AN ACT to amend the public authorities law, in relation to creating the technology employment community hub (TECH) centers program

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative intent. The legislature hereby finds that
2 significant employment opportunities exist in growing fields where
3 complex technologies require advanced skills. Access to modern, effi-
4 cient facilities and equipment will provide students with the ability to
5 learn about, develop and apply new technologies. Having access to these
6 modern facilities and equipment will provide students with the knowledge
7 and skill required for employment in the ever-expanding high-technology
8 sector or in other sectors of the economy, including manufacturing and
9 service, that utilize advanced, high-technology-related processes. The
10 legislature finds that it is proper and essential for the state to
11 support efforts that will provide students with updated and modern
12 facilities and equipment where skills can be learned in a setting that
13 best matches the workplaces for which the students are being prepared.
14 The legislature also finds and declares that a well-trained and skilled
15 workforce will attract businesses seeking to enhance production, modern-
16 ize or expand as well as start up or relocate to New York state.
17 The legislature hereby authorizes the creation of the technology
18 employment community hub (TECH) centers program.
