and in the county of Monroe, with income up to 275 percent of the federal poverty level. Of the amount appropriated herein, $1,500,000 shall be made available for Monroe county, and $7,605,757 shall be made available for all other projects. Up to $150,000 shall be made available to the current designated administrator in the county of Monroe or to a successor administrator designated by the current administrator to administer such county's program and to implement a plan approved by the office of children and family services; and up to $760,576 shall be made available to the Consortium for Worker Education, Inc., or other designated successor, to administer and to implement a plan approved by the office of children and family services for the programs in the Liberty Zone, and the boroughs of Brooklyn, Queens and Bronx. Each pilot program administrator shall prepare and submit to the office of children and family services, the chair of the senate committee on children and families and social services, the chair of the assembly committee on children and families, the chair of the assembly committee on social services, the chair of the senate committee on labor, and the chair of the assembly committee on labor, an evaluation of the pilot with recommendations for continuation or dissolution of the program supported by appropriate documentation. Such evaluation shall include available, information regarding the pilot programs or participants in the pilot programs, absent identifying information, including but not limited to: the number of income-eligible children of working parents with income greater than 200 percent but at or less than 275 percent of the federal poverty level; the ages of the children served by the project, the number of families served by the project who are in receipt of family assistance, the factors that parents considered when searching for child care, the factors that barred

the families' access to child care assistance prior to their enrollment in the pilot program, the number of families who receive a child care subsidy pursuant to this program who choose to use such subsidy for regulated child care, and the number of families who receive a child care subsidy pursuant to this program who choose to use such subsidy to receive child care services provided by a legally exempt provider. Such report shall be submitted by the applicable project administrator, on or before October 1, 2008, provided that if such report is not received by October 1, 2008, reimbursement for administrative costs shall be either reduced or withheld, and failure of an administrator to submit a timely report may jeopardize such program's funding in future years. Expenses related to the development of the evaluation of the pilot programs shall be paid from the pilot program's administrative set-aside or non-state funds. The remaining portion of the project's funds shall be allocated by the office of children and family services to the local social services districts where the recipient families reside as determined by the project administrator based on projected needs and cost of providing child care subsidy payments to working families enrolled in the child care subsidy program through the pilot initiative, provided however that the office of children and family services shall not reimburse subsidy payments in excess of the amount the subsidy funding appropriated herein can support and the applicable local social services district shall not be required to approve or pay for subsidies not funded herein.

The total number of slots for pilot programs located within the city of New York shall not exceed one thousand by March 31, 2009. Vacancies in child care slots may be filled at such time as the total enrollment of the New York city pilot program is less than one thousand slots, which shall be accomplished through an attrition rate of at least four percent per month effective April 1, 2008 and continuing through March 31, 2009. The pilot program located in the borough of Queens shall receive one new additional slot for each slot which becomes available through attrition once the total number of filled child care slots reaches less than one thousand. Child care subsidies paid on behalf of eligible families shall be reimbursed at the actual cost of care up to the applicable market rate for the district in which the child care is provided, for subsidy payments made from April 1, 2008 through March 31, 2009 for the New York city pilot and for subsidy payments made from January 1, 2009 through December 31, 2009 for the Monroe County pilot in accordance with the fee schedule of the social services district making the subsidy payments. Pilot programs are required to submit monthly reports to the office of children and family services, the local social services district, and for programs located in the City of New York, the administration for children's services, and the Legislature. Each monthly report must provide without benefit of personal identifying information, the pilot program's current enrollment level, amount of the child's subsidy, co-payment levels and other information as needed or required by the office of children and family services. Further, the office of children and family services shall

provide technical assistance to the pilot program to assist with project administration and timely coordination of the monthly claiming process. Notwithstanding any other provision of law, any pilot programs maintained herein may be terminated if the administrator for such programs mismanages such programs, by engaging in actions including but not limited to, improper use of funds, providing for child care subsidies in excess of the amount the subsidy funding appropriated herein can support, and failing to submit claims for reimbursement in a timely fashion .....
9,105,757 ..... (re. $3,949,000)

The appropriation made by chapter 53, section 1, of the laws of 2008, as amended by chapter 53, section 1, of the laws of 2009, is hereby amended and reappropriated to read:

For the continuation of the pilot program known as the Senate facilitated enrollment program in that portion of Queens county (known as the Senate Queens County Childcare District) which shall expand access to child care subsidies for working families with income up to 275 percent of the federal poverty level. A portion of the funds shall be provided to the Consortium for Worker Education, Inc. to act or continue to act as the administrator to implement the program proposed by the union child care coalition of the NYS AFL-CIO and approved by the office of children and family services. The administrative cost of this pilot program shall not exceed ten percent of the funds available for this purpose. The remaining portion of the funds shall be allocated by the office of children and family services to the local social services district where the recipient families reside as determined by the project administrator based on projected need and cost of providing child care subsidies payment to working families enrolled through the pilot initiative. Child care subsidies paid on behalf of eligible families shall be reimbursed at the actual cost of care up to the applicable market rate for the district in which child care is provided and in accordance with the fee schedule of the social services district making the subsidy payment.

For transfer consistent with transfer authority contained in a chapter of the laws of 2008 enacting the executive budget to credit the office of children and family services federal health and human services fund-265 local assistance, federal day care account for the child care facilitated enrollment pilot programs. Notwithstanding any inconsistent provision of law, the funds appropriated herein shall be available for expenses associated with the continued operation of the child care facilitated enrollment pilot programs which expand access to child care subsidies for working families residing or employed in the senate designated portion of Queens with income up to two hundred seventy-five percent of the federal poverty level.

Of the amount appropriated herein, $1,000,000 shall be made available for the senate designated portion of Queens. Provided however that up to $100,000 shall be made available to the Consortium for Worker Education, Inc., or other designated administrator, to administer such county's program in accordance with a plan approved by the

office of children and family services for the pilot programs in the senate designated portion of Queens in consultation with the advisory council.

The administrator shall prepare and submit to the office of children and family services, the chair of the senate committee on social services, children and families, the chair of the senate labor committee, the assembly committee on children and families, and the assembly committee on social services, an evaluation of this pilot program with recommendations.

Such evaluation shall include available information regarding the pilot programs or participants in the pilot programs, including but not limited to: the number of income-eligible children of working parents with income greater than two hundred percent but at or less than two hundred seventy-five percent of the federal poverty level, the ages of the children served by the project, the number of families served by the project who are in receipt of family assistance, the factors that parents considered when searching for child care, the factors that barred the families' access to child care assistance prior to their enrollment in the facilitated enrollment program, the number of families who receive a child care subsidy pursuant to this program who choose to use such subsidy for regulated child care, and the number of families who receive a child care subsidy pursuant to this program who choose to use such subsidy to receive child care services provided by a legally exempt provider.

Such report shall be submitted by the applicable project administrator, on or before November 1, 2008, provided that if such report is not received by November 30, 2008, reimbursement for administrative costs shall be either reduced or withheld, and failure of an administrator to submit a timely report may jeopardize such administrator's program from receiving funding in future years.

The administrative cost, including the cost of the development of the evaluation of the pilot programs, shall not exceed ten percent of the funds available for this purpose. The remaining portion of the funds shall be allocated by the office of children and family services to the local social services districts where the recipient families reside as determined by the project administrator based on projected needs and cost of providing child care subsidy payments to working families enrolled in the child care subsidy program through the pilot initiative, provided however a local social services district located in a city with a population of one million or more, shall not reimburse subsidy payments in excess of the amount the subsidy funding appropriated herein can support.

Child care subsidies paid on behalf of eligible families shall be reimbursed at the actual cost of care up to the applicable market rate for the district in which the child care is provided, for subsidy payments made from [August 1,] APRIL 1, 2008 through [July 31,] MARCH 31, 2009 in accordance with the fee schedule of the social services district making the subsidy payments. The administrator for this pilot project is required to submit monthly reports that provide current enrollment and information including, but not

limited to, the amount of the approved subsidy level, the level of co-payment by the social services district required for the participants in the program, the program's adopted budget reflecting all expenses including salaries and other information as needed, to the office of children and family services, the senate chairs of the committee on social services, children and families, the senate committee on labor, the assembly chairs of the committee on children and families, the assembly committee on social services, the local social services district and for projects located in a city having a population of one million or more to the administration for children's services. Provided however that if such monthly reports are not received from an administrator, reimbursement for administrative cost shall be either reduced or withheld and failure of an administrator to submit a timely report may jeopardize such administrator's program from receiving funding in future years. The office of children and family services shall provide technical assistance to the pilot program to assist in timely coordination with the monthly claiming process.

