FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would require the state of New York and the participating employers in the New York State and Local Employees' Retirement System and the New York State and Local Police and Fire Retirement System to annually file a report to the Comptroller and the Attorney General specifying all who provided professional services to such employer, whether they were hired as employees, and all remuneration and compensation paid for such professional services.

If this bill is enacted, we anticipate that there would be a small annual administrative cost to the New York State and Local Employees' Retirement System and the New York State and Local Police and Fire Retirement System.

This estimate, dated January 4, 2010, and intended for use only during the 2010 Legislative Session, is Fiscal Note No. 2010-3, prepared by the Actuary for the New York State and Local Employees' Retirement System and the New York State and Local Police and Fire Retirement System.
