Introduced by Sen. KRUGER -- read twice and ordered printed, and when printed to be committed to the Committee on Consumer Protection

AN ACT to amend the general business law, in relation to labelling the recycled content level of consumer packaging

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Short title. This act shall be known as the "recycling
2 right to know act".
3 S 2. Legislative findings and declaration. The legislature hereby
4 finds and declares that waste reduction and recycling are the most envi-
5 ronmentally sound solid waste management programs. The legislature
6 further finds that New York consumers can play a major role in promoting
7 recycling by purchasing products made of recycled materials and that
8 consumers need basic information to make informed consumer choices. The
9 legislature further finds that by requiring packaging to carry a product
10 label identifying the recycled content level of such packaging, consum-
11 ers will be able to make such informed choices. The legislature also
12 finds that as more products use recycled material for packaging, the
13 markets for recycled products will be positively affected.