Notwithstanding any other provision of law, the pilot program maintained herein may be terminated if the administrator for such program mismanages such program, by engaging in actions including but not limited to, improper use of funds, providing for child care subsidies in excess of the amount the subsidy funding appropriated herein can support, and failing to submit claims for reimbursement in a timely fashion ... 1,000,000 ..... (re. $900,000)

The appropriation made by chapter 53, section 1, of the laws of 2008, to the specialized services program is hereby transferred and reappropriated to the employment and economic support program:

For enhanced services to refugees, asylees and other immigrant populations eligible for refugee services to assist such individuals and families to attain economic self-sufficiency and reduce or eliminate reliance on public assistance benefits as a primary means of support. Such services shall include, but not be limited to, case management, English-as-a-second-language, job training and placement assistance, post-employment services necessary to ensure job retention, and services necessary to assist the individual and family members to establish and maintain a permanent residence in New York state. Services funded through this appropriation shall be made available only to individuals and families eligible for benefits under the state plan for the temporary assistance for needy families block grant whose incomes do not exceed 200 percent of the federal poverty level and, unless such eligible individual or family is also in receipt of family assistance benefits, shall not constitute "assistance" as defined in federal regulations. Funds appropriated herein shall, to the extent permitted by federal law and regulations, be awarded at the discretion of the commissioner of the office of temporary and disability assistance to voluntary refugee resettlement agencies and/or local representatives of such agencies currently under contract with the office of temporary and disability assistance to provide services to refugee populations and individual

awards shall be made proportionately based on the number of refugees each organization resettled in the previous five year period based on the most recent five year data published by the federal department of health and human services office of refugee resettlement or its contractor. Of the amounts appropriated herein, up to $1,187,500 shall be made available to organizations providing services to refugees settling in New York city and all remaining moneys shall be awarded to organizations providing such services to refugees settling in other geographic locations ... 1,425,000 ..... (re. $67,000)

The appropriation made by chapter 53, section 1, of the laws of 2007, to the temporary and disability assistance program is hereby transferred and reappropriated to the employment and economic support program:

For services and expenses under the temporary assistance for needy families block grant, including but not limited to the family assistance program, emergency assistance to families program, safety net program, and other eligible public assistance expenses.

Such funds are to be available for payment of aid heretofore accrued or hereafter to accrue to municipalities. Subject to the approval of the director of the budget, such funds shall be available to the department of family assistance net of disallowances, refunds, reimbursements, and credits including, but not limited to, additional federal funds resulting from any changes in federal cost allocation methodologies.

Notwithstanding any inconsistent provision of law, the amount herein appropriated may be increased or decreased by interchange with any other appropriation within the department of family assistance office of temporary and disability assistance and office of children and family services federal fund - local assistance account with the approval of the director of the budget, who shall file such approval with the department of audit and control and copies thereof with the chairman of the senate finance committee and the chairman of the assembly ways and means committee.

Funds appropriated herein, as matched by state and local funds in accordance with section 153 of the social services law, may be used to provide rent supplements at local option to family assistance households and to cases that include a child in receipt of safety net assistance in order to prevent eviction and address homelessness in accordance with social services district plans approved by the office of temporary and disability assistance and the director of the budget, provided, however, that such supplements shall not be part of the standard of need pursuant to section 131-a of the social services law.

Amounts appropriated herein shall, subject to the approval of the director of the budget, be used to reimburse social services districts for 100 percent of the expenditures for foster care made on and after October 1, 2006 provided to children eligible for emergency assistance for families, other than juvenile justice services and other than tuition costs for foster care children who are eligible for emergency assistance for families and are in the custody of

the commissioner of any local social services district with a population in excess of 2,000,000 persons and, subject to the approval of the director of the budget, the commissioner of children and family services, in consultation with the commissioner of labor and the commissioner of temporary and disability assistance, may exclude foster care and foster care administration costs incurred on behalf of children in foster care placements who are at least 19 years of age.

Notwithstanding section 153 of the social services law and any other inconsistent provision of the social services law or this chapter, the commissioner of the office of temporary and disability assistance, upon consultation with the commissioner of the office of children and family services and subject to the approval of the director of the budget, shall reduce federal financial participation in the cost of eligible public assistance expenses, including but not limited to, the family assistance program, the emergency assistance for families program and their administration paid to social services districts by the amount of federal financial participation received by each district for foster care pursuant to this provision and shall require each district to be responsible for 100 percent of the additional non-federal cost that results from such reduction in federal financial participation in an amount not to exceed the actual amount of federal temporary assistance to needy families funds for foster care provided to children eligible for emergency assistance for families pursuant to this appropriation. The commissioner of the office of temporary and disability assistance may require each social services district to make necessary adjustments in claims for eligible public assistance expenses to effectuate the reduction in federal financial participation required herein.

Notwithstanding section 153 of the social services law and any other inconsistent provision of the social services law or this chapter, the commissioner of the office of temporary and disability assistance may not reduce federal financial participation in local administrative expenses for a social services district until the reduction in federal financial participation in all other expenditures for such public assistance programs has been reduced by 95 percent of estimated expenditures otherwise eligible for federal financial participation unless otherwise waived by the commissioner
... 1,103,182,000 ..... (re. $351,425,000)

For allocation to local social services districts, notwithstanding any inconsistent provision of law, and without state or local financial participation, for costs of operating 2007 summer youth programs providing full wage subsidy paid summer employment and associated supportive services to eligible individuals with families under the state plan for the temporary assistance for needy families block grant whose incomes do not exceed 200 percent of the federal poverty level, provided that such services to eligible persons not in receipt of public assistance shall not constitute "assistance" under applicable federal regulations, and provided further that no more than 15 percent of the funds made available herein may be used for program administration. Funds appropriated herein shall be allocated

to local social services districts in accordance with a methodology that shall be based on allocations for the prior state fiscal year and on a district's relative share of persons aged 14 to 20 living in households whose incomes do not exceed 200 percent of the federal poverty level. At the request of social services districts, a portion of the funds so appropriated may be retained by the office of temporary and disability assistance for the continuation of state-wide summer youth contracts or to provide centralized administrative services, including but not limited to issuing requests for proposals, entering into and processing contracts, and providing vendor payments. At the request of local social services districts, funds not used for costs of the summer youth program, including those costs related to the increase to the state minimum wage, may be transferred to the credit of the district's allocation of the flexible fund for family services; provided, however, that a minimum of $32,000,000 will be used for the 2007 summer youth program ..... 35,000,000 ..... (re. $400,000)

For allocation to local social services districts to first provide intensive case services to families who are in receipt of public assistance and whose cases are in sanction status due to noncompliance with participation in countable federal work activities. Such services shall include, but not be limited to, clarification of information regarding the reason for the sanction and the methods for curing the sanction, a needs assessment regarding non-compliance that addresses barriers to compliance, assessment of any material needs that require immediate attention, and the development of a plan to bring the family into compliance, including information about any community-based services that may help to address the family's needs and help to bring the family into compliance. Such services may be provided through mailed notices, office appointments, home visits, or telephone contact, provided, however, that local districts shall use alternative means for contacting families, such as telephone contact or home visits, if the family is not responsive to letters requiring them to attend an office appointment. In the event that all sanctioned cases have been adequately addressed, similar intensive case services may be provided to other families who are in receipt of public assistance and who, although not in sanction status, are not meeting the requirements of section 335-b of the social services law. Local districts that seek to obtain a portion of the available funds must submit a plan to the office of temporary and disability assistance by July 31, 2007, that includes a description of how intensive case services will be provided to families in sanction status, including other families not in sanction status and not meeting countable federal work activity requirements. The office of temporary and disability assistance shall complete the approval process for such plans and determine and release each approved district's allocation by September 1, 2007. Allocation of such funds shall be based solely upon the number of temporary assistance cases that are not in compliance with required participation in countable federal work activities in each local social services district with an approved plan as a percentage of

such cases statewide in districts with approved plans ..... 14,000,000 ..... (re. $1,204,000)

