FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow Peace Officers employed by New York State in the State Liquor Authority to retire upon completion of twenty-five (25) years of creditable service. For all eligible officers, their benefit upon retirement would be an allowance of one-half final average salary. There would be no reduction for early service retirement.

If this bill is enacted, we anticipate that there will be an increase of approximately \$30,300 in the annual contributions of the State of New York for the fiscal year ending March 31, 2010.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$353,000 which would be borne by the State of New York. This estimate is based on the assumption that payment will be made on March 1, 2010. If this cost is amortized over a ten year period, the cost for the first year, including interest would be approximately \$48,700.

These estimated costs are based on 42 known affected officers having a total estimated annual salary for the fiscal year ending March 31, 2009 of approximately \$1.9 million.

This estimate, dated December 8, 2008 and intended for use only during the 2009 Legislative Session, is Fiscal Note No. 2009-73, prepared by the Actuary for the New York State and Local Employees' Retirement System.