For services and expenses of programs providing literacy training and English as a second language instruction to individuals and families who, upon determination of eligibility for such services, are in receipt of public assistance and are eligible for services under the temporary assistance for needy families block grant who lack a literacy level equivalent to the ninth month of the eighth grade or have English language proficiency equal to a score of 34 or less on the NYS PLACE test or an equivalent score on a comparable test. Providers may include community colleges or, in counties outside of New York city, may also include BOCES or local school districts which have experience operating state or federally funded literacy and/or English proficiency programs. These providers may provide services directly or subcontract to organizations similarly experienced ... 1,000,000 ..... (re. $917,000)

For services and expenses of programs including but not limited to, workplace literacy instruction and intergenerational education models, designed to increase the literacy and work preparedness of eligible individuals and families under the state plan for the federal temporary assistance to needy families block grant whose incomes do not exceed 200 percent of the federal poverty level, provided, that such funds may be awarded to applicants without prior experience operating literacy programs ..... 1,000,000 ..... (re. $1,000,000)

For services and expenses of programs which offer English as a second language instruction for eligible individuals and families under the state plan for the federal temporary assistance for needy families block grant whose incomes do not exceed 200 percent of the federal poverty level. Such monies may be awarded to applicants without prior experience operating English as a second language instruction programs, and shall be used for programs operated by not-for-profit organizations that operate in a geographic area with a high concentration of individuals and families eligible for services under the federal temporary assistance for needy families block grant and that provide such services and programs in a manner that appropriately addresses the specific linguistic and cultural needs of the participants. To the extent feasible, preference shall be given to applicants who will certify that a portion of their curriculum will address language skill needs of non-English speaking workers as they relate to workplace safety issues ..... 2,000,000 ..... (re. $1,308,000)

For services and expenses of wheels for work programs to assist such eligible individuals and families to procure, repair, finance, and/or insure vehicles needed for transportation to and from employment or allowable work activities to attain or maintain self-sufficiency ... 4,000,000 ..... (re. $209,000)

For services and expenses related to the Rochester-Genesee Regional Transportation Authority for the provision of transportation services to eligible individuals and families under the state plan for the temporary assistance for needy families block grant whose

incomes do not exceed 200 percent of the federal poverty level, for the purpose of transportation to and from employment or other allowable activities; provided however, that unless the eligible individual or family is in receipt of public assistance, receipt of such transportation services may not constitute assistance under federal regulations governing the temporary assistance for needy families block grant ... 2,000,000 ..... (re. $149,000)

For services and expenses related to the Centro of Oneida for the implementation of programs, or the provision of additional transportation services to such eligible individuals and families, for the purpose of transportation to and from employment or other allowable work activities ... 100,000 ..... (re. $28,000)

For services and expenses, in accordance with a memorandum of understanding between the state education department, office of vocational and education department services for individuals with disabilities (VESID) and the office of temporary and disability assistance, for work activities for eligible individuals and families under the state plan for the federal temporary assistance for needy families block grant whose incomes do not exceed 200 percent of the federal poverty level, and to provide comprehensive, intensive services to assist such individuals with disabilities in achieving employment. To the extent allowable, such allocation shall be used for work activities that can be credited toward the participation rate requirements set forth in the federal personal responsibility and work opportunity reconciliation act of 1996 ..... 1,500,000 ..... (re. $1,500,000)

For services and expenses of a wage subsidy demonstration program for eligible individuals and families under the state plan for the federal temporary assistance for needy families block grant whose incomes do not exceed 200 percent of the federal poverty level. Eligible not-for-profit community based organizations in social services districts shall administer a program that enables employers to offer subsidized employment, including but not limited to, expanded supportive transitional work activities for such eligible individuals and families consistent with the provisions of section 336-e and section 336-f of the social services law, as applicable. Provided that, of the $4,000,000, not less that $2,500,000 shall be for programs in social services districts with a population in excess of 2,000,000. Preference shall be given to proposals that include provisions for job retention, case management and job placement services. Participation in the program by such eligible individuals and families shall be limited to one year. Participating employers shall make reasonable efforts to retain individuals served by the program ... 4,000,000 ..... (re. $1,837,000)

For services and expenses related to a supportive housing program for families and for young adults age 18 to 25, who are eligible for benefits under the state plan for the federal temporary assistance for needy families block grant, whose incomes do not exceed 200 percent of the federal poverty level and, unless in receipt of public assistance, whose participation in such a program would not constitute "assistance" under federal temporary assistance for needy

families block grant regulations. Such supportive housing program shall be designed to enhance the employability, self-sufficiency, and/or family stability of residents, and prevent out-of-wedlock pregnancies among young adult residents. Eligible families shall include: homeless families; families at risk of exceeding, and those that have exceeded, their TANF assistance time limit; families with multiple barriers to employment and housing stability; families at risk for foster care placement; and those that are reunited after placements. Eligible young adults shall include: young adults aging out of the foster care system; runaway and homeless youths; and youth subject to criminal charges who are at risk for incarceration. Provided that, of the $5,000,000 up to $1,000,000 shall be available to continue existing services or to expand services provided to eligible young adults ... 5,000,000 ..... (re. $576,000)

For services and expenses related to the homelessness intervention program for eligible individuals and families under the state plan for the federal temporary assistance for needy families block grant whose incomes do not exceed 200 percent of the federal poverty level. These funds shall be available to not-for-profit organizations designed to provide services to prevent homelessness or to secure permanent housing, including but not limited to landlord/tenant conflict resolution, legal services, outreach and referral for other eligible services and benefits to stabilize households, and relocation assistance ..... 4,000,000 ..... (re. $2,227,000)

For services and expenses of the NYS AFL-CIO Workforce Development Institute to provide education and training programs in collaboration with New York state community colleges ..... 400,000 ..... (re. $400,000)

The appropriation made by chapter 53, section 1, of the laws of 2007, to the transitional supports and policy program is hereby transferred and reappropriated to the employment and economic support program:

For services and expenses of a demonstration program to provide enhanced services to refugees, asylees and other immigrant populations eligible for refugee services to assist such individuals and families to attain economic self-sufficiency and reduce or eliminate reliance on public assistance benefits as a primary means of support. Such services shall include, but not be limited to, case management, English-as-a-second-language, job training and placement assistance, post-employment services necessary to ensure job retention, and services necessary to assist the individual and family members to establish and maintain a permanent residence in New York state. Services funded through this appropriation shall be made available only to individuals and families eligible for benefits under the state plan for the temporary assistance for needy families block grant whose incomes do not exceed 200 percent of the federal poverty level and, unless such eligible individual or family is also in receipt of family assistance benefits, shall not constitute "assistance" as defined in federal regulations. Funds appropriated herein shall, to the extent permitted by federal law and regu-

lations, be awarded at the discretion of the commissioner of the office of temporary and disability assistance to voluntary refugee resettlement agencies and/or local representatives of such agencies currently under contract with the office of temporary and disability assistance to provide services to refugee populations and individual awards shall be made proportionately based on the number of refugees each organization resettled in the previous five year period based on the most recent five year data published by the federal department of health and human services office of refugee resettlement or its contractor. Of the amounts appropriated herein, up to $1,187,500 shall be made available to organizations providing services to refugees settling in New York city and all remaining moneys shall be awarded to organizations providing such services to refugees settling in other geographic locations .....

By chapter 53, section 1, of the laws of 2008, as amended by chapter 496, section 3, of the laws of 2008:

Funds appropriated herein shall be available for aid to municipalities and for payments to the federal government for expenditures made pursuant to the social services law and the state plan for individual and family grant program under the disaster relief act of 1974.

The amounts appropriated herein shall be available for reimbursement of local district claims only to the extent that such claims are submitted within 24 months of the last day of the state fiscal year in which the expenditures were incurred.

Notwithstanding any inconsistent provision of law, in lieu of payments authorized by the social services law, or payments of federal funds otherwise due to the local social services districts for programs provided under the federal social security act or the federal food stamp act, funds herein appropriated, in amounts certified by the state commissioner or the state commissioner of health as due from local social services districts each month as their share of payments made pursuant to section 367-b of the social services law may be set aside by the state comptroller in an interest-bearing account with such interest accruing to the credit of the locality in order to ensure the orderly and prompt payment of providers under section 367-b of the social services law pursuant to an estimate provided by the commissioner of health of each local social services district's share of payments made pursuant to section 367-b of the social services law.

Such funds are to be available for payment of aid heretofore accrued or hereafter to accrue to municipalities. Subject to the approval of the director of the budget, such funds shall be available to the office of temporary and disability assistance program, net of disallowances, refunds, reimbursements, and credits including, but not limited to, additional federal funds resulting from any changes in federal cost allocation methodologies.

Notwithstanding any inconsistent provision of law, the amount herein appropriated may be increased or decreased by interchange with any other appropriation within the department of family assistance, office of temporary and disability assistance and office of children and family services general fund - local assistance account with the approval of the director of the budget, who shall file such approval

with the department of audit and control and copies thereof with the chairman of the senate finance committee and the chairman of the assembly ways and means committee.

Of the amount appropriated herein, pursuant to title 2 of article 2-A of the social services law, $20,880,000 shall be made available for 50 percent reimbursement of expenditures made by a social services district or a not-for-profit corporation for supportive service subsidies for single room occupancy housing for homeless individuals, provided, however, that the amount of this appropriation available for expenditure and disbursement on and after September 1, 2008 shall be reduced by six percent of the amount that was undisbursed as of August 15, 2008. Subject to a plan approved by the director of the budget, up to $250,000 of the funds appropriated herein, may be used by the office of temporary and disability assistance through contract, for technical assistance to organizations operating or supervising the operation of a single room occupancy program.

Of the amount appropriated herein, subject to the approval of the director of the budget, up to $3,920,000 shall be used to reimburse 75 percent of the approved costs for homeless intervention program activities pursuant to title 4 of article 2-A of the social services law, provided, however, that the amount of this appropriation available for expenditure and disbursement on and after September 1, 2008 shall be reduced by six percent of the amount that was undisbursed as of August 15, 2008. Notwithstanding any other inconsistent provision of law, social services districts or contractors, as a condition of receiving such funds herein appropriated, shall provide 25 percent cash or in-kind share. Funding provided for herein shall not supplant existing federal, state or local funding.

Notwithstanding section 153 of the social services law or any other inconsistent provision of law, funds appropriated herein shall be used to reimburse local district adult shelter expenditures such that the total amount reimbursed by the state in 2008-09, as determined or adjusted by the state office of temporary and disability assistance and approved by the director of the budget, does not exceed $80,343,000 for New York city, or the total amount reimbursed for comparable expenditures in the 2007-08 state fiscal year, whichever is less. The amount reimbursed for comparable expenditures in 2008-09 also shall not exceed the amount as determined and adjusted by the state office of temporary and disability assistance and approved by the director of the budget for reimbursement for comparable expenditures in 1990-91 or 1991-92 state fiscal year; in determining or adjusting local district adult shelter expenditures for purposes of calculating reimbursement payable under this appropriation, the office shall have the authority to restrict transfer of costs between categories including, but not limited to, maintenance costs and administrative costs. The office, subject to the approval of the director of the budget, shall reduce the rate of reimbursement for local district adult shelter expenditures as necessary to implement reimbursement limitations set forth above and may approve reimbursement in excess of such limitation for costs

associated with a court mandated plan to improve shelter conditions for medically frail persons and for additional costs incurred as part of a plan to reduce overcrowding in congregate shelters, provided, however, that the total amount of such additional state reimbursement shall not exceed $10,000,000, provided, however, that the amount of this appropriation available for expenditure and disbursement on and after September 1, 2008 shall be reduced by six percent of the amount that was undisbursed as of August 15, 2008 ... 118,880,000 ..... Notwithstanding any other provisions of law to the contrary, a portion of the funds appropriated herein may, subject to the approval of the director of the budget, be made available to support the costs of a demonstration program pursuant to section 358 of the social services law as amended by chapter 436 of the laws of 1997.

Notwithstanding any inconsistent provision of law, in lieu of payments authorized by the social services law, or payments of federal funds otherwise due to the local social services districts for programs provided under the federal social security act or the federal food stamp act, funds herein appropriated, in amounts certified by the state commissioner or the state commissioner of health as due from local social services districts each month as their share of payments made pursuant to section 367-b of the social services law may be set aside by the state comptroller in an interest-bearing account with such interest accruing to the credit of the locality in order to ensure the orderly and prompt payment of providers under section 367-b of the social services law pursuant to an estimate provided by the commissioner of health of each local social services district's share of payments made pursuant to section 367-b of the social services law.

Funds appropriated herein shall be available for aid to municipalities and for payments to the federal government for expenditures made pursuant to the social services law and the state plan for individual and family grant program under the disaster relief act of 1974.

Such funds are to be available for payment of aid heretofore accrued or hereafter to accrue to municipalities. Subject to the approval of the director of the budget, such funds shall be available to the department net of disallowances, refunds, reimbursements, and credits.

Of the amount appropriated herein, up to $3,000,000 may be transferred to the state operations account of the office of temporary and disability assistance for personal service and nonpersonal service costs associated with the administration of refugee assistance programs.

Notwithstanding any inconsistent provision of law, of the amount appropriated herein, up to $1,532,000 may, subject to available additional federal grant award and a plan approved by the director of the budget, be transferred to the credit of the state operations federal health and human services fund, refugee resettlement account for program services including but not necessarily limited to health screening, language interpretation and information tracking services.

Notwithstanding any inconsistent provision of law, funds appropriated herein, subject to the approval of the director of the budget and in accordance with a memorandum of understanding between the office of temporary and disability assistance and the department of health, may be transferred or suballocated to the department of health for

services and expenses related to the refugee health resettlement assessment program.

For tuition assistance awards, including part-time TAP, provided to eligible students as defined in section 667 of the education law and as further defined in rules and regulations adopted by the regents upon the recommendation of the commissioner of education and distributed in accordance with rules and regulations adopted by the trustees of the higher education services corporation upon the recommendation of the president and approval of the director of the budget.

The moneys hereby appropriated shall be available for expenses already accrued or to accrue and shall include refunds, reimbursements, credits and moneys received by the higher education services corporation as repayments of past tuition assistance program disbursements in accordance with audit allowances, upon approval of the director of the budget, for transfer to the federal department of education fund appropriation of the state grant programs in order to reduce state cost should additional federal assistance become available in the 2010-2011 state fiscal year.

Notwithstanding any other provision of law, during the fiscal year commencing April 1, 2010, additional awards due and payable to eligible students for accelerated study shall be deferred until October 1, 2011. Such additional awards shall be adjusted on a pro rata basis pursuant to section 667 of the education law. However, nothing contained herein shall prevent the payment of such awards prior to October 1, 2011 should additional funds be provided therefor.

Notwithstanding subdivision 3 of section 667 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided that no awards shall exceed $4,000 for undergraduate students enrolled in a program of study at a public or non-public degree-granting institution that does not offer a program of study that leads to a baccalaureate degree, or at a registered not-for-profit business school qualified for tax exemption under section 501(c)(3) of the internal revenue code for federal

income tax purposes that does not offer a program of study that leads to a baccalaureate degree; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting such students to remain on the current tuition assistance program award schedule, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 3 of section 667 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided that each award shall be reduced by a total of $75 or by the actual award when such award is less than $75. Such award reduction shall be applied proportionately to reduce awards for each semester, trimester, quarter or other term of attendance during which a student receives an award in the academic year; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting the restoration of $75 to each tuition assistance program award or the actual award when such award is less than $75, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 1 of section 663 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided that any pension and annuity income excluded for purposes of taxation pursuant to paragraph 3-a of subsection c of section 612 of tax law shall be included in the definition of income for purposes of such subdivision; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting the exclusion of pension and annuity income for purposes of taxation pursuant to paragraph 3-a of subsection c of section 612 of tax law in the definition of income for purposes of subdivision 1 of section 663 of the education law, then the provisions of this paragraph shall not apply and shall be

considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 665 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided however, that for students not enrolled in a program of remedial study approved by the commissioner first receiving aid in 2007-2008, and thereafter, and enrolled in four-year or five-year undergraduate programs whose terms are organized in semesters, awards shall not be made available from the amounts appropriated herein to any student who fails to make satisfactory progress toward the completion of the program's academic requirements, measured by accruing the following minimum number of credits and grade point average to maintain eligibility for awards provided in accordance with section 667 of the education law, as follows: 6 credits and a 1.5 grade point average prior to being certified for the second semester payment; 15 credits and a 1.8 grade point average prior to being certified for the third semester payment; 30 credits and a 2.0 grade point average prior to being certified for the fourth semester payment; 45 credits and a 2.0 grade point average prior to being certified for the fifth semester payment; 60 credits and a 2.0 grade point average prior to being certified for the sixth semester payment; 75 credits and a 2.0 grade point average prior to being certified for the seventh semester payment; 90 credits and a 2.0 grade point average prior to being certified for the eighth semester payment; 105 credits and a 2.0 grade point average prior to being certified for the ninth semester payment; and 120 credits and a 2.0 grade point average prior to being certified for the tenth semester payment; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting non-remedial students to remain on the current academic standards schedule for tuition assistance program award purposes, then the provisions of this paragraph

shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 665 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided however, that for students not enrolled in a program of remedial study approved by the commissioner first receiving aid in 2007-2008, and thereafter, and enrolled in two-year undergraduate programs whose terms are organized in semesters, awards shall not be made available from the amounts appropriated herein to any student who fails to make satisfactory progress toward the completion of the program's academic requirements, measured by accruing the following minimum number of credits and grade point average to maintain eligibility for awards provided in accordance with section 667 of the education law, as follows: 6 credits and a 1.5 grade point average prior to being certified for the second semester payment; 15 credits and a 1.8 grade point average prior to being certified for the third semester payment; 30 credits and a 2.0 grade point average prior to being certified for the fourth semester payment; 45 credits and a 2.0 grade point average prior to being certified for the fifth semester payment; and 60 credits and a 2.0 grade point average prior to being certified for the sixth semester payment; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting non-remedial students to remain on the current academic standards schedule for tuition assistance program award purposes, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 665 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided however, that for students not enrolled in a program of remedial study approved by the commissioner first receiving aid in 2007-2008, and thereafter, and enrolled in four-year or five-year undergraduate

programs whose terms are organized in trimesters, awards shall not be made available from the amounts appropriated herein to any student who fails to make satisfactory progress toward the completion of the program's academic requirements, measured by accruing the following minimum number of credits and grade point average to maintain eligibility for awards provided in accordance with section 667 of the education law, as follows: 4 credits and a 1.3 grade point average prior to being certified for the second trimester payment; 10 credits and a 1.5 grade point average prior to being certified for the third trimester payment; 15 credits and a 1.8 grade point average prior to being certified for the fourth trimester payment; 25 credits and a 1.8 grade point average prior to being certified for the fifth trimester payment; 35 credits and a 2.0 grade point average prior to being certified for the sixth trimester payment; 45 credits and a 2.0 grade point average prior to being certified for the seventh trimester payment; 55 credits and a 2.0 grade point average prior to being certified for the eighth trimester payment; 65 credits and a 2.0 grade point average prior to being certified for the ninth trimester payment; 75 credits and a 2.0 grade point average prior to being certified for the tenth trimester payment; 85 credits and a 2.0 grade point average prior to being certified for the eleventh trimester payment; 95 credits and a 2.0 grade point average prior to being certified for the twelfth trimester payment; 105 credits and a 2.0 grade point average prior to being certified for the thirteenth trimester payment; 115 credits and a 2.0 grade point average prior to being certified for the fourteenth trimester payment; and 120 credits and a 2.0 grade point average prior to being certified for the fifteenth trimester payment; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting non-remedial students to remain on the current academic standards schedule for tuition assistance program award

purposes, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 665 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided however, that for students not enrolled in a program of remedial study approved by the commissioner first receiving aid in 2007-2008, and thereafter, and enrolled in two-year undergraduate programs whose terms are organized in trimesters, awards shall not be made available from the amounts appropriated herein to any student who fails to make satisfactory progress toward the completion of the program's academic requirements, measured by accruing the following minimum number of credits and grade point average to maintain eligibility for awards provided in accordance with section 667 of the education law, as follows: 2 credits and a 1.3 grade point average prior to being certified for the second trimester payment; 6 credits and a 1.5 grade point average prior to being certified for the third trimester payment; 15 credits and a 1.8 grade point average prior to being certified for the fourth trimester payment; 25 credits and a 1.8 grade point average prior to being certified for the fifth trimester payment; 35 credits and a 2.0 grade point average prior to being certified for the sixth trimester payment; 45 credits and a 2.0 grade point average prior to being certified for the seventh trimester payment; 55 credits and a 2.0 grade point average prior to being certified for the eighth trimester payment; and 60 credits and a 2.0 grade point average prior to being certified for the ninth trimester payment; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting non-remedial students to remain on the current academic standards schedule for tuition assistance program award purposes, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding any provision of law to the contrary, funds appropriated herein shall be made available for awards in the 2010-2011 academic year provided that no award shall be made available from the amounts appropriated herein to any student enrolled in a program of graduate study; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting tuition assistance program awards for students enrolled in a program of graduate study, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 661 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year provided that a student who is in default on a student loan made under any statutory New York state or federal education loan program shall be ineligible to receive any award or loan pursuant to section 667 of the education law until the student cures the default status pursuant to applicable law and regulation, and provided further that a student who has failed to comply with the terms of any service condition imposed by an award made pursuant to section 667 of the education law or has failed to repay an award made as required by paragraph a of subdivision 4 of section 665 of the education law, shall be ineligible to receive any award or loan pursuant to section 667 of the education law so long as such failure to comply or repay continues; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting such students to remain eligible to receive a tuition assistance program award, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding item 1 of clause A of subparagraph i of paragraph a of subdivision 3 of section 667 of the education law, tuition assistance program awards for students who have been granted exclusion of parental income who have a spouse but no other dependent shall be calculated in

accordance with the award schedule pursuant to subparagraph iii of paragraph a of subdivision 3 of section 667 of the education law, except that the base amount, as determined in subparagraph i of such paragraph, shall be reduced by 7 percent of excess over $7,000 if the amount of income is $7,000 or more, but less than $11,000, and except that such base amount shall be reduced by $280 plus ten percent of excess over $11,000 if the amount of income is $11,000 or more, but less than $18,000, and except that such base amount shall be reduced by $980 plus 12 percent of excess over $18,000 if the amount of income is $18,000 or more, but not more than $40,000, and except that there shall be no tuition assistance program award for such students if the amount of income is $40,000 or more; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of providing that the tuition assistance award calculation for students who have been granted exclusion of parental income who have a spouse but no other dependent to be calculated in accordance with the award schedule pursuant to item 1 of clause A of subparagraph i of paragraph a of subdivision 3 of section 667 of the education law, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010 825,048,000

For payment of tuition assistance. Notwithstanding subdivision 3 of section 667 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided that no awards shall exceed $4,000 for

undergraduate students enrolled in a program of study at a public or non-public degree-granting institution that does not offer a program of study that leads to a baccalaureate degree, or at a registered not-for-profit business school qualified for tax exemption under section 501(c)(3) of the internal revenue code for federal income tax purposes that does not offer a program of study that leads to a baccalaureate degree; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting such students to remain on the current tuition assistance program award schedule, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 3 of section 667 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided that each award shall be reduced by a total of $75 or by the actual award when such award is less than $75. Such award reduction shall be applied proportionately to reduce awards for each semester, trimester, quarter or other term of attendance during which a student receives an award in the academic year; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting the restoration of $75 to each tuition assistance program award or the actual award when such award is less than $75, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 1 of section 663 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided that any pension and annuity income excluded for purposes of taxation pursuant to paragraph 3-a of subsection c of section 612 of tax law shall be included in the definition of income for purposes of such subdivision; provided further that, if this chapter appropriates sufficient additional funds for the specified

purpose of permitting the exclusion of pension and annuity income for purposes of taxation pursuant to paragraph 3-a of subsection c of section 612 of tax law in the definition of income for purposes of subdivision 1 of section 663 of the education law, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 665 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided however, that for students not enrolled in a program of remedial study approved by the commissioner first receiving aid in 2007-2008, and thereafter, and enrolled in four-year or five-year undergraduate programs whose terms are organized in semesters, awards shall not be made available from the amounts appropriated herein to any student who fails to make satisfactory progress toward the completion of the program's academic requirements, measured by accruing the following minimum number of credits and grade point average to maintain eligibility for awards provided in accordance with section 667 of the education law, as follows: 6 credits and a 1.5 grade point average prior to being certified for the second semester payment; 15 credits and a 1.8 grade point average prior to being certified for the third semester payment; 30 credits and a 2.0 grade point average prior to being certified for the fourth semester payment; 45 credits and a 2.0 grade point average prior to being certified for the fifth semester payment; 60 credits and a 2.0 grade point average prior to being certified for the sixth semester payment; 75 credits and a 2.0 grade point average prior to being certified for the seventh semester payment; 90 credits and a 2.0 grade point average prior to being certified for the eighth semester payment; 105 credits and a 2.0 grade point average prior to being certified for the ninth semester payment; and 120 credits and a 2.0 grade point average prior to being certified for the tenth semester payment;

provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting non-remedial students to remain on the current academic standards schedule for tuition assistance program award purposes, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 665 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided however, that for students not enrolled in a program of remedial study approved by the commissioner first receiving aid in 2007-2008, and thereafter, and enrolled in two-year undergraduate programs whose terms are organized in semesters, awards shall not be made available from the amounts appropriated herein to any student who fails to make satisfactory progress toward the completion of the program's academic requirements, measured by accruing the following minimum number of credits and grade point average to maintain eligibility for awards provided in accordance with section 667 of the education law, as follows: 6 credits and a 1.5 grade point average prior to being certified for the second semester payment; 15 credits and a 1.8 grade point average prior to being certified for the third semester payment; 30 credits and a 2.0 grade point average prior to being certified for the fourth semester payment; 45 credits and a 2.0 grade point average prior to being certified for the fifth semester payment; and 60 credits and a 2.0 grade point average prior to being certified for the sixth semester payment; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting non-remedial students to remain on the current academic standards schedule for tuition assistance program award purposes, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 665 of the education law, funds appropriated

herein shall be made available for awards in the 2010-2011 academic year, provided however, that for students not enrolled in a program of remedial study approved by the commissioner first receiving aid in 2007-2008, and thereafter, and enrolled in four-year or five-year undergraduate programs whose terms are organized in trimesters, awards shall not be made available from the amounts appropriated herein to any student who fails to make satisfactory progress toward the completion of the program's academic requirements, measured by accruing the following minimum number of credits and grade point average to maintain eligibility for awards provided in accordance with section 667 of the education law, as follows: 4 credits and a 1.3 grade point average prior to being certified for the second trimester payment; 10 credits and a 1.5 grade point average prior to being certified for the third trimester payment; 15 credits and a 1.8 grade point average prior to being certified for the fourth trimester payment; 25 credits and a 1.8 grade point average prior to being certified for the fifth trimester payment; 35 credits and a 2.0 grade point average prior to being certified for the sixth trimester payment; 45 credits and a 2.0 grade point average prior to being certified for the seventh trimester payment; 55 credits and a 2.0 grade point average prior to being certified for the eighth trimester payment; 65 credits and a 2.0 grade point average prior to being certified for the ninth trimester payment; 75 credits and a 2.0 grade point average prior to being certified for the tenth trimester payment; 85 credits and a 2.0 grade point average prior to being certified for the eleventh trimester payment; 95 credits and a 2.0 grade point average prior to being certified for the twelfth trimester payment; 105 credits and a 2.0 grade point average prior to being certified for the thirteenth trimester payment; 115 credits and a 2.0 grade point average prior to being certified for the fourteenth trimester payment; and 120 credits and a 2.0 grade point average prior to

being certified for the fifteenth trimester payment; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting non-remedial students to remain on the current academic standards schedule for tuition assistance program award purposes, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 665 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided however, that for students not enrolled in a program of remedial study approved by the commissioner first receiving aid in 2007-2008, and thereafter, and enrolled in two-year undergraduate programs whose terms are organized in trimesters, awards shall not be made available from the amounts appropriated herein to any student who fails to make satisfactory progress toward the completion of the program's academic requirements, measured by accruing the following minimum number of credits and grade point average to maintain eligibility for awards provided in accordance with section 667 of the education law, as follows: 2 credits and a 1.3 grade point average prior to being certified for the second trimester payment; 6 credits and a 1.5 grade point average prior to being certified for the third trimester payment; 15 credits and a 1.8 grade point average prior to being certified for the fourth trimester payment; 25 credits and a 1.8 grade point average prior to being certified for the fifth trimester payment; 35 credits and a 2.0 grade point average prior to being certified for the sixth trimester payment; 45 credits and a 2.0 grade point average prior to being certified for the seventh trimester payment; 55 credits and a 2.0 grade point average prior to being certified for the eighth trimester payment; and 60 credits and a 2.0 grade point average prior to being certified for the ninth trimester payment; provided further that, if this chapter appropriates sufficient additional funds

for the specified purpose of permitting non-remedial students to remain on the current academic standards schedule for tuition assistance program award purposes, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding any provision of law to the contrary, funds appropriated herein shall be made available for awards in the 2010-2011 academic year provided that no award shall be made available from the amounts appropriated herein to any student enrolled in a program of graduate study; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting tuition assistance program awards for students enrolled in a program of graduate study, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 661 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year provided that a student who is in default on a student loan made under any statutory New York state or federal education loan program shall be ineligible to receive any award or loan pursuant to section 667 of the education law until the student cures the default status pursuant to applicable law and regulation, and provided further that a student who has failed to comply with the terms of any service condition imposed by an award made pursuant to section 667 of the education law or has failed to repay an award made as required by paragraph a of subdivision 4 of section 665 of the education law, shall be ineligible to receive any award or loan pursuant to section 667 of the education law so long as such failure to comply or repay continues; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting such students to remain eligible to receive a tuition assistance program award, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding item 1 of clause A of subparagraph i of paragraph a of subdivision 3 of section 667 of the education law, tuition assistance program awards for students who have been granted exclusion of parental income who have a spouse but no other dependent shall be calculated in accordance with the award schedule pursuant to subparagraph iii of paragraph a of subdivision 3 of section 667 of the education law, except that the base amount, as determined in subparagraph i of such paragraph, shall be reduced by 7 percent of excess over $7,000 if the amount of income is $7,000 or more, but less than $11,000, and except that such base amount shall be reduced by $280 plus 10 percent of excess over $11,000 if the amount of income is $11,000 or more, but less than $18,000, and except that such base amount shall be reduced by $980 plus 12 percent of excess over $18,000 if the amount of income is $18,000 or more, but not more than $40,000, and except that there shall be no tuition assistance program award for such students if the amount of income is $40,000 or more; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of providing that the tuition assistance award calculation for students who have been granted exclusion of parental income who have a spouse but no other dependent to be calculated in accordance with the award schedule pursuant to item 1 of clause A of subparagraph i of paragraph a of subdivision 3 of section 667 of the education law, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010 5,900,000

For the purposes of the state fiscal stabilization fund-other governmental services fund as funded by the American recovery and reinvestment act of 2009. Funds appropriated herein shall be subject to all applicable reporting and accountability requirements contained in such act.

Funds appropriated herein shall be available for additional tuition assistance awards, including part-time TAP, provided to eligible students as defined in section 667 of the education law and as further defined in rules and regulations adopted by the regents upon the recommendation of the commissioner of education and distributed in accordance with rules and regulations adopted by the trustees of the higher education services corporation upon the recommendation of the president and approval of the director of the budget.

Notwithstanding subdivision 3 of section 667 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided that no awards shall exceed $4,000 for undergraduate students enrolled in a program of study at a public or non-public degree-granting institution that does not offer a program of study that leads to a baccalaureate degree, or at a registered not-for-profit business school qualified for tax exemption under section 501(c)(3) of the internal revenue code for federal income tax purposes that does not offer a program of study that leads to a baccalaureate degree; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting such students to remain on the current tuition assistance program award schedule, then the provisions of this paragraph shall not apply and shall be

considered null and void as of March 31, 2010.

Notwithstanding subdivision 3 of section 667 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided that each award shall be reduced by a total of $75 or by the actual award when such award is less than $75. Such award reduction shall be applied proportionately to reduce awards for each semester, trimester, quarter or other term of attendance during which a student receives an award in the academic year; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting the restoration of $75 to each tuition assistance program award or the actual award when such award is less than $75, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 1 of section 663 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided that any pension and annuity income excluded for purposes of taxation pursuant to paragraph 3-a of subsection c of section 612 of tax law shall be included in the definition of income for purposes of such subdivision; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting the exclusion of pension and annuity income for purposes of taxation pursuant to paragraph 3-a of subsection c of section 612 of tax law in the definition of income for purposes of subdivision 1 of section 663 of the education law, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 665 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided however, that for students not enrolled in a program of remedial study approved by the commissioner first receiving aid in

2007-2008, and thereafter, and enrolled in four-year or five-year undergraduate programs whose terms are organized in semesters, awards shall not be made available from the amounts appropriated herein to any student who fails to make satisfactory progress toward the completion of the program's academic requirements, measured by accruing the following minimum number of credits and grade point average to maintain eligibility for awards provided in accordance with section 667 of the education law, as follows: 6 credits and a 1.5 grade point average prior to being certified for the second semester payment; 15 credits and a 1.8 grade point average prior to being certified for the third semester payment; 30 credits and a 2.0 grade point average prior to being certified for the fourth semester payment; 45 credits and a 2.0 grade point average prior to being certified for the fifth semester payment; 60 credits and a 2.0 grade point average prior to being certified for the sixth semester payment; 75 credits and a 2.0 grade point average prior to being certified for the seventh semester payment; 90 credits and a 2.0 grade point average prior to being certified for the eighth semester payment; 105 credits and a 2.0 grade point average prior to being certified for the ninth semester payment; and 120 credits and a 2.0 grade point average prior to being certified for the tenth semester payment; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting non-remedial students to remain on the current academic standards schedule for tuition assistance program award purposes, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 665 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided however, that for students not enrolled in a program of remedial study approved by the commissioner first receiving aid in 2007-2008, and thereafter, and enrolled in

two-year undergraduate programs whose terms are organized in semesters, awards shall not be made available from the amounts appropriated herein to any student who fails to make satisfactory progress toward the completion of the program's academic requirements, measured by accruing the following minimum number of credits and grade point average to maintain eligibility for awards provided in accordance with section 667 of the education law, as follows: 6 credits and a 1.5 grade point average prior to being certified for the second semester payment; 15 credits and a 1.8 grade point average prior to being certified for the third semester payment; 30 credits and a 2.0 grade point average prior to being certified for the fourth semester payment; 45 credits and a 2.0 grade point average prior to being certified for the fifth semester payment; and 60 credits and a 2.0 grade point average prior to being certified for the sixth semester payment; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting non-remedial students to remain on the current academic standards schedule for tuition assistance program award purposes, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 665 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided however, that for students not enrolled in a program of remedial study approved by the commissioner first receiving aid in 2007-2008, and thereafter, and enrolled in four-year or five-year undergraduate programs whose terms are organized in trimesters, awards shall not be made available from the amounts appropriated herein to any student who fails to make satisfactory progress toward the completion of the program's academic requirements, measured by accruing the following minimum number of credits and grade point average to maintain eligibility for awards provided in accordance with

section 667 of the education law, as follows: 4 credits and a 1.3 grade point average prior to being certified for the second trimester payment; 10 credits and a 1.5 grade point average prior to being certified for the third trimester payment; 15 credits and a 1.8 grade point average prior to being certified for the fourth trimester payment; 25 credits and a 1.8 grade point average prior to being certified for the fifth trimester payment; 35 credits and a 2.0 grade point average prior to being certified for the sixth trimester payment; 45 credits and a 2.0 grade point average prior to being certified for the seventh trimester payment; 55 credits and a 2.0 grade point average prior to being certified for the eighth trimester payment; 65 credits and a 2.0 grade point average prior to being certified for the ninth trimester payment; 75 credits and a 2.0 grade point average prior to being certified for the tenth trimester payment; 85 credits and a 2.0 grade point average prior to being certified for the eleventh trimester payment; 95 credits and a 2.0 grade point average prior to being certified for the twelfth trimester payment; 105 credits and a 2.0 grade point average prior to being certified for the thirteenth trimester payment; 115 credits and a 2.0 grade point average prior to being certified for the fourteenth trimester payment; and 120 credits and a 2.0 grade point average prior to being certified for the fifteenth trimester payment; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting non-remedial students to remain on the current academic standards schedule for tuition assistance program award purposes, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 665 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided however, that for students not enrolled in a program of remedial study approved by

the commissioner first receiving aid in 2007-2008, and thereafter, and enrolled in two-year undergraduate programs whose terms are organized in trimesters, awards shall not be made available from the amounts appropriated herein to any student who fails to make satisfactory progress toward the completion of the program's academic requirements, measured by accruing the following minimum number of credits and grade point average to maintain eligibility for awards provided in accordance with section 667 of the education law, as follows: 2 credits and a 1.3 grade point average prior to being certified for the second trimester payment; 6 credits and a 1.5 grade point average prior to being certified for the third trimester payment; 15 credits and a 1.8 grade point average prior to being certified for the fourth trimester payment; 25 credits and a 1.8 grade point average prior to being certified for the fifth trimester payment; 35 credits and a 2.0 grade point average prior to being certified for the sixth trimester payment; 45 credits and a 2.0 grade point average prior to being certified for the seventh trimester payment; 55 credits and a 2.0 grade point average prior to being certified for the eighth trimester payment; and 60 credits and a 2.0 grade point average prior to being certified for the ninth trimester payment; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting non-remedial students to remain on the current academic standards schedule for tuition assistance program award purposes, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding any provision of law to the contrary, funds appropriated herein shall be made available for awards in the 2010-2011 academic year provided that no award shall be made available from the amounts appropriated herein to any student enrolled in a program of graduate study; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting

tuition assistance program awards for students enrolled in a program of graduate study, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 661 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year provided that a student who is in default on a student loan made under any statutory New York state or federal education loan program shall be ineligible to receive any award or loan pursuant to section 667 of the education law until the student cures the default status pursuant to applicable law and regulation, and provided further that a student who has failed to comply with the terms of any service condition imposed by an award made pursuant to section 667 of the education law or has failed to repay an award made as required by paragraph a of subdivision 4 of section 665 of the education law, shall be ineligible to receive any award or loan pursuant to section 667 of the education law so long as such failure to comply or repay continues; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting such students to remain eligible to receive a tuition assistance program award, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding item 1 of clause A of subparagraph i of paragraph a of subdivision 3 of section 667 of the education law, tuition assistance program awards for students who have been granted exclusion of parental income who have a spouse but no other dependent shall be calculated in accordance with the award schedule pursuant to subparagraph iii of paragraph a of subdivision 3 of section 667 of the education law, except that the base amount, as determined in subparagraph i of such paragraph, shall be reduced by seven per centum of excess over $7,000 if the amount of income is $7,000 or more, but less than $11,000, and except that such base amount shall be reduced by $280 plus 10 percent

of excess over $11,000 if the amount of income is $11,000 or more, but less than $18,000, and except that such base amount shall be reduced by $980 plus 12 percent of excess over $18,000 if the amount of income is $18,000 or more, but not more than $40,000, and except that there shall be no tuition assistance program award for such students if the amount of income is $40,000 or more; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of providing that the tuition assistance award calculation for students who have been granted exclusion of parental income who have a spouse but no other dependent to be calculated in accordance with the award schedule pursuant to item 1 of clause A of subparagraph i of paragraph a of subdivision 3 of section 667 of the education law, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010 49,900,000

For additional tuition assistance awards, including part-time TAP, provided to eligible students as defined in section 667 of the education law and as further defined in rules and regulations adopted by the regents upon the recommendation of the commissioner of education and distributed in accordance with rules and regulations adopted by the trustees of the higher education services corporation upon the recommendation of the president and approval of the director of the budget. Notwithstanding subdivision 3 of section 667 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided that no awards shall exceed $4,000 for undergraduate students enrolled in a program of study at a public or non-public degree-granting institution that does not

offer a program of study that leads to a baccalaureate degree, or at a registered not-for-profit business school qualified for tax exemption under section 501(c)(3) of the internal revenue code for federal income tax purposes that does not offer a program of study that leads to a baccalaureate degree; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting such students to remain on the current tuition assistance program award schedule, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 3 of section 667 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided that each award shall be reduced by a total of $75 or by the actual award when such award is less than $75. Such award reduction shall be applied proportionately to reduce awards for each semester, trimester, quarter or other term of attendance during which a student receives an award in the academic year; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting the restoration of $75 to each tuition assistance program award or the actual award when such award is less than $75, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 1 of section 663 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided that any pension and annuity income excluded for purposes of taxation pursuant to paragraph 3-a of subsection c of section 612 of tax law shall be included in the definition of income for purposes of such subdivision; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting the exclusion of pension and annuity income for purposes of taxation pursuant to paragraph 3-a of

subsection c of section 612 of tax law in the definition of income for purposes of subdivision 1 of section 663 of the education law, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 665 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided however, that for students not enrolled in a program of remedial study approved by the commissioner first receiving aid in 2007-2008, and thereafter, and enrolled in four-year or five-year undergraduate programs whose terms are organized in semesters, awards shall not be made available from the amounts appropriated herein to any student who fails to make satisfactory progress toward the completion of the program's academic requirements, measured by accruing the following minimum number of credits and grade point average to maintain eligibility for awards provided in accordance with section 667 of the education law, as follows: 6 credits and a 1.5 grade point average prior to being certified for the second semester payment; 15 credits and a 1.8 grade point average prior to being certified for the third semester payment; 30 credits and a 2.0 grade point average prior to being certified for the fourth semester payment; 45 credits and a 2.0 grade point average prior to being certified for the fifth semester payment; 60 credits and a 2.0 grade point average prior to being certified for the sixth semester payment; 75 credits and a 2.0 grade point average prior to being certified for the seventh semester payment; 90 credits and a 2.0 grade point average prior to being certified for the eighth semester payment; 105 credits and a 2.0 grade point average prior to being certified for the ninth semester payment; and 120 credits and a 2.0 grade point average prior to being certified for the tenth semester payment; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting

non-remedial students to remain on the current academic standards schedule for tuition assistance program award purposes, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 665 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided however, that for students not enrolled in a program of remedial study approved by the commissioner first receiving aid in 2007-2008, and thereafter, and enrolled in two-year undergraduate programs whose terms are organized in semesters, awards shall not be made available from the amounts appropriated herein to any student who fails to make satisfactory progress toward the completion of the program's academic requirements, measured by accruing the following minimum number of credits and grade point average to maintain eligibility for awards provided in accordance with section 667 of the education law, as follows: 6 credits and a 1.5 grade point average prior to being certified for the second semester payment; 15 credits and a 1.8 grade point average prior to being certified for the third semester payment; 30 credits and a 2.0 grade point average prior to being certified for the fourth semester payment; 45 credits and a 2.0 grade point average prior to being certified for the fifth semester payment; and 60 credits and a 2.0 grade point average prior to being certified for the sixth semester payment; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting non-remedial students to remain on the current academic standards schedule for tuition assistance program award purposes, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 665 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided however, that for students not enrolled in

a program of remedial study approved by the commissioner first receiving aid in 2007-2008, and thereafter, and enrolled in four-year or five-year undergraduate programs whose terms are organized in trimesters, awards shall not be made available from the amounts appropriated herein to any student who fails to make satisfactory progress toward the completion of the program's academic requirements, measured by accruing the following minimum number of credits and grade point average to maintain eligibility for awards provided in accordance with section 667 of the education law, as follows: 4 credits and a 1.3 grade point average prior to being certified for the second trimester payment; 10 credits and a 1.5 grade point average prior to being certified for the third trimester payment; 15 credits and a 1.8 grade point average prior to being certified for the fourth trimester payment; 25 credits and a 1.8 grade point average prior to being certified for the fifth trimester payment; 35 credits and a 2.0 grade point average prior to being certified for the sixth trimester payment; 45 credits and a 2.0 grade point average prior to being certified for the seventh trimester payment; 55 credits and a 2.0 grade point average prior to being certified for the eighth trimester payment; 65 credits and a 2.0 grade point average prior to being certified for the ninth trimester payment; 75 credits and a 2.0 grade point average prior to being certified for the tenth trimester payment; 85 credits and a 2.0 grade point average prior to being certified for the eleventh trimester payment; 95 credits and a 2.0 grade point average prior to being certified for the twelfth trimester payment; 105 credits and a 2.0 grade point average prior to being certified for the thirteenth trimester payment; 115 credits and a 2.0 grade point average prior to being certified for the fourteenth trimester payment; and 120 credits and a 2.0 grade point average prior to being certified for the fifteenth trimester payment; provided further that, if this chapter appropriates sufficient addi-

tional funds for the specified purpose of permitting non-remedial students to remain on the current academic standards schedule for tuition assistance program award purposes, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 665 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year, provided however, that for students not enrolled in a program of remedial study approved by the commissioner first receiving aid in 2007-2008, and thereafter, and enrolled in two-year undergraduate programs whose terms are organized in trimesters, awards shall not be made available from the amounts appropriated herein to any student who fails to make satisfactory progress toward the completion of the program's academic requirements, measured by accruing the following minimum number of credits and grade point average to maintain eligibility for awards provided in accordance with section 667 of the education law, as follows: 2 credits and a 1.3 grade point average prior to being certified for the second trimester payment; 6 credits and a 1.5 grade point average prior to being certified for the third trimester payment; 15 credits and a 1.8 grade point average prior to being certified for the fourth trimester payment; 25 credits and a 1.8 grade point average prior to being certified for the fifth trimester payment; 35 credits and a 2.0 grade point average prior to being certified for the sixth trimester payment; 45 credits and a 2.0 grade point average prior to being certified for the seventh trimester payment; 55 credits and a 2.0 grade point average prior to being certified for the eighth trimester payment; and 60 credits and a 2.0 grade point average prior to being certified for the ninth trimester payment; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting non-remedial students to remain on the current academic standards schedule for

tuition assistance program award purposes, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding any provision of law to the contrary, funds appropriated herein shall be made available for awards in the 2010-2011 academic year provided that no award shall be made available from the amounts appropriated herein to any student enrolled in a program of graduate study; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting tuition assistance program awards for students enrolled in a program of graduate study, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding subdivision 6 of section 661 of the education law, funds appropriated herein shall be made available for awards in the 2010-2011 academic year provided that a student who is in default on a student loan made under any statutory New York state or federal education loan program shall be ineligible to receive any award or loan pursuant to section 667 of the education law until the student cures the default status pursuant to applicable law and regulation, and provided further that a student who has failed to comply with the terms of any service condition imposed by an award made pursuant to section 667 of the education or has failed to repay an award made as required by paragraph a of subdivision 4 of section 665 of the education law, shall be ineligible to receive any award or loan pursuant to section 667 of the education law so long as such failure to comply or repay continues; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of permitting such students to remain eligible to receive a tuition assistance program award, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010.

Notwithstanding item 1 of clause A of subparagraph i of paragraph a of subdivision 3 of section 667 of the education

law, tuition assistance program awards for students who have been granted exclusion of parental income who have a spouse but no other dependent shall be calculated in accordance with the award schedule pursuant to subparagraph iii of paragraph a of subdivision 3 of section 667 of the education law, except that the base amount, as determined in subparagraph i of such paragraph, shall be reduced by 7 percent of excess over $7,000 if the amount of income is $7,000 or more, but less than $11,000, and except that such base amount shall be reduced by $280 plus 10 percent of excess over $11,000 if the amount of income is $11,000 or more, but less than $18,000, and except that such base amount shall be reduced by $980 plus 12 percent of excess over $18,000 if the amount of income is $18,000 or more, but not more than $40,000, and except that there shall be no tuition assistance program award for such students if the amount of income is $40,000 or more; provided further that, if this chapter appropriates sufficient additional funds for the specified purpose of providing that the tuition assistance award calculation for students who have been granted exclusion of parental income who have a spouse but no other dependent to be calculated in accordance with the award schedule pursuant to item 1 of clause A of subparagraph i of paragraph a of subdivision 3 of section 667 of the education law, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2010 22,200,000
